Lincoln, Lightning, Lynn, Nico, and I and the rest of us went after Jo and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Jo, and they exploded with incredible power as they hit her.

Vera was surprised as her body started trembling. She yelled out in surprise as her body started expanding.

Same with Grace.

Grace Stormthunder: NO! We control the power. It doesn't.

They concentrated and reigned in the powers of Gigantamax Snorlax and Mega Swanna.

Vera: Let me go first.

She jumped high and transformed into Gigantamax Snorlax and fell.

Me: DIVE ASIDE!

We jumped away and then...

THUNDEROUS HUGE MASSIVE CRASH TO THE GROUND!

She crashed onto Jo with a massive thunderous crash!

Nico: OUCH!

Me: GEEZ!

She got up and Jo was squished flatter than a pancake!

Xenia: WHOA!

Poromon pecked her and Grace blasted her with Scald and burned her.

Then the next M.O.E. Group came.

Next came Black Adam, Webstor, Angel, Red Ghost, Skalamander, Rich Texan, Steam Smythe, Ben Ravencroft, David Cain, and King Shark.

Nico: Black Adam, Webstor, Angel, Red Ghost, Skalamander, Rich Texan, Steam Smythe, Ben Ravencroft, David Cain, and King Shark

Jo was in far too much pain.

Jo: (Dazed and Stupid) Can you all read me the story of pooh and the sausages. (FAINTS)

Me: We really knocked her stupid.

Black Adam: She didn't even get a chance to give us orders

Me: Because we knocked her around too hard.

Webstor: Hard to believe she became a Hitotsuki

Angel: It still didn't last long

Me: Something I wasn't expecting though.

Red Ghost: (to Nico) We heard you fought Vikings

Nico: Yep the Takar Vikings.

Rich Texan: (to Becky) You should take care of that Mega Butterfree

Becky: I will.

Thunderbird came.

Me: Thunderbird for another round?

Thunderbird: Yep.

Me: Cool.

Thunderbird: How's our resident sleepwalker?

Qin: Much better. Going into therapy later.

Thunderbird: Good.

Me: You missed the fireworks with Lightning's Akuma. It was electrifying.

Thunderbird: DARN!

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway.

Batman, Alpha Kavu, Suriko the Titania, Helen Anderson, Tirion Fordring, Alexstrasza, Ysera, Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Alice Gehabach and Spectra Phantom VS Black Adam, Madame Woe, Universe 666 Thanos, Universe 666 Ebony Maw, Evil Manta, Universe 666 Proxima Midnight, Vincent Crabbe and Abracadanger (Theme including Alpha Kavu) - Nico's rescue was Qin sleepwalking and battling the Vikings of Takar

---

Black Adam was first.

Black Adam (to Batman): Nico's rescue was Qin sleepwalking. He also battled the Vikings of Takar.

Batman: He sure did and it was crazy. Turns out Qin was having repressed memory issues and she was sleepwalking because of that. Like how Ed did, she went all over the neighborhood and ate all their food and came back bloated big time.

Alpha Kavu: Boy she was stuffed as big as a thanksgiving turkey.

Suriko: Yeah! She was really full. But her repressed memories were because of the Russian Mafia

Twilight Sparkle: Yeah no kidding! Woke most of us up at midnight and we got a strong sense of déjà-vu.

Black Adam: That's usually something Ed would do.

Twilight Sparkle: J.D. said the exact same thing.

Stellar Sparkle: Yeah that was crazy. But either way we helped her and she is seeing Ino later today to help out.

Harmony Sparkle: Lincoln used his potions to help her and used his powers to restock their food and supplies.

Starshine Sparkle: No kidding. That was cool.

Black Adam: Where did she end up?

Starshine Sparkle: In the end she wound up back in her room. But she was overstuffed like a Thanksgiving Turkey. She even took a huge bite out of Double D's cactus Jim!

Black Adam: GEEZ! What about the Vikings of Takar?

Starshine Sparkle: Well they were much more of a challenge and they were causing mayhem and destruction in Orchid Bay. They were going after June's friends and we really made them feel our wrath. Star Swirl unlocked his Rainbow Power and Juniper Lee transformed against them and it was awesome.

Black Adam: Some of you guys haven't transformed in a while!

Spyro: No we sure haven't. But it was really awesome! We sent the vikings to you guys.

Black Adam: Boy you guys had a really eventful rescue and adventure in the early morning hours! Lets do it!

Batman used the Vistamp for Black Adam and the Bat World Gear and they fired waves of magic and darkness and smashed them down!

Lucy Loud, Wednesday Addams, Renee Ravenclaw, Rocky DeSantis, Adam Park, Kat Hilliard, Tanya Sloan, Sunset Shimmer, Firestorm Shimmer, Sunset Shimmer (G5), Pipsqueak, Chalcanthite Aurora, Fire Skylanders, Riku and Demona VS Webstor, Man Spider, Sharkyonara, Muscular, Needle Hair, Steel Bulwark, Scorpion (Spiderverse) and Tsuchigumo (Kakuranger) (Theme including Wednesday Addams) - The Anothers were the Embodiment of Meat and Exarion Universe

---

Webstor was next.

Webstor (to Lucy): The Anothers were the Embodiment of Meat and Exarion Universe. Nico, Terraspin's team, King Tortoise's team, and the others did good battling them.

Lucy: They sure did and it was really amazing to see. The Meat Dopant Embodiment gave us a huge meatly lunch. Luffy loved it really much too.

Wednesday Addams: He ate a lot and it was amazing.

Renee Ravenclaw: (British Accent) We also met a gene-slammer of Mega Swanna and her name was Grace Stormthunder. She is a powerful storm master and weather power. She knows Wild Storm of the Skylanders and she and Wild Storm defended the M.A.P. And all the Skylands from Kaos and his forces.

Webstor: WOW! That is cool!

Sunset Shimmer: It sure was! She learned all about his powers and more under his training.

Firestorm Shimmer: That was awesome!

Sunset Shimmer (G5): I agree there. The Senseis of the Skylanders are really powerful and amazing in their skills and teachings.

Pipsqueak: (British Accent) They sure are.

Chalcanthite Aurora: (British Accent) I agree there!

Sunburn: Yeah they sure are resourceful.

Webstor: They sure are. Lets do it!

Angel (to Skyla): I heard Lincoln's rescue was a bodybuilding competition. How was it?

Skyla: It was really fun! Lincoln won that contest easy peasy! Also we battled an old enemy of Cage Blunt. His name was Nathan Caldwell, he was a local troublemaker from New York, but here's the bad news: his parents, two of New York's most notorious crime lords, Leanne Caldwell and James Caldwell, got killed and drained of blood by Cage Blunt and Travis Tackett in 1985 when those two were drunk on Demon Blood, and Caleb who saw the whole thing while hiding from them ran away, but he hadn't forgotten of what happened that night.

Angel: WHOA MAN! That is crazy!

Honedge: Yeah this guy was bad news!

Rinka: But we showed him who is boss!

Rarity: Indeed we did darlings and it was a fun adventure.

They laughed!

Saleen: That is funny!

Eiliea: It was! And J.D. trapped him in a red Fire Element Trap and it was funny! J.D. said Okay Pepper Boy, you either learn how to become good or I'm going to turn you into a pepper sauce for my next batch of chili!

They laughed more!

Saleen: That is telling him!

Applejack: It sure is! That was a really fiery adventure there!

Skalamander (to Chris): The Mascots found out their principal hates Blood and Honey too! It was going to come out eventually.

Chris: Yeah it sure was. And J.D. and Nico learned about it during the Spider Riders big day mission too.

Professor Ivy: Turns out the principal is a massively huge die-hard Blood and Honey hater and she hates those movies with a vengeance as much as the mascots do.

Miku: We were amazed about that one.

Skalamander: That is awesome! The Mascots must be happy to have her in the Anti-Blood and Honey regime.

Mascots: LOOK AT IT!

They laughed!

Skalamander: That's a big time yes. Also Chris we're sorry that Qin went through all of that because of sleepwalking.

Chris: I know but she will be okay and she is going through therapy sessions with Ino. Eddy said he will give her jawbreakers after she is

done.

Skalamander: Awesome! And I heard the kids had a great guest at the school?

Rainbow Dash: Oh they did. It was a Gigantamax Snorlax gene-slammer.

Scootaloo: Her name was Artemisia Jane Lorelai. She is from Greece and is a good friend with Swarm of the Skylanders.

Stealth Elf: More than that. The curse that Heather is on will be intensified 10 fold. It's a powerful side effect. Whenever a sore loser is with the one afflicted with the curse, the curse's power is intensified 10 fold. So they will all be hit 10 fold.

Steam Smythe (to Sakura): Jo is going to really get the dirt kicked out of her. It doesn't matter if she's Kijinoki

Sakura Haruno: We were shocked that Jo turned into Kijinoki! In fact we had no idea there was a pink ranger themed Hitotsuki!

Steam Smythe: I didn't expect that though!

Jamesdean5842: Everyone was surprised by it. But it's a stage show exclusive only Hitotsuki and he was created because of Tsuyoshi Kijino still harboring some anger towards all the treatment Miho went through because of the Noto's. It actually didn't say the reason behind it though.

Steam Smythe: That is crazy! Makes you wonder if there are Hitotsuki's for each color of the rangers.

Tenten: Yeah no kidding there. I wonder if there are hitotsukis like that.

Lincoln, Colleen LeSteau Cooper, Nico, and I went after Hakkar the Soulflayer and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Hakkar the Soulflayer, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Colleen LeSteau Cooper did the same by firing black and dark blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Colleen LeSteau Cooper, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Hakkar the Soulflayer even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Hakkar the Soulflayer and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of Hakkar the Soulflayer and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of his massive greatsword.

Then, Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Hakkar the Soulflayer, and he began absorbing him and he assimilated Hakkar the Soulflayer's Godlike strength, Godlike Durability, Flight, Blood Magic, Manipulation, Infectious Blood, Disease spreading, and Immortality, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of Hakkar the Soulflayer, and Lincoln drained his soul of energy and he sent him to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

We cheered wildly as we holstered our weapons and powered down and Colleen LeSteau Cooper's new body, clothes, weapons, jewelry, Third Eye, larger raccoon ears, larger raccoon tail, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large black and dark blue planets orbiting around her legs, one-hundred smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Colleen LeSteau Cooper: It's over for you, Hakkar the Soulflayer, and to this we say good riddance. Thanks for helping me get rid of that vampiric deity, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Colleen.

Me and Nico: Our pleasure, Colleen.

Suddenly, Colleen LeSteau Cooper wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Colleen LeSteau Cooper's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Colleen LeSteau Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Colleen, you transformed and you guys really let that vampiric deity have it.

Me: That's for sure, he didn't stand a chance against us even now. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the symbol of Gluttony and The Pot of Gluttony appear.

Lincoln: (GASPS) The symbol of Gluttony and The Pot of Gluttony.

Adriana Nightshade: There's only one person who fits that: Adara Nightshade, Avatar and Gene-Slammer of The Pot of Gluttony and Deadly Princess of Gluttony.

Mara Lucifer: I knew it was her, and you guys are going to enjoy meeting her, Adara Nightshade, Avatar and Gene-Slammer of The Pot of Gluttony and Deadly Princess of Gluttony, is Lincoln's Guardian Angel from Las Vegas and Adriana Nightshade's youngest sister, she's a powerful and extremely deadly dark angel who was born with the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Gluttony. She's known as The Deadly Princess of Gluttony and Avatar and Gene-Slammer of The Pot of Gluttony, and she's a member of The Seven Deadly Princesses of

Sins, a group of Lincoln's Guardian Angels who have the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the individual powers of The Seven Deadly Sins of Lust, Greed, Gluttony, Wrath, Pride, Envy, and Sloth, and they've used them to make those guilty of these sins pay with their lives. Adara Nightshade has the power to force hunger among the guilty and make them eat and eat and eat until they wind up falling into a coma and die allowing her to send them to The Circle of Gluttony. Adara Nightshade moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Gluttony, and over time, Lincoln gained Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Gluttony, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge, and she also knew about Lincoln's massive and gigantic appetite that rivals the Saiyans and the hungriest among TLPS and he never gains weight, only muscle. Lincoln made her a darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, she's also great friends with Lucy and her friends, and she hates Lewis Travolta and Bubble Bass with a blazing passion, and she swore if she saw Lewis Travolta and Bubble Bass again, she'd use her powers to make those gluttons eat and eat and eat until they die in a food coma and sends them both to The Circle of Gluttony.

WE GASPED!

Me: HOLY FILTHBUCKETS OF GLUTTONY!

Nico: Oh man!

Steam Smythe: Oh, we won't get rid of the Sore Losers altogether right away.

Ben Ravencroft: We'll wait a month or two.

David Cain: Except for Scott since he's a rapist.

Me: Yeah he is dead.

King Shark: Let's eat!

Nico: Good idea.

Skalamander (to Chris): Please make sure Qin doesn't eat all of it this time

Chris: I will.

Nico: Great job today everyone.

Lincoln: (To the viewers) Look out sore losers we're coming for you.

We went back home and went to Lynn's Table and had a great meal.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally took down Jo and sent her to The Xaikora Prison with Heather.

Anna Anyanova: And the curse became intensified 10-fold. Plus, I think Linky's right. Caleb's gonna execute the sore losers once we capture all of them and send them to The M.O.E.

Eman Reynolds: Except for Scott, he's gonna die much earlier after all, that's what he deserves for the Team Buhktu affair that traumatized Lincoln and for the murder of Connie Jackelstein's little sister, Emily, especially when she co he conspired with Carly Jackelstein.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln who was in an orange speedo, and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken

hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 105 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Next is SpongeBob's day to shine and we're going to battle Burgerbeard!

See you all next time.

SpongeVengers VS Burgerbeard

SpongeBob's Day to Shine

This is based on the SpongeBob Movie: Sponge Out of Water

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to New York, but it was in 1985, he soon found out he was in Caleb's dream, or rather, his nightmares. Lincoln flew, and there he saw Caleb Maxwell, the one from the videos we'd seen, but back in his outfit from 1985 and from a nearby rooftop was the one we all know too well.

They both saw the 1985 Caleb Maxwell running again, no doubt from Cage and Travis along with his evil ex-younger brother.

Caleb Maxwell (1985): I got to get back to the apartment and fast. At this rate, if I don't make it back, I'll die! But, at this point, I'm already dead, everything I held dear to me...is all gone, I sacrificed my own dream to join the NYPD because of what I did in my fit of rage and bloodlust, Drake has ruined my life with his physical attacks and caused my life to shorten to the point of dying at age 21, and above all..., I closed out my own heart and wouldn't let Mom or Allie help me. Does this make me...a monster?

Caleb Maxwell looked at his own self.

Caleb Maxwell: It doesn't. I made those choices not out of fear, but because it was the right thing to do..., and my life was already going to run out.

Lincoln: So, that explains it, he made those choices because it was the right thing to do, and he knew he was going to die early.

Suddenly, the 1985 Caleb Maxwell ran to the roof of the nearby apartment that the present day Caleb Maxwell was on. But, then, Caleb's mark reacted and blood spilled out, and he saw ghosts appearing, but Lincoln saw who they were: they were the ghosts of Caleb's past: all his friends who died tragically while he was forced to watch, and finally, Marcus Maxwell, his own father whom he'd killed last year.

Caleb Maxwell: No..., not now...!

Finally, Caleb Maxwell saw a nightmare version of his younger brother, Drake Maxwell, but he had a very dark presence around him: it was The Rift as Lincoln saw the familiar winged skull above his head.

Lincoln: Oh man, this is not good.

Then, Caleb Maxwell felt a pain flare up, and Lincoln from a distance saw it: Caleb Maxwell had a crimson red and indigo version of The Snake Tattoo from Fatal Frame III: The Tormented.

Lincoln: So, that explains it, Caleb's nightmares had also caused him to get The Tattooed Curse, but we laid Reika Kuze's spirit to rest last year, and that nightmare version of Drake Maxwell was behind it, or rather, the source of Caleb's nightmares.

Lincoln woke up along with his harem and kids.

Lily the Mermaid: Linky, what's wrong?

Lincoln: It's not good.

Lincoln explained what happened, and when he was done, they were shocked.

Anna Anyanova: Oh man. Did Caleb fall victim to a guilt-ridden version of The Tattooed Curse?

Lincoln: Looks like it. I saw his nightmare, and Caleb's nightmare wasn't just through guilt, but he still carried the trauma of his past from losing his true friends to tragedy, harmed badly by Drake, his own death, and killing his own dad before Claw Dane Drake exposed the real reason why he got into that life of crime.

Sarah Tinsley: Could that also be the very part that led to him getting a sadistic streak?

Lincoln: Maybe, and he's a good person and good to hang with, but with what he went through and with what we saw, I wouldn't be that surprised. But, we are still telling everyone about this.

Lily the Mermaid: Same with the NYPD Nightshift, but I think Caleb waking up and seeing the tattoo spread might alert them.

Lincoln and his harem and kids went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you. Last night, my dream took me to Caleb's nightmare.

Then, Lincoln explained everything and when he was done, we were saddened by what he told us.

Me: Oh man...!

Nico: Even after all that, you still carry trauma, Caleb. I thought you were finally done.

Caleb Maxwell: Nothing is easy for me, it never was.

We saw Caleb had a tired look in his eyes and he was also filled with sadness. Then, Caleb winced in pain, and we saw it: Caleb Maxwell had a crimson red and indigo version of The Snake Tattoo from Fatal Frame III: The Tormented.

Eli: Is that...?!

Nicole: The Snake Tattoo from Fatal Frame III: The Tormented. This wasn't Reika Kuze since we put her spirit to rest last year.

Travis Tackett: This is really bad, we need to do something about that nightmare version of Drake before it's too late.

Tyler Maxwell: I agree. Caleb, this nightmare needs to stop now!

Caleb Maxwell: It's too late for me...! Nothing can stop my nightmares.

Suddenly, Tyler Maxwell's eyes turned crimson red and they suddenly turned neon crimson red and he was surrounded by a black and crimson red, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels.

Tyler Maxwell: Caleb, you have no damn idea how wrong you really are, you went through Hell, yes it's true, but the night you returned from the dead, you were calling out for help. That very darkness that you let into your heart when you shut your heart and kept everyone out from trying to help you had somehow ceased trying to keep you held captive in your nightmares. That's what drew you to Mr. Blunt and he helped you despite all that, and now, you need help once again, but you're not alone..., you never were.

Suddenly, Tyler Maxwell exploded in power and he was surrounded by a massive vortex of black and crimson red, white, golden yellow, and blue energy with stars, aura energy, white, golden yellow, and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, and hellfire surrounding the vortex, there are vampire bats, phoenixes, and angels flying around the vortex, and in the vortex is a black phoenix.

Finally, as the vortex faded, Tyler Maxwell emerged, but he was changed forever.

Trust) It's about time I also transformed as well, and this is more than enough to kill that nightmare version of Drake for good.

Allie Maxwell: Not only that, but I hope you know how to use that warhammer and submachine guns, Tyler. Caleb's had training with guns.

Caleb Maxwell: Not when it came to submachine guns, Allie. Those things are a nightmare for me.

James Blunt: If that nightmare version of Drake thinks he's getting away with this, then he's just as stupid as the real one.

Tyler Maxwell powered down, and his new body, clothes, weapons, jewelry, accessories, large gold halo and large gold Yata no Kagami mirror with gold crescent moon ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold crescent moon ring-shaped frames around them with embedded red gems behind the gold rings behind his head, large 105 black and crimson red planets orbiting around his legs and 105 smaller black and crimson red planets orbiting around his waist, smaller planets orbiting around his fingers like rings, medium sized black and crimson red planets orbiting around his wrists and ankles, and massive dark brown angel wings and 104 sets of large dark brown angel wings underneath his massive dark brown angel wings are permanent.

Tyler Maxwell: And I know how to use massive weapons like a warhammer, Allie, along with guns, I've had training with all kinds of guns, but my favorite are the submachine guns.

Nico: I wonder if you can do even more damage than your older brother.

Caleb Maxwell: Like I'm afraid of my younger brother in surpassing me in terms of violence and outright brute force.

Tyler Maxwell: Caleb, I've dealt with guys bigger than me and nastier than our ex-brother in terms of violence. I'm just as violent as you when it comes to inflicting pain on those when it comes to getting revenge.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our anger, it was Puffy Fluffy, he's back in Bikini Bottom and wants revenge.

Caleb Maxwell: What...the...hell is that?!

Lincoln: Someone who should've never returned from The Black Gates.

Lily: Are you kidding me?! Puffy Fluffy's back, that monster. Looks like Tyler Maxwell's about to get his chance.

Lincoln: You said a mouthful, Lily. Alright, let's finish breakfast and head for Bikini Bottom.

Nico: We got ourselves a nasty sea varmint to get rid of.

SpongeBob was snoring with Kingler staring at him.

Kingler: Boy he sure is tired.

But his alarm clock clicked.

FOGHORN HONK! FOGHORN HONK! FOGJORN HONK! FOGHORN HONK!

He pressed it off.

Kingler: Morning SpongeBob!

SpongeBob: Morning Kingler! Morning Gary.

Gary: Meow!

Kingler: Time for Breakfast.

SpongeBob: (GASP) I know it's my day!

He went to get dressed!

SpongeBob: I'M READY! I'm Ready! I'm Ready! I'm Ready! I'm Ready! I'm Ready! I'm Ready!

He went to the table and he was ready!

Me: You are ready SpongeBob! YEAH!

We gave him breakfast and he was hungry.

Ymir: What creature is Puffy Fluffy?

Me: He's a Nudibranch.

I showed a picture of him.

Ymir: He doesn't look like one!

Me: I know. He looks like an eel. Nudibranches look more like sea slugs.

Ymir: Her Aura?

Lincoln: Dawn has the power to see all auras and can see what colors they have to show if they are evil.

Dawn (Total Drama): It is. And I can speak with animals too.

Fluttershy: Like me too.

Eli: Exactly.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln and I turned the tips of our 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them.

Raimundo heard a Pokemon cry.

Raimundo: Look guys!

We saw a Mega Altaria!

Me: Whoa! A Mega Altaria.

Nico: Cool!

Mega Altaria: I don't know what to eat here.

Raimundo: Here.

He gave her apples.

Mega Altaria ate them.

Mega Altaria: Thank you.

Raimundo: Want to come with us?

Mega Altaria: I would be honored.

Me: Awesome!

Poromon: Cool.

Lola: That's not all! Look there!

We saw a Swampert!

Me: A Swampert! Whoa!

Nico: How did that get here?

Me: I think it's one of Dark Gale's work.

Xenia: Yeah.

Gulper: Maybe Gulper know this one.

He used Telepathy and gasped!

Gulper: It's Gulper's Soda Buddy Sophia Gulpra! She promised to help Gulper get better after Prison Exploded.

Nicole: You mean Cloudcracker Prison. Wow!

Me: Amazing! Lets go help her!

Gulper: SODA FOR GULPER!

We went to help her.

Gulper: Sophia it's Gulper. Calm down.

She used Hydro Cannon and we dodged it and it hit Nico and got him all wet! Even though we are underwater.

Me: Lets show her some water power.

We fired blasts of water and drenched her and smashed her down.

I snapped my fingers and she was a girl with blue hair and blue eyes and had blue angel wings and had the Skylanders Water Symbol on her forehead and on her arm but the one on her arm had a root beer mug on it.

We wrapped her in a blanket and sat her on a bench.

Me: Nice one Gulper.

Gulper: Thanks!

She woke up.

Sophia Gulpra: (Groans) I feel like I drank a thousand gallons of that Bottom Dwelling Suction Eel Flavor soda.

Maria: BLECH! That was the worst thing I've ever tasted!

Gulper: Gulper glad to see you Sophia.

Sophia Gulpra: Gulper!

She hugged him.

Gulper: Gulper happy you're okay.

Sophia Gulpra: Same here.

Me: You were turned into a Swampert by Dark Gale.

Sophia Gulpra: (GASP) I remember!

She was in a blue suit and injected and in a swirl of water she turned into Swampert and busted out.

FLASHBACK ENDS

Sophia Gulpra: It was awful.

Me: I know but we destroyed Dark Gale for good.

Sophia Gulpra: Awesome. Do you guys have any soda?

I snapped my fingers and then 20 barrels full of Orange Ambrosia Cooler appeared.

Sophia Gulpra: Thanks.

She got to drinking.

Poromon put some beer near her

Me: Poromon don't let her drink beer.

Sophia Gulpra: Yeah. Sorry I don't like the taste of beer.

Poromon: Okay.

Poliwag: (Does Puppy Eyes) Pwetty Pwease?

Sophia Gulpra: Nice try pipsqueak.

Poliwag: HEY!

Gulper: One time Sophia drank more soda than Gulper. She drank 75 barrels of soda.

Me: HOLY CRUD! That's a lot of soda.

Nico: No kidding.

She drank it all down.

Sophia Gulpra: Ahh.

But then...

EXPLOSIVELY LOUD MASSIVE LONG BELCH!

SHE BELCHED EXPLOSIVELY LIKE WAKKO DOES!

Nico: (LAUGHS) Just like Gulper!

Gulper: Gulper taught her that!

WE LAUGHED!

Nico: Yeah!

Sophia Gulpra: Excuse me. Oh for Sonya's team I am the hydromancer and water master. Outside the team I help the Skylanders defeat the Forces of Kaos. But my real mission is one me and my friends have. We are part of a group called The Doom Raider Elemental Redemption Platoon. We are a group of girls for each of the 10 Elements of Skylands and Skylanders and we have a big mission and that is to help the Doom Raiders of Skylands redeem themselves to be good. It was after Cloudcracker Prison was destroyed.

Maria: Whoa! That is a big job!

Lola: Yeah!

Sophia Gulpra: That's right. I represent the Element of Water so Gulper is my objective.

Me: Wow!

Nico: Does that include Pain Yatta?

Sophia Gulpra: Yes it does.

Pain Yatta: Huzzah!

Me: Cool!

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new blue clothes and a Trident.

Sophia Gulpra: I look awesome.

Me: You sure do.

Qin: Yeah.

Me: Fitting that we're underwater for that.

Nico: We're looking for a monster that's short and green.

Sophia Gulpra: You mean Puffy Fluffy?

Me: Yep.

Sophia Gulpra: I think he's that way.

She pointed to the west.

Me: Lincoln?

Lincoln: (Sensed for Puffy Fluffy) AHA! There you are, you ugly snail-eating varmint! I just spotted Puffy Fluffy, he's 20 yards away, but he's on the rampage.

Puffy Fluffy went into its cute form.

Ymir: Aww it looks so cute.

Me: But appearances are always deceiving.

Nico picked it up...and threw it at a wall!

KRASMASH!

It turned into its MONSTER FORM!

IT ROARED FEROCIOUSLY!

Me: Ya got some nerve crawling out of the depths of The Black Gates to come after us again.

Puffy Fluffy: (ROARS MONSTROUSLY)

Nico: Really?! That's all you got to say?

Lincoln: It's a mindless beast, Nico, and at least, I have control over my primal instincts when I go wild.

Nico: You're not fooling anyone!

SpongeBob: Especially me!

Me: And me!

Gary: MEOW!

Me: Oh ROAR YOURSELF!

I fired waves of fire and blasted it.

Nico: How you managed to fool Spongebob, I'll never know!

Jamesdean5842: In all honesty, that episode of SpongeBob garnered lots of hateful reviews and more. Also Nudibranches are not like Puffy Fluffy at all. They are more like sea slugs. They eat sponges, corals, anemones, hydroids, bryozoans, tunicates, algae, barnacles, jellyfish, and ophiuroids.

Nico: I see.

SpongeBob: YIKES!

Me: But Puffy Fluffy is more like a Moray Eel.

Deadpool: (to Puffy Fluffy) Your episode should've never been made!

Jamesdean5842: THAT'S TELLING HIM WADE!

Deadpool: Thanks!

Ymir: When did that episode come out?

Jamesdean5842: It came out on January 1st, 2010.

Ymir: Oh wow!

Nico: Yep.

Nico fired energy blasts and blasted Puffy Fluffy all over.

Mac: You're just like Bendy!

Ymir: Bendy?

Then, Lincoln took the air and he snapped his left hand's fingers and five massive orbiting balls of fire appeared orbiting around Puffy Fluffy, and then, they collided and they exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

LINCOLN DEVOURED THE MASSIVE INDUSTRIAL CANS OF SPINACH!

Me: OH CRAP!

Nico: OH NO!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings of his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed, and a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Then, he flexed his massive muscles, and we saw two cannons exploding in his massive biceps and the Death Star exploding in his massive pecs and he let out a massive wolf roar and he pounded his chest like a gorilla.

Then, he punched him hard in the face and kicked them in the stomach and he sent him flying into a tree, he got back up, but before he could attack, Lincoln fired streams of water at him and he exploded as he got hit.

Suddenly, we heard vampiric shrieks, and we saw vampires coming right at us, and then, the skies turned red and it started raining down blood.

Camille Bergeran: Oh it's my deli. I opened it up 2 weeks ago. It's called Bergeron Cajun New Orleans Deli and it's a New Orleans Po-Boy and Creole deli that makes all kinds of really amazing po-boy sandwiches and cajun sandwiches and dishes from New Orleans

Homer: Oh boy!

Shaggy: Like you know we'll be there.

Me: We'll try it out too.

Nico: Sure! Always looking forward to it.

Camille Bergeran: It's all great food made from scratch and made with love.

Me: (SLURPS)

Nico: Oh Tyzonn I know this is silly but what do you do in your free time?

Tyzonn: I work in the prison to keep criminals in check as a guard. It's fun.

Me: Ooh nice job there.

Tyzonn: It puts bread on the table.

SpongeBob: Rye or pumpernickel? (LAUGHS)

We laughed.

Me: Funny.

Nico: Now for the Anothers.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another SpongeBob.

SpongeBob SquarePants: Another Me? I wonder who it is.

Eli: We'll see soon.

Me: So we got Another Snakeweed, Boss Biggis, Space Kook, Stingray, Despair Angie Yonaga, Siren and Dark Mercury.

Nico: Yep. That means Tyzonn, Dina the Undine, Sailor Mercury, Erica Gillette, Agent of Wisdom - Mercury, Mira Mercury and Bunwa Kaku are up.

Dina: I'm looking forward to this.

Me: Me too.

Lincoln: (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier

serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillion bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chest like two Alpha Male gorillas.

Nico: There they are!

We saw Another Boss Biggis, Space Kook, Stingray, Despair Angie Yonaga, Siren and Dark Mercury.

Me: WHOA!

Xenia: This is gonna be awesome.

Another Boss Biggis: (In a girls voice) Looking forward to it.

She reverted back and it was the gene-slammer of Crab Turtle!

Nico: Emily Nautilus!

Emily Nautilus: Aye lad. Sailor and Fisherman!

Me: And the gene-slammer of Crab Turtle. Cool!

Emily Nautilus: Aye!

Nico: Emily is an amazing crab fisherman too.

Me: Neat. By the way are the rest of the Anothers friendly or hostile?

Emily Nautilus: Another Snakeweed be neutral. Friendly with Nico and everyone else but hostile towards one scallywag.

Me: Who is it?

Emily Nautilus: That part be lost to me.

Me: We'll have to find out who it is.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Nico: Now we wait.

Me: We don't have to wait long!

We saw Another Snakeweed and Spongebob!

Me: Whoa!

Xenia: This will be fun!

Another Snakeweed: (In a girls voice) Where is that bitch!?

Nico: (GASP) Rose Flamestar!?

She reverted back and it was the gene-slammer of Rose, Warrior of Revenge!

Me: WHOA! The gene-slammer of Rose, Warrior of Revenge.

Rose Flamestar: That's right and it's good to see you again Nico.

Nico: Same here.

Rose Flamestar: Yep. Now where is that bitch!?

Me: Who?

Rose Flamestar: Lila Rossi!

WE GASPED!

Me: What do you want with that heartless monster!?

Rose Flamestar: She ruined my life and I want revenge!

Me: What did she do?

Nico: Well it's... Rose calm down and tell us what happened.

Rose Flamestar: Okay.

She told us that Lila framed her for crimes she didn't do and got her banished to Siberia. She vowed to kill her by slashing her head off and squishing her brain.

WE WERE SHOCKED! And some of our faces turned green.

Nico: WHY THAT STUPID MOTHERFUCKING BITCH!

Me: Lila is pure evil to the Infinite Power! Well how About we do this for you?

I snapped my fingers and Lila was brought over to us and we tied her up.

Me: Knock yourself out Rose. But leave her alive. Marinette's day is soon and pretty much all of Paris and the world wants her head mounted on a pike. Ugly story.

Rose Flamestar: Thank you.

She went over to her and had her scythe ready! Then we saw her TORTURE HER!

She broke her fingers by bending them in nasty ways!

SNAP SNAP SNAP SNAP SNAP SNAP!

LILA SCREAMED!

She then broke her legs!

CRUNCH CRUNCH CRUNCH!

She then ripped out her teeth and her tongue!

CRUNCH CRUNCH CRUNCH CRUNCH CRUNCH CRUNCH!

SQUELCH!

Then she disemboweled her and burned her belly with a red hot branding iron shaped like the star of satan!

Chunk: OH GEEZ! I THINK I'M GONNA HURL!

Slab: (Puts hand over Chunk's mouth) HOLD IT IN PAL!

Rip: THAT IS SICK!

Crag: OH MAN! What a torture fest!

She was really tearing her apart!

MANY OF US WENT TO TRASH CANS AND HURLED OUR GUTS OUT!

(LOUD VOMITING ATTACKS)

Luna: PUKE VOLCANO! (FAINTS)

FWOMP!

I was enjoying it and so was Marinette and friends.

She ripped her into a million pieces.

She was covered in blood and inards and was panting hard.

Me: Feel better?

Rose Flamestar: Much better.

Me: Good.

I snapped my fingers and sent her back to the Warp.

Rose Flamestar: Glad I got that out of my system.

Me: Great. Where did you learn how to torture and mame her like that?

Rose Flamestar: Oh Swartz taught them to me. He taught me how to torture people in exchange for letting me go.

Sakura Knudson: That explains all the torture and screaming I heard in the lab.

Me: Wow!

Rose Flamestar: I was saving it for when I killed Lila.

Me: And it paid off.

Rose Flamestar: Yep. And Also I have Snakeweed's powers.

Snakeweed: Nice.

Nico: And who is your friend?

Another SpongeBob: (In a girls voice) Someone who is really proud of SpongeBob and friends.

SpongeBob: (GASP) That voice!

She reverted back and was a girl with blond hair and blue eyes and had yellow wings and had a brown dress and a Spatula in her hand.

SpongeBob: Sarah!

He went and hugged her.

Me: You know her SpongeBob?

SpongeBob: I sure do. Everyone meet Sarah Cecilwood. She is one of my close friends and also is a great member of the Krusty Crew.

Mr. Krabs: (LAUGHS) Aye lad and she is the most amazing fry cook ever to grace me restaurant.

Squidward: And one that loved all my art and helped me with my music.

Lily: WOW! Awesome to meet one of my predecessor co-workers.

Sarah Cecilwood: You too Lily. I heard all about how you made the Krusty Krab so awesome.

Lily: Yeah it's fun.

Kaito: (Gets out the Go Busters Gear) Did Swartz promise you anything?

Zocks: (Gets out the Gokaiger Gear) Because we can grant it instead?

They got weapons from said rangers.

Rose Flamestar: No he didn't. I already fulfilled half of my revenge because of his offer for torturing Lila.

Me: Well that was only half it. The main event is not until Marinette's big day soon. So be patient till then.

Rose Flamestar: I will.

Sougo (gets out Beast Morphers Ridewatch): SpongeBob and the Neptune Crusaders have come a long way.

Geiz: (gets Super Megaforce Ridewatch) You should be proud of them.

Sougo got RedBeastMorpherArmor while Geiz got SuperMegaforceRedArmor

Sarah Cecilwood: I am proud of them.

Me: Awesome. Lets separate you first.

We did so.

Me: Lets dance!

Nico: (Gets out Snakeweed's ridewatch) I will Sssslither and bite!

May: (Gets out Stingray's's ridewatch) I will Sting you!

Universe 666 May: (Gets out Despair Angie Yonaga Ridewatch) Feel despair!

Maria: (Gets out Siren's ridewatch) I am the song of your demise!

Dina: (Gets out Boss Biggis's ridewatch) I am going to eat you alive with my dinner!

They used the powers of Snakeweed, Boss Biggis, Space Kook, Stingray, Despair Angie Yonaga, Siren and Dark Mercury and blasted the Anothers all over.

Me: Yeah!

Then Mister Atom, Gaburio (Zyuohger), Flora Petal the 12 Tailed Fairy, King of Destruction - Xexex, Planetary Chimerahydra and Evil Ignitor (Fire Minion Skylanders) came!

Me: Whoa!

Nico: Nice team Mister Atom!

Mister Atom: Thanks Nico.

Tea: Wait! Is hat my Akuma!?

Flora Petal: That's right.

Lincoln: Whoa! You're Flora Petal the 12 Tailed Fairy! The Hypothetical Akuma of Tea Gardner and she is a powerful tailed beast. She is a fairy of flowers and butterflies and nature and a deadly force of nature. She was made because of Yami Marik controling her and nearly killing Joey and Mai and she vowed to kill Yami Marik. She is also a force of good and is a good friend to many.

Me: Man Yami Marik is such a douchebag!

Flora Petal: I know.

Tea: I look absolutely beautiful like this.

Flora Petal: I know.

Me: The Pink Butterfly Wings and the 12 Peacock Tail Feathers really accentuate it.

Tea: They sure do.

Flora Petal: I agree.

Me: Also you're a little too early because Tea's day is not for a while.

Flora Petal: I know. Sorry.

Nico: Wasn't expecting this. But Atomix and his team are up.

Atomix: Yep.

Me: Cool!

Then out of 2 swirls of darkness and light came Number 40: Gimmick Puppet of Strings and Number 39: Utopia!

Me: WHOA! Number 40: Gimmick Puppet of Strings and Number 39: Utopia.

Qin: Cool!

Number 40: (In a girls voice) It sure is.

Number 39: (In a girls voice) And we're ready.

Nico: Sora Gimmickra and Yulie Tsukumo! Wow!

They reverted back.

Sora was a girl with black hair and red eyes and red clothes and and black wings and had Number 40: Gimmick Puppet of Strings on her forehead, arm, skirt and shirt and had a darkness sword.

Yulie was a girl with red hair and pink eyes and had yellow clothes and had blue angel wings and had Number 39: Utopia on her forehead, skirt and shirt and had a cutie mark shaped like the Emperor Key with a no sign over the Barian Symbol on her arm as a cutie mark and had Astral's duel Disk on her arm and had a light sword.

Yulie Tsukumo: Good to see you Nico.

Yuma Tsukumo: Sis!?

Yulie Tsukumo: Hello little brother. And you too Tori. I'm so happy you and Yuma are together.

Tori Meadows: Thanks Yulie and it's good to see you again.

Yulie Tsukumo: Same here. We got this.

Sora Gimmickra: 40 PUPPET BOMBS!

Yulie Tsukumo: 39 LIGHT SLASHES!

They fired bombs of darkness and puppets and blades of light and blasted the Anothers and I caught the Ridewatches and purified them.

Me: YEAH!

Nico: Nice job!

Yulie Tsukumo: Thanks!

Sora Gimmickra: It was fun.

Me: Yep.

Dina: Do you girls have any good memories of Nico?

Sora Gimmickra: We sure do. Mine is where me and Nico went to my family's puppet shop and we played with the puppets for kids.

Nico: You should see all the puppets they have. It's amazing.

Me: Cool!

Yulie Tsukumo: That is fun. Mine is where me and Nico went and battled some of Vetris's forces and destroyed them.

Me: Whoa!

Qin: Vetris is a monster.

Lola: He sure is.

Nico: Yep.

Nico hugged them.

Nico: I've missed you girls.

Yulie Tsukumo: Same here.

We went back home.

We had all of TLPS and The MOE with us.

Lincoln: Ah, we're here in Japan, and I know what we're going to do here, not only am I going to rescue the twelve girls here, but Lincoln's going to resurrect Tanjiro and Nezuko Kamado's family who were massacred by Muzan Kibutsuji long ago.

Nezuko Kamado: I still remembered what happened here. When Tanjiro went into town, that was when Muzan came and he killed Mom, Takeo, Shigeru, and Rokuta, our brothers, and Hanako, our younger sister, and...he infected me.

Tanjiro Kamado: It was a massacre, that was what led me to the Demon Slayer Corps, and where my journey began to save Nezuko and kill Muzan Kibutsuji, but I saw the demons I faced, Rui, his "family", and most members of The Twelve Kizuki, they were once human, some of them had hard lives, but others, they had apathy towards humans.

Sherlock Hound: (British Accent) I'll need to keep an eye out, there's no doubt The Twelve Kizuki are back, and we need to get your family to safety, Tanjiro.

Me: You're rather calm about not getting angry at Muzan Kibutsuji.

Sherlock Hound: (British Accent) I knew of what he did, J.D., but I've relented from trying to kill him, I already did just that with Mundus and his minions along with Pentagram City's unforgiveable demons, but if I were to face him in The Simulator, then I'd gladly make him pay.

Nico: I can already guess it's gonna be a bloodbath.

Tyzonn: Yikes, now I can guess it's gonna end badly. Now, where can we find the graves of Tanjiro's family?

Lincoln: I think I know.

We went to near Tanjiro's old home, and we found five graves there.

Kyojuro Rengoku: These must be the graves of your family.

Tanjiro Kamado: Mom, Takeo, Shigeru, Rokuta, Hanako...

Lincoln: You two need your family back more than ever, and your hearts need to be healed. (SNAPS FINGERS)

Lincoln snapped his fingers, and heavenly lights shined down as a choir of angels sang, and we saw five figures descend back to Earth, they were Kie Kamado, Tanjiro and Nezuko's mother, Takeo, Shigeru, and Rokuta Kamado, their younger brothers, and Hanako Kamado, their younger sister.

Kie Kamado: Wh-where are we?

Tanjiro Kamado: Mom..., Takeo, Shigeru, Rokuta, Hanako?

Takeo Kamado: Tanjiro? Nezuko?!

They hugged and cried tears of happiness.

Tamayo: You've healed their hearts at last, Lincoln.

Shinobu Kocho: Indeed.

Lincoln walked up to Tanjiro and Nezuko's mother, their brothers, and sister.

Shigeru Kamado: W-who are you?

Lincoln: I'm Lincoln Loud, I was the one who brought you all back. Your sister, Nezuko, and your brother, Tanjiro, told me of what happened to all of you, and two years ago, I cured Nezuko of what happened to her.

Tamayo: Along with myself.

Nezuko Kamado: And I'm now engaged to Lincoln.

Mitsuri Kanroji: As with some of us.

Tamayo, Shinobu, Nezuko, and Mitsuri showed them the Elemental Thunderbird Necklaces of Eternal Love with merged colored crystals and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi, Elemental Thunderbird Chokers of Eternal Love, and rainbow Thunderbird wedding rings.

Hanako Kamado: Oh wow. Nezuko, congratulations!

Lincoln: And now, we move on to our next part: facing Orochi, the main antagonist of the King of Fighters who's come back for revenge, and this time, I'm going to make sure he stays gone forever.

Tanjiro Kamado: Mom, everyone, we need to send you all to safety.

Lincoln beamed Kie Kamado, Tanjiro and Nezuko's mother, Takeo, Shigeru, and Rokuta Kamado, their younger brothers, and Hanako Kamado to The World Tree Estate.

Then, we saw our target: Orochi, the main antagonist of the King of Fighters.

Orochi (King of Fighters): You ruined my plans to finally destroy mankind to restore Earth to its former beauty, do not think that'll happen twice, Team Loud Phoenix Storm!

Then, Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Orochi, and he began absorbing him and he assimilated Orochi's Godly powers, Telekinesis, Translocation, Energy projectile, Spatial manipulation, Elemental pillar, Soul destruction, Vassal empowerment, Light of annihilation, Possession, Telepathy, Immortality and reincarnation, Martial art expert, and Regeneration, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of Orochi, and Lincoln drained his soul of energy and he sent him to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla. We cheered as we holstered our weapons and powered down.

Nico: And that's that.

Me: Yep, Tanjiro and Nezuko have their family back, and we also got rid of the most dangerous villain from The King of Fighters.

Lincoln: That's for sure. Now, we'll never have to deal with him again.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long brown hair and black hairband in her hair, red eyes, massive black angel wings, she has the Gluttony symbol on her forehead, right arm, and skirt, black sleeveless strapless top, black skirt with The Pot of Gluttony on it too, black Gothic stockings, dark pink fingerless gloves, black knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, darkness, phoenixes, and angels on the coattails, and on the back is The Pot of Gluttony, and with her are the twelve girls.

Lincoln: (GASPS) Adara Nightshade, Avatar and Gene-Slammer of The Pot of Gluttony and Deadly Princess of Gluttony.

Adara Nightshade: That's right, and I got the girls away from that genocidal extremist, and I saw what you did bringing Tanjiro and Nezuko's family back, Lincoln.

Me: Lincoln saw how much they'd been hurt from losing their family.

Nico: And they needed them back in order to finally heal from the pain of their loss.

Lincoln: That's right, they needed their family back, and they needed to be healed from what had happened. (To Adara Nightshade) And it's so good to see you again, Adara.

Adara Nightshade: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Adara Nightshade had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Adara Nightshade was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Adara Nightshade: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Adara Nightshade's waist and hugged her, and Adara Nightshade is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Adara Nightshade: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 19-year-old 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on

your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Mara Lucifer: And so do we, this is Adara Nightshade, Avatar and Gene-Slammer of The Pot of Gluttony and Deadly Princess of Gluttony, she's Lincoln's Guardian Angel from Las Vegas and Adriana Nightshade's youngest sister, she's a powerful and extremely deadly dark angel who was born with the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Gluttony. She's known as The Deadly Princess of Gluttony and Avatar and Gene-Slammer of The Pot of Gluttony, and she's a member of The Seven Deadly Princesses of Sins, a group of Lincoln's Guardian Angels who have the powers of Cosmic

Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the individual powers of The Seven Deadly Sins of Lust, Greed, Gluttony, Wrath, Pride, Envy, and Sloth, and they've used them to make those guilty of these sins pay with their lives. Adara Nightshade has the power to force hunger among the guilty and make them eat and eat and eat until they wind up falling into a coma and die allowing her to send them to The Circle of Gluttony. Adara Nightshade moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Gluttony, and over time, Lincoln gained Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Gluttony, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge, and she also knew about Lincoln's massive and gigantic appetite that rivals the Saiyans and the hungriest among TLPS and he never gains weight, only muscle. Lincoln made her a darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, she's also great friends with Lucy and her friends, and she hates Lewis Travolta and Bubble Bass with a blazing passion, and she swore if she saw Lewis Travolta and Bubble Bass again, she'd use her powers to make those gluttons eat and eat and eat until they die in a food coma and sends them both to The Circle of Gluttony.

Me: Lincoln told us everything about you. Plus, we got Lewis Travolta and Bubble Bass at Lynn's Table.

Nico: You can do whatever you want to them, be sure to drop a massive ball of food down their throats.

Lincoln: With the curse on them, they won't die, but they'll regret ever crossing us, and now that you're here, Adara.

Lincoln with his massive muscular arms still wrapped around Adara Nightshade's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Adara Nightshade: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Adara Nightshade with brown gems on the gold lightning bolts and brown crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring

on her left pinkie.

Adriana Nightshade: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Adriana Nightshade.

Adara Nightshade had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Adara Nightshade's waist, and he leaned down to her face and kissed her on the lips, and with Adara Nightshade's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Adara Nightshade had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Adara Nightshade: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The six girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the twelve girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the twelve girls are Artoinette, Deneb, Evangeline, Francesca, Merveille, Mitsuru, Seneca, and Sonya Fauvres from Tekoire Princess and Alicia Rondo, Janne Spaica, Kantaro, and Misty de Pan Tumarumiea from Yuukuri Panic Miwaku no Mahoujin.

Lincoln: Oh whoa, it's Artoinette, Deneb, Evangeline, Francesca, Merveille, Mitsuru, Seneca, and Sonya Fauvres from Tekoire Princess and Alicia Rondo, Janne Spaica, Kantaro, and Misty de Pan Tumarumiea from Yuukuri Panic Miwaku no Mahoujin.

Nicole: So, those were the girls Adriana saved, and Travis and Red were right telling the others to run to their rooms: they're sexy.

Lincoln: And easy targets for perverts and rapists, which I won't let happen. Are you girls okay?

Artoinette: Yes, we're okay, thanks to you.

Artoinette: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, along with the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Evangeline: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Artoinette, Deneb, Evangeline, Francesca, Merveille, Mitsuru, Seneca, Sonya Fauvres, Alicia Rondo, Janne Spaica, Kantaro, and Misty de Pan Tumarumiea with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That's another villain from our past taken down forever.

May: Plus, Tanjiro and Nezuko have their family back as well.

Lincoln: Yep.

Nico: Still, what happened to them was absolutely a nightmare none of them should ever have to go through.

Me: Two years ago, we killed Muzan Kibutsuji until Vypra brought him back, and at least, he's on his best behavior.

Sherlock Hound: (British Accent) Yes, that's true, and she's been recruiting some of the demons that Tanjiro and the others faced. I already know Doma and Enmu are getting The Black Abyss, but as for the other members of The Twelve Kizuki, only you can send them to their eternal resting place in Heaven, Lincoln.

Lincoln: You're right. Most of them deserve their eternal rest.

Eli: We'll put an end to this one demon at a time.

Me: Right.

After Lincoln resurrected Tanjiro and Nezuko's family and he and all of us took down Orochi from King of Fighters and Lincoln absorbed him and sent him to The Black Abyss forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Adara Nightshade saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Adara Nightshade: My God, I was right that Lincoln's really grown into a 19-year-old 12'9" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to

mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Adara, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Adara Nightshade: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Adara Nightshade: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Jack Howard took out a videotape.

Jack Howard: Alright, now this tape I have here, this was from when we went after Mad Cat Max, Patch, Hex, Shroud, Panther, Carla Claw, Nekome, and Sally Gamble, but then, we knew it was only a matter of time before Caleb also showed up to attack them with us showing up too. But, this was where Mad Cat Max got into a very serious fight with Caleb, and Caleb wound up getting beaten badly by him, and before he could retaliate, Caleb wound up suffering the memories of Drake's physical attacks, and that alone sent him spiraling into absolute rage and darkness as he really let the demon in him out.

Jack Howard put the tape in, and it played on the big screen and it showed New York at night, and the NYPD Nightshift were going after Mad Cat Max, Patch, Hex, Shroud, Panther, Carla Claw, Nekome, and Sally Gamble for another robbery, as they headed for The Spotted Leopard.

Past Hex: We should be safe here.

Past Crowe: Getting away from the cops was easy.

Past Carla Claw: Too easy, you know it's never easy, in addition to the cops always coming, we also got the trouble with Allie's older brother, Caleb.

Past Panther: Heh, that guy, he probably doesn't have the balls to come after us again.

Past Shroud: The second he does, he's finished.

Past Mad Cat Max: That's a bad thing to say. You know how many times he'd come into The Spotted Leopard, twice in the past, and back when he was alive when he had to get his Mom.

Past Sally Gamble: (British Accent) How did you know..? Let me guess, Allie.

Past Patch: Allie may have been ten years old at the time, but she heard of what her brother did to get their mom out of here.

Past Shroud: He's still a coward though. To think he could come into The Spotted Leopard to get his mom out without putting up a fight, what a...!

?: What was that, Chett?!

The air turned black and murderous as the moon turned red, and they saw him: Caleb Maxwell, and he was out for blood.

Past Mad Cat Max: Caleb...!

Past Patch: He's here.

Then, the NYPD Nightshift arrived.

Past Carter Kenrick: So, we finally caught you, and we also had to run into you here, Caleb. Shouldn't you be lurking around in the graveyard like the ghoul that you are?

Past Caleb Maxwell: Oh, shut the Hell up!

Past Jack Howard: Uh oh, he's pissed.

Past Mad Cat Max: I guess you're still the same angry demon from long ago, Caleb, I think it's time someone took you down and drove you right back into the darkness where you belong.

Past Cage Blunt: (Thinking) If you do something that could mean Caleb gets killed again, I'm not going to forgive you.

Suddenly, Mad Cat Max went at Caleb, and they both got into a nasty scuffle and it turned a huge roadside fist fight.

Past Roxy Drake: Whoa! What the?! This turned into a huge roadside fist fight!

Past Jazz Jackson: And nothing's stopping them!

POW! SCREAMS!

Mad Cat Max punched Caleb Maxwell hard in the stomach, and that was a bad move: most of the pain Caleb suffered from was blows to the stomach.

Past Cage Blunt: (Thinking) Oh Hell no! Caleb!

Caleb Maxwell belched out massive amounts of blood and they also saw bullets: the ones from when he was shot in 1985.

Past Hex: Oh no.

Past Caleb Maxwell: You...! YOU...!

Past Panther: (Smirks) What? You want more? Let's rock.

Suddenly, Caleb Maxwell freaked out and he let out a demonic scream as the skies turned black and red and demon hands from Hell appeared behind him!

Me: WHAT THE?!

Mad Cat Max: That was a fatal mistake.

Then, we saw Caleb Maxwell raise his head, but the sclera of his eyes were pitch black and his crimson red eyes were brighter than ever, and Mad Cat Max stood his ground.

Past Caleb Maxwell: (Demonic Voice) You piece of shit! I can't believe you dared to do this, and to think Allie wanted to help you. Well, I'm gonna enjoy breaking her heart when I kill you right here and right now!

Nico: WHOA!

Allie Maxwell: Yeah, I remember that night too well, Caleb lost it big time.

Caleb went ballistic and tried to tear Mad Cat Max to pieces, but he held out and endured, and Caleb's eyes started leaking tears of blood, and Panther punched Caleb hard in the chest and stopped him dead in his tracks as he fell to the ground and belched out more blood. The red sky changed back and the red moon changed back to normal.

The Big Claw Gang ran off, leaving The NYPD Nightshift alone with Caleb.

Past Cuffs Lane: Caleb's been defeated.

Past Jack Howard: We need to get an ambulance here.

Past Caleb Maxwell: Please..., leave me here...! Just...leave me...to die.

Past Jazz Jackson: W-what did he say?

Past Casey Antonio: He wants us to leave him here to die. That's rather morbid of him to say so.

Past Cage Blunt: (Thinking) That memory of those eight shitheads betraying him back in 1985 still haunted him. No, that memory isn't gonna play out again.

Cage Blunt went up to Caleb Maxwell and he picked the young man up and took him to the apartment he and Travis live in and put him on the bed. Caleb woke up, but he saw Cage.

Past Caleb Maxwell: Cage...? But, why? You should've just...

Past Cage Blunt: No. You've been through enough pain to last a lifetime, and you're gonna need a place to stay. I overheard two of them say they're gonna tell Allie.

Past Caleb Maxwell: Ah, damn...! When I snapped, I threatened to kill Mad Cat Max and watch Allie's heart break. If they blab that out to her, I'm worse than dead. I may have nothing left to lose, but I'm risking the anger of my sister, Allie, and she's just as dangerous as me when I get mad. Damn it...! I can't show my face to my family again, they'll think I'm too far gone in my desire for revenge and I'll suffer the same fate as Drake and Dad: disowned and damned forever.

But, unknown to Caleb, it turns out Allie heard everything near the door.

Past Allie Maxwell: Is that what he thinks? That we'll disown him and damn him forever. Drake may have done a lot of things to be disowned and damned forever, but Caleb's been made a victim since middle school in the late 70s and it went on through the 80s until he was killed in 1985, and even now, that guilt haunts him. He needs help big time, and all that guilt is going to drag him down to Hell if we don't do something.

The video ends.

Me: Oh man.

Nico: So, even after your resurrection, you still carried nothing but guilt?

Caleb Maxwell: Even during my time as a hostile ghost, I still carried that guilt to this very day, and it still hurt. This curse needs to end.

Lincoln: Tomorrow, we're ending the curse by heading to New York to kill the nightmare version of Drake Maxwell, that'll end the curse.

Allie Maxwell: And put an end to this nightmare that plagued us for so many years.

Tyler Maxwell: Drake really ruined our family with his evil and madness.

Gabriel Maxwell: And Uncle Marcus' relatives were no better.

We got a shower, and then, SpongeBob SquarePants and Sandy Cheeks are heading to Sirena Beach.

SpongeBob SquarePants: Ooh, we're here in Sirena Beach.

Sandy Cheeks: Looks like it. Hmm, but something's rotten around here.

SpongeBob and Sandy hit the waves and they did some surfing, but then, they saw something heading for them.

SpongeBob SquarePants: Holy Krabby Patties, it's Burgerbeard's men!

Sandy Cheeks: I knew something smelled rotten! Let's get those no good varmints.

They put on their Karate gear and they chopped and kicked Burgerbeard's men down and sent them sinking into the water where Lincoln's trap captured them and sent them to The M.O.E. Prison.

SpongeBob SquarePants: Darn, I hate it when our day get ruined.

Sandy Cheeks: And by rotten no-good pirates no less. But, our day's not ruined yet, we still got some fun to have, but we're telling the others about this, SpongeBob.

They continued having fun despite what had happened. A few minutes later, Sandy and SpongeBob came back.

Nico: Sandy, SpongeBob, you guys okay? Lincoln told us what happened.

Me: And we found out who we're facing: Burgerbeard.

SpongeBob: We're okay, but that no-good pirate isn't giving up.

Sandy: Well, neither are we.

Lincoln: He's no doubt coming after The Krabby Patty Formula, so, we got to be ready to attack him at once.

Nico: Right.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing

900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our showdown with Burgerbeard starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-Septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

The mascots were heading to the door.

Poromon: Well we're heading to Camille's Deli.

Spongebob: Can we come to the Deli with you?

Poromon: Sure!

Me: I am hungry.

Nico: Lets all go.

We went to Camille's deli.

Patrick: I'm hungry.

Me: We're here though.

We arrived at Camille's deli.

Me: Bergeron Cajun New Orleans Deli.

Nico: Cool!

We went in. It was an amazing New Orleans Style Deli and there was even a jazz band that Lisa Simpson was playing in too.

Eli: Wow! And everyone loves it.

We went to the counter.

Dina: Poromon you and the mascots picked a great deli.

Poromon: We sure did.

Nico: I'm proud of you Camille and you and the mascots Poromon.

Poromon: Yeah!

Lisa Simpson: And the pay is good too. I like showing my talents in a jazz band here.

Lisa Simpson: Yep. Doing all this for Bleeding Gums Murphy.

Me: He would be proud of you Lisa.

Xenia: Yep.

Lisa Simpson: I know he is.

Me: Yep.

?: Boy this is great food.

Out came a girl with black hair, blue eyes and black clothes and wings and had a symbol of the 11 Skylanders Elements including the cutie marks of the Guardians of Harmony on her forehead, arm, shirt and skirt and had a sword of magic on her.

Applejack: Well strike me down with a flying ice cream truck!

Rarity: Krystal darling it's so good to see you.

Krystal Von Kaos: You too Professors Applejack and Rarity and Professor Sparkle good to see you and everypony again.

Twilight Sparkle: You too Krystal.

Krystal Von Kaos: Oh I'm sorry. My name is Krystal. Krystal Von Kaos.

Me: Pleasure to meet you Krystal.

Krystal explained herself.

Krystal is Kaos' big sister and is also the antipode of the Kaos

Family. She is the polar opposite of Kaos and wants to protect Skylands and the Universe from the wrath of her family and The Darkness. She studied and trained under the tutelage of Master Eon and learned all the powers of Undead, Life, Air, Fire, Water, Magic, Tech, Earth, Light and Dark and protected all of Skylands from all of his forces. When she got word about how Kaos killed Master Eon and banished her friends in the Skylanders she was INFURIATED! And set out to find a way to destroy Kaos and her family forever! Journeyed to Equestria and learned so much about friendship under the light and teachings of Twilight Sparkle and friends and learned so much about the achievements Team Loud Phoenix Storm did and more. She even found a powerful sword called The Sword of The Elements of Skylander Harmony and it was the only weapon powerful enough to destroy Kaos and her so-called family forever! She vowed to Avenge Master Eon and bring back her friends in the Skylanders.

WE GASPED!

Nico: SAY WHAT!?

HE OPENED HIS MOUTH SO WIDE THAT HIS SKELETON FELL OUT!

Poromon: WOW!

Me: WOW! That is incredible that you are the polar opposite of Kaos.

Krystal Von Kaos: I know.

Me: Well you don't have to worry about Skylands. Earth now has Skylands part of it. It's a crazy story. After Earth turned into Earth Omega, Skylands merged with Earth so now Skylanders and Humans can unite as one.

Krystal Von Kaos: Wow! That is amazing.

Nico put his skeleton back.

Nico: I hate it when that happens. But It sure is.

Me: Yep.

Poromon: Who will you do a combo with later?

Krystal Von Kaos: I will be doing one with the Mane 10.

Me: Wow!

Krystal Von Kaos: And no I'm not one of the Dark Gale gene-slammers. But I think this little one right here is a mascot of one.

We saw a Purple Tentacool.

Me: Hey a Purple Tentacool.

Nico: A Shiny Tentacool. How cool is that.

Tentacool: Wow!

She went over to it

Tentacool: Tenta?

Shiny Tentacool: I can understand you. Also I'm here because my partner is here too.

Me: Really? Where is she?

Laney: I think THAT is her! Look!

We saw a Mega Tentacruel slowly coming to us.

Me: WHOA! A Mega Tentacruel!

Nico: How did that get here?

Me: Must be one of Dark Gale's work.

Misty (Pokemon): Lets see.

She used Telepathy and gasped!

Misty (Pokemon): Oh my gosh! It's Nadia Nastina! She is the granddaughter of Nastina!

WE GASPED!

Me: That jellyfish hating old crone!? Oh man!

Misty (Pokemon): She's the polar opposite of Nastina and hates her with a vengeance.

Me: Geez! Lets go help her. Camille we'll be right back.

She nodded.

We went to face her.

Misty: Nadia it's me Misty!

She used Poison Sting on Horsea but she put her clone in front of her

The clone was dizzy and knocked out.

Horsea: HA!

Me: Okay then!

Me and Misty blasted it with energy and blasted her down.

I snapped my fingers and she reverted back and was a girl with blue hair and blue eyes and had blue angel wings and Mega Tentacruel on her forehead and had a Krabby Patty with a Sea Wasp on her arm as a cutie mark.

We wrapped her in a blanket and brought her into the restaurant and sat her down.

Me: There.

She woke up to see Horsea's smiling face?

Nadia Nastina: (Groans) Huh a Horsea?

Horsea: You hit my clone!

Misty: Nadia are you okay?

Nadia Nastina: Misty! Wow!

She hugged her.

Nadia Nastina: Where am I?

Me: You're in Camille's restaurant here and also you were turned into a Mega Tentacruel by Dark Gale.

Nadia Nastina: (GASP) I remember!

She was in an aqua blue suit and injected and turned into a Mega Tentacruel!

She busted out.

FLASHBACK ENDS

Nadia Nastina: It was awful.

Me: I know but we destroyed Dark Gale.

Nadia Nastina: Good. Now I can make sure my grandmother pays for her crimes. I vowed that if I ever saw my grandmother again that I am going to electrocute her and her chippendale servants with the intense lightning of THOUSANDS of SWARMS of Sea Wasp Jellyfish.

Me: YIKES!

Qin: Boy you really want to make sure she gets the most painful electrical shock ever.

Nadia Nastina: More than anything. I want her to suffer a shock so bad that it destroys her entire nervous system and reduces it into dust. Including her brain!

Me: Electrifying!

Tentacool: You're not the only one.

Me: Nastina is a menace to all jellyfish.

Nadia Nastina: Yeah. She is a stupid ugly old hag bitch.

Me: Well said.

Nadia Nastina: Yep. On Sonya's team I am the Lightning Storm Mage of the team and the Jellyfish Mage. Also I use my free time to sabotage my grandmothers operations. I blasted her entire projects into oblivion. She hated me since.

Me: Cool.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new aqua blue clothes and a sea sword.

Nadia Nastina: I look awesome!

Me: You sure do.

Shiny Tentacool: We're back together!

Nadia Nastina: We sure are.

Francis: (to Shiny Tentacool) Poromon and the others will show you the ropes on being a mascot.

Shiny Tentacool: Looking forward to it.

We paid for the meal and went back to the estate.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with

embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our anger, it was none other than Burgerbeard, he's launching his attack on The Krusty Krab to steal The Krabby Patty Secret Formula. When we saw it, we knew it mean trouble.

Lincoln, me, and Nico: OH HELL NO! YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw.

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than Burgerbeard, he's launching his attack on The Krusty Krab to steal The Krabby Patty Secret Formula.

EVERYONE GASPED!

Varie: Oh no! That's it!

SpongeBob SquarePants: Code 12! Code 12!

Mr. Krabs: That slippery no-good eel! Let's keelhaul his face!

Me: Hold on, I've got a better idea: let's send him to The M.O.E.

Lincoln: Good idea, I already sent some of his crew there.

Nico: Awesome. Alright, team, let's get to Bikini Bottom, that burger-stealing evil pirate's going to pay!

Lincoln: We'll be sending him on a one-way trip to The M.O.E. Prison so he can behave himself before Vypra lets him in.

Me: Yep.

The previous group came.

Red Ghost: Can me, Black Adam, Webstor, Angel, Skalamander, Rich Texan, Steam Smythe, Ben Ravencroft, David Cain, and King Shark go with you guys?

Nico: Yes you all can come with us.

Camie: Awesome.

Sirius: I'm looking forward to this.

Runabout: Boss, which Gene Slammer do you think you'll meet next?

Nico: Numbers 38 and 37 next.

Me: Cool!

Qin: Nice.

Lola: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figures were in the vision: it was The Old Gods from World of Warcraft who've come back for revenge. When we saw it, we knew it meant trouble.

Lincoln: What the?

Me: You got to be kidding me! That was...!

Lincoln: The Old Gods from World of Warcraft who've come back for revenge.

Lola: Oh, that is not good. C'Thun, Yogg-Saron, Y'Shaarj, N'Zoth, and G'huun are still pissed at you for absorbing them last year and sending them to The Black Gates.

Manjula Chakraborty Cooper: We'll make sure they winds up getting absorbed by you again, and this time, sent to The Black Abyss, Lincoln.

Lincoln: Right, Manjula.

Nico: We'll make sure The Old Gods are destroyed. Alright, team, let's go, the time to punish Burgerbeard has come.

Lincoln: And he's going to suffer the consequences for his crimes, and once we take him down, you're next, C'Thun, Yogg-Saron, Y'Shaarj, N'Zoth, and G'huun.

Colleen LeSteau Cooper: You made a mistake coming after us, C'Thun, Yogg-Saron, Y'Shaarj, N'Zoth, and G'huun, now we will make sure you never return.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed out to Bikini Bottom to take down Burgerbeard and send him to The M.O.E. Prison, and once we get done with him, Manjula Chakraborty Cooper and Lincoln are going to destroy C'Thun, Yogg-Saron, Y'Shaarj, N'Zoth, and G'huun and send them to The Black Abyss after Lincoln absorbs them.

We were off to Bikini Bottom.

We arrived and we were in front of the Krusty Krab.

Me: We're here.

Nico: Yep.

Webstor: Let's call Spymaster.

Me: Good idea.

We did so.

Spymaster: I'm ready.

Ed: Yeah! Hey lets bake a pie and hit me with it!

Eddy: Shut up Ed.

Ring Man: Anyone up for a Big Mac?

Me: (GROANS) I'm so stuffed I'm not going to eat anything else for the rest of the day.

Nico: Yeah me too.

Qin: I'm full!

Varie: Yeah me too. All that food at Camille's deli really filled us up.

Poromon: It was really good.

Rich Texan: More for the rest of us then!

Me: Okay. Yeah sorry guys. We went to Camille's new deli and man it was great.

Homer: It sure was.

Rich Texan: What kind of Deli was it?

Me: A New Orleans Creole and Cajun food deli.

Poromon: Yeah.

Lola: They had all kinds of amazing and delicious food.

Poromon: It was delicious.

Rich Texan: We'll have to try it out.

Me: Cool. But I have a feeling that after the fight we'll have all those extra calories burned out and head back for more.

Nico: We might as well head to the Krusty Krab and get ready for battle.

Me: Good idea.

We went in.

Papillon: Hey there, Krusty Krew!

Nico: Good afternoon Krusty Krew!

Mr. Krabs: Ahoy lads.

Squidward: Hey guys!

Me: We have big problems guys. Burgerbeard is back.

Ben Ravencroft: Can we still have Krabby Patties?

Mr. Krabs: Sure lads!

They got Krabby Patties.

Ymir: Who is Burgerbeard?

Lily: Well he is a pirate and he wants to become the richest fast food chef ever.

Lily went over his history.

Burger-Beard the Pirate, or simply known as Burger-Beard, is the main antagonist of Nickelodeon's 27th feature film, The SpongeBob Movie: Sponge Out of Water.

He is a pirate captain who's bent on becoming the richest food truck owner in the world by stealing the Krabby Patty Secret Formula using a magical book to rewrite the story of SpongeBob SquarePants instead of Plankton. He is also the second archenemy of SpongeBob SquarePants.

He was portrayed by Antonio Banderas, who also played Armand in Interview with the Vampire, Miguel Bain in Assassins, Robert Ledgard in The Skin I Live In, El Cameleón in Machete Kills, Sir Clorex in Justin and the Knights of Valour, Aristotle Papadopoulos in Hitman's Wife's Bodyguard, and Santiago Moncada in Uncharted.

Burger-Beard makes his first appearance at the beginning of the film, where he steals a magic book and defeats the skeleton pirate who guards it. Though the skeleton pirate defeats him in a fight and sends him flying back to his ship, he still remains victorious due to using the book as a shield and manages to keep the book.

He then starts to read a story to some talking seagulls. Apparently, he seems to know all about SpongeBob and his friends and, from the book, he learns that everyone in Bikini Bottom is happy thanks to the Krabby Patty; the famous and the most delicious burger that is only available in Bikini Bottom. The said burger is also something that is coveted by Plankton, which led to his conflict with Krabs. Aware of the book's immense powers, and obsessed to have the same business as Krabs, Burger-Beard then rewrote the book, which made the recipe instantly teleport on to his ship. Once he succeeded, he converts his ship into a food truck to sell Krabby Patties at a beach community named Salty Shoals. In doing so, Burger-Beard also led Bikini Bottom into a post-apocalyptic state, forcing Plankton and SpongeBob to form an uneasy alliance to solve the mystery. He knew that his actions would bring the destruction of the protagonists' town, but he didn't care.

When the heroes arrive on his food truck, he busily cooked Krabby Patties. This angered Mr. Krabs, who then demanded an explanation on how he stole the formula and built such a business. Confused by their presence, he checked his magic book and said that the book never foretold this. Knowing that SpongeBob and his friends would take back the recipe, he demonstrated his reality-warping power by writing in the magic book to make it say that SpongeBob and his friends would be teleported away to Pelican Island. Much to their horror and Burger Beard's amusement, SpongeBob, Patrick, Sandy, Mr. Krabs, and Squidward teleported away and materialized on the said island, which is simply a rock full of pelican colonies.

Using Squidward's ink and one of the ripped pages, SpongeBob and the others return to confront Burger-Beard as superheroes with special powers - SpongeBob becomes The Invincibubble, Patrick becomes Mr. Superawesomeness, Squidward becomes Sour Note, Sandy becomes The Rodent, and Mr. Krabs becomes Sir Pinch-a-Lot. Upon reencountering the confused Burger-Beard, Squidward uses his terrible clarinet playing to drive off all of the pirate's customers. After Patrick displays his power of controlling ice cream (ending up eating the ice cream instead of doing anything), Burger-Beard attempts to manipulate the story yet again only for Mr. Krabs to use his robotic claws to pin his arms to his ship and for SpongeBob to create a bubble to float the book away. The heroes prepare to put their hands in the circle to celebrate their victory, and, needing one of his claws, Mr. Krabs takes one back, releasing one of Burger-Beard's hands, unintentionally allowing him to free himself and drive off after the book, forcing the team to give chase.

Burger-Beard and the heroes enter a chaotic chase throughout the city, ultimately resulting in the book falling into a hot element, causing it to ignite and be destroyed. The team attempts to apprehend Burger-Beard, but he easily overpowers them. But when he is about to flee, Plankton, who'd been left on Pelican Island, after hiding in SpongeBob's sock and hopping out, becomes a muscle-bound hero named Plank-Ton and comes to assist them. After retrieving the formula, Plankton and SpongeBob work together to create one final attack that sends Burger-Beard all the way to Bikini Atoll.

Later, in the final scene, Burger Beard's seagulls finds him in the Bikini Atoll island and asks him if he wants to sing, so they start singing the SpongeBob SquarePants theme song (resulting in Burger Beard becoming Painty the Pirate), until Bubbles arrives and makes a rap battle against the seagulls, resulting in them winning, as they finish the song. However since Burger-Beard was never seen after the movie, it's completely unknown if he ever escaped from Bikini Atoll or not.

When she was done everyone was shocked!

Ymir: Oh man!

Me: Yeah and it was because of Burgerbeard that SpongeBob and friends got their awesome Avengers forms.

Chop Shop: How are each of them Similar to the Avengers?

SpongeBob: Well my form The Invincibubble is based on Captain America.

Patrick: My form Mr. Superawesomeness is based on Thor.

Mr. Krabs: My form Sir Pinch A Lot is based on Iron Man

Squidward: My form Sour Note is based on Hawkeye

Sandy: My form The Rodent is based on Black Widow

Plankton: And my form Plank-Ton is based on Hulk.

Nico: That is awesome.

Me: I thought that was awesome.

Jamesdean5842: When I saw the trailer for SpongeBob Squarepants: Sponge Out of Water, and saw SpongeBob and his friends in an Avengers-Esque style I was really amazed about it and thought it was super cool!

Nico: That is cool!

Qin: It sure is!

King Shark: Being underwater, I'm at an advantage here.

Varie: Same here. Because the Neptune Crusaders fight in their element too.

Lily: Yeah!

Nico: Makes you wonder what the rest of SpongeBob's friends would be like as Avengers-esque style heroes.

Mrs. Puff: That would be awesome to dream about.

Nico: Probably forms based on Vision, Ant Man, and Scarlet Witch

Me: Ooh I like it!

Nico: Thanks.

Jamesdean5842: Those would have been awesome to see. Too bad they weren't featured.

Lola: Yeah.

Xenia: Yeah.

We all agreed.

Barnacle Boy: Me and Mermaid Man are already heroes

Me: Yes we know that. No offense but if you were like that you would be back in your prime again.

Lily: I agree there.

Mermaid Man: We sure would. I would look great.

Xenia: Yep.

Then the doors opened and we saw a scary looking walking patty monster heading to the register.

Me: SWEET CHEESE FACES! WHAT THE FUCK IS THAT!?

He looked at us and it was SPONGEBOB AS A PATTY ZOMBIE MONSTER!

Lily: (SCREAMS IN FRIGHT!)

SpongeBob: (SCREAMS!) It's me as a zombie patty!

Lincoln: Wait a minute! That's your Akuma! That's Pattyblight! The Hypothetical Akuma of SpongeBob Squarepants and very dangerous one. He is a Krabby Patty Zombie Monoster and wants to turn EVERYONE into zombies like him. He was made because of Mr. Krabs being cheap and he fired him and as a result it turned him into this and he vowed to kill Mr. Krabs and run the Krusty Krab his way as a much better boss than he ever will be

Me: HOLY FUCK! He looks like a walking toxic waste dump!

Camie: I would not touch him with a ten foot pole!

Pattyblight: (Groaning) Eat me.

Elec Man: Oh, dear lord!

Varie: Luckily we know what a Krabby Patty Zombie monster's weakness is! Chum!

She threw it into his mouth and then it ate it and then...

LOUD NASTY HORRIBLE FART OF EPIC PROPORTIONS!

It melted into slop and all that was left was a glowing orange patty.

Me: What the?

I picked it up and put it in a containment box.

David Cain: Hold on. He might still reform

Me: He just might. But thank goodness you still remember how to defeat them.

Varie: Yeah.

He did reform!

Me: WHOA!

Pattyblight: Eat me!

Me: At least he's not after brains like all zombies!

Lincoln, Manjula Chakraborty Cooper, Nico, and I went after The Old Gods and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at The Old Gods, and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Manjula Chakraborty Cooper did the same by firing black and dark blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Manjula Chakraborty Cooper, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making C'Thun Yogg-Saron, Y'Shaarj, N'Zoth, and G'huun even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit The Old Gods and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomachs of C'Thun Yogg-Saron, Y'Shaarj, N'Zoth, and G'huun and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind them. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of his massive greatsword.

Then, Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of C'Thun, Yogg-Saron, Y'Shaarj, N'Zoth, and G'huun, and he began absorbing them and he assimilated C'Thun's Immense power, Yogg-Saron's Old God physiology, Omnipotent evil magics, Incalculable strength and durability, Y'Shaarj's Corruption power, Void power, Sha, and Whispers of Y'Shaarj, N'Zoth's Corruption, Manipulation, and High intelligence, and G'huun's Nigh limitless pestilence, Nigh limitless corruption, Godly strength, and Godly durability, and their combined immense power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of The Old Gods, and Lincoln drained their souls of energy and he sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

We cheered wildly as we holstered our weapons and powered down and Manjula Chakraborty Cooper's new body, clothes, weapons, jewelry, Third Eye, larger raccoon ears, larger raccoon tail, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large black and dark blue planets orbiting around her legs, one-hundred smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Manjula Chakraborty Cooper: It's over for you, C'Thun, Yogg-Saron, Y'Shaarj, N'Zoth, and G'huun, and to this we say good riddance. Thanks for helping me get rid of those evil deities, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Manjula.

Me and Nico: Our pleasure, Manjula.

Suddenly, Manjula Chakraborty Cooper wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Manjula Chakraborty Cooper's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Manjula Chakraborty Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Manjula, you transformed and you guys really let those evil deities have it.

Me: That's for sure, they didn't stand a chance against us even now. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the symbol of Greed and The Pot of Greed appear.

Lincoln: (GASPS) The symbol of Greed and The Pot of Greed.

Adriana Nightshade: There's only one person who fits that: Amaris Nightshade, Avatar and Gene-Slammer of The Pot of Greed and Deadly Princess of Greed.

Mara Lucifer: I knew it was her, and you guys are going to enjoy meeting her, Amaris Nightshade, Avatar and Gene-Slammer of The Pot of Greed and Deadly Princess of Greed, is Lincoln's Guardian Angel from Las Vegas and Adriana Nightshade's youngest sister, she's a powerful and extremely deadly dark angel who was born with the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Greed. She's known as The Deadly Princess of Greed and Avatar and Gene-Slammer of The Pot of Greed, and she's a member of The Seven Deadly Princesses of Sins, a group of Lincoln's Guardian Angels who have the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the individual powers of The Seven Deadly Sins of Lust, Greed, Gluttony, Wrath, Pride, Envy, and Sloth, and they've used them to make those guilty of these sins pay with their lives. Amaris Nightshade has the power to make the greed of the most evil and remorseless of bastards come out into the open, but once that happens, they are ultimately buried underneath piles of gold coins and they wind up dying allowing her to send them to The Circle of Greed Amaris Nightshade moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Greed, and over time, Lincoln gained Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Greed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge, and she also knew about Lincoln stealing from Flip who was the greediest of all his enemies and returning his stolen goods to his victims, and she also made Flip her favorite target along with his entire family. Lincoln made her a darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, she's also great friends with Lucy and her friends, and she hates Flip with a blazing passion, and she swore if she saw Flip again, she'd use her powers to bury Flip underneath a ton of gold that's worth a massive king's bounty which'll kill him and send him and his entire family to The Circle of Greed to be turned into gold for eternity: a price to pay for their greed.

WE GASPED!

Me: Then, that explains the constant attacks on Flip and his family and how they always wind up getting flattened by piles of gold coins.

Nico: Oh man!

Plastique: He'll be a good addition to our ranks.

Gearhead: He sure will.

Loki: This has been a good day in Bikini Bottom.

Me: It sure was.

Cad Bane: Let's celebrate with Krabby Patties.

Vortex: Don't forget the salmon.

Me: All right!

Nico: Yep. Great job today everyone!

SpongeBob: (To the viewers) Boy this was a fun adventure.

Me: It sure was.

We went to the Krusty Krab for some Krabby Patties and salmon.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally took down Burgerbeard and sent him to The M.O.E. Prison.

Anna Anyanova: Hopefully, he can behave himself.

Eman Reynolds: Then, he'll be put in The M.O.E.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln who was in an orange speedo, and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 105 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Meanwhile, in Caleb Maxwell's room, he was in the shower as the hot water hit him, but then, his mind went back to the days of tragedy: how he saw his true friends who stayed loyal to him and always protected him from their fellow peers in the past in high school getting killed, the constant physical abuse and always being assaulted by his ex-younger brother, Drake Maxwell, betrayed by false friends who befriend him only to betray him by showing their true colors as cruel bastards and bitches, hated by everyone because of Drake Maxwell's bloody crimes, and finally, the murder of his own father last year by his own hand before Claw Dane Drake showed us the truth as to why he got into crimes and it was the fault of his Dad's scumbag relatives.

Finally, Caleb Maxwell shut the water off, but he soon began crying as tears fell from his eyes: all of the pain, the devastation, the sadness, and the sorrow finally being let out all at once, but then, he winced in agonizing pain as the red and indigo Snake Tattoo began appearing again all over his body. The curse needs to be brought to an end tomorrow, this is where the final night of the nightmares plaguing Caleb Maxwell begins, and tomorrow, it will all end.

Meanwhile with Yusaku and friends, Yusaku and friends were getting ready for our arrival.

Yusaku: I can't wait for Lisa and friends to come.

Skye: Me too!

Ai: Same here! We'll bring down Lightning for good!

Yusaku: Lets get ready!

They turned into their duel matrix forms.

They went at the screen and it froze..

Knudson, and Leanne Nikos VS. Dr. Carol Linnaeus

For Lincoln's rescue tomorrow, Lincoln and his group along with all of TLPS and The MOE are heading to The Simulator, this time, it's to The East Bronx in New York, but we are there for a huge mission: we're going to kill the nightmare version of Drake Maxwell in order to end the curse that Caleb Maxwell fell under because of the guilt of seeing his true friends who stayed loyal to him and always protected him from their fellow peers in the past in high school getting killed, the constant physical abuse and always being assaulted by his ex-younger brother, Drake Maxwell, betrayed by false friends who befriend him only to betray him by showing their true colors as cruel bastards and bitches, hated by everyone because of Drake Maxwell's bloody crimes, and finally, the murder of his own father last year by his own hand before Claw Dane Drake showed us the truth as to why he got into crimes and it was the fault of his Dad's scumbag relatives. But, then, Caleb will head to where his Simulator self got killed, and he'll put him to rest, but then, we'll see the spirits of his long dead friends and his dead father, Marcus Maxwell, appear and head for the other side. Caleb will no doubt run to them and explain to his dead friends and his dead father that they were always there for him no matter what even despite all the Hell he winds up getting thrown into, and that they gave him so much and they were always there with him even as his life descended into the depths of darkness, and that right there was the reason why he survived until the day he was killed on Halloween Night in 1985.

Finally, the spirits of Marcus Maxwell and his dead friends will comfort him as he apologizes which'll undo the final darkness that kept his heart trapped, and Marcus Maxwell will remove the curse, and he and the others will finally move on, but not before telling Caleb that they will always love him for who he is: and that was a kind, gentle person who would always do anything for his friends and his family, and he'll tell James Blunt and all of us to look after Caleb, Allie, Marlene, and the entire family on Marlene Maxwell's side. This is gonna be a real tearjerker, so get your tissues ready.

And we're going to meet Amaris Nightshade, Avatar and Gene-Slammer of The Pot of Greed and Deadly Princess of Greed, she's Lincoln's Guardian Angel from Las Vegas and Adriana Nightshade's youngest sister, she's a powerful and extremely deadly dark angel who was born with the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Greed. She's known as The Deadly Princess of Greed and Avatar and Gene-Slammer of The Pot of Greed, and she's a member of The Seven Deadly Princesses of Sins, a group of Lincoln's Guardian Angels who have the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the individual powers of The Seven Deadly Sins of Lust, Greed, Gluttony, Wrath, Pride, Envy, and Sloth, and they've used them to make those guilty of these sins pay with their lives. Amaris Nightshade has the power to make the greed of the most evil and remorseless of bastards come out into the open, but once that happens, they are ultimately buried underneath piles of gold coins and they wind up dying allowing her to send them to The Circle of Greed Amaris Nightshade moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Greed, and over time, Lincoln gained Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Greed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge, and she also knew about Lincoln stealing from Flip who was the greediest of all his enemies and returning his stolen goods to his victims, and she also made Flip her favorite target along with his entire family. Lincoln made her a darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, she's also great friends with Lucy and her friends, and she hates Flip with a blazing passion, and she swore if she saw Flip again, she'd use her powers to bury Flip underneath a ton of gold that's worth a massive king's bounty which'll kill him and send him and his entire family to The Circle of Greed to be turned into gold for eternity: a price to pay for their greed.

Next up is Lisa, Jared and Leanne Nikos day and buckle your seatbelts! We're going to face Lightning and Carol Linnaeus and make them pay!

See you all next time

Vrains of Light VS Lightning

BUCKLE YOUR SEATBELTS GUYS!

This is for Yu-Gi-Oh Vrains!

In the early morning hours at 11:30 PM, Lincoln had a dream, and he saw a figure hiding out and living in Denver, Colorado. But, there was no ordinary figure, they were Mark Zedong, son of Lincoln's future wife, May Zedong. and Penny Polendina Jr, daughter of Lincoln's future wife, Penny Polendina. Lincoln woke up from the dream, but he wasn't the only one, May Zedong, Penny Polendina, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Penny Polendina: And it also means that we found out where our kids are at.

Me: They're at Denver, Colorado.

Nico: Oh man, that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

As we were about to go to Denver, Colorado, to rescue Mark Zedong and Penny Polendina Jr, then suddenly, there was a knock at the door.

May Zedong: (Confused and went to the door) Who would that be in the middle of the night?

May Zedong opened the door and saw a tall blue Emperor Penguin who has a large white-bellied torso with the legs are less stubby and have toes instead of webbed feet, yellow beak, yellow eyes with black pupils, metal flippers with blue metal bordering it and three orange small claws underneath his flippers, and a blue ponytail on the top. He wears a golden crown with a Water Element Symbol, black and gold armor on it that reaches behind his head with two black straps from front to back and a gold colored belt around his waist. and A Eagle-Bobcat Hybrid who has dark red and orange fur with brown feathers on the eagle wings, yellow beak, a ruff of white feathers at the base of it neck with two large horns, and a thin brown mane. He also has a Fire Element Symbol on the crest, and the tip of his tail burns and he seems able to control the flame. They were James Penguin and Skylynx the Eagle-Bobcat.

James Penguin: Greetings, May Zedong and Penny Polendina.

May Zedong: How do you know who we are? Who are you two?

James Penguin: Names Penguin, James Penguin, the Ice Penguin of the Water Element.

Skylynx the Eagle-Bobcat: Skylynx, the Eagle-Bobcat Hybrid of the Fire Element. Do these young ones belong to you two ladies?

The two kids whore with James Penguin and Skylynx the Eagle-Bobcat, was a young 14 years old boy who has light tan skin, gray-blue eyes, medium fluffy dusty rose and white hair parted to the left with distinctive black beanie. He wears a red and white hoodie, blue tracksuit pants, large black scarf, and red canvas sneakers. He wields a Sniper Rifle-like Axe. And a young 13 years old human-Disassembly Drone Hybrid who has bright green eyes and orange long hair with curls inwards at the tips, a black fabric bow under a pink metal bow, and wears a black headband with five sections of bright green eyes. She also has a long black tail ending in a large syringe containing Nanite Acid. She wears an olive green German styled dress with a black hem that was striped with emerald green, an off-white blouse with puffy shoulders, frilled flared cuffs and vertical black lining down the front center, and black metal leg pieces that ran up to her thighs resembles thigh length boots with green stripe that ran down the sides. They were Mark Zedong and Penny Polendina Jr.

When May Zedong and Penny Polendina saw them, they were stunned.

Penny Polendina: (Stunned) How is that possible?

Skylynx the Eagle-Bobcat: Me and James Penguin found them in Denver, Colorado.

May Zedong and Penny Polendina ran up to Mark Zedong and Penny Polendina Jr, they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Me: Thanks, James Penguin and Skylynx the Eagle-Bobcat.

James Penguin: Happy ding-dong holidays, my fellow heroes.

Skylynx the Eagle-Bobcat: (to Lincoln) Anything to say to them?

Lincoln: Of course. (to Mark Zedong and Penny Polendina Jr) There's something you should know, May, Penny, your mothers are one of my many future wives.

Mark Zedong and Penny Polendina Jr: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled Mark Zedong and Penny Polendina Jr with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Mark Zedong and Penny Polendina Jr to the rest of his siblings, who are now their aunts. We were proud of what Lincoln, James Penguin, and Skylynx the Eagle-Bobcat did in reuniting May Zedong and Penny Polendina with their kids, and Mark Zedong and Penny Polendina Jr now has a loving, strong, brave, and caring father in their life. As well as James Penguin and Skylynx the Eagle-Bobcat join the Team Loud Phoenix Storm as new members of the Ultimate Elementals Heroes. We went back to sleep

---

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to Japan, but as he was flying, he sensed something evil in the area, and he saw who it was from a distance: it was Lisa's second old enemy and Nico's old enemy, Dr. Carol Linnaeus, the evil, cold-hearted, emotionless, and unethical mad scientist of Incognito Labs, she's back from the dead and wants revenge. Lincoln woke up along with his harem and kids.

Lily the Mermaid: Linky, what's wrong?

Lincoln: It's not good.

Lincoln explained what happened, and when he was done, they were pissed.

Becky Long: I can't believe it, so Dr. Linnaeus is back from the dead! That evil, cold-hearted, emotionless, ruthless bitch.

Ramona Long: We're telling everyone about this tomorrow.

Daphne Long: That's for sure. Wait, does she have her men with him?

Lincoln: No, I didn't sense them. Which means someone must've killed them, looks like we got a mysterious vigilante helping us out from the shadows, but I sense it's someone from Caleb Maxwell's family.

Anna Anyanova: He must be coming here because we're going to end the curse plaguing Caleb: the curse brought on by the guilt of what he went through.

Lincoln: You're right about that.

Lincoln and his harem and kids went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you. Last night, my dream took me to Japan.

Then, after Lincoln got done telling us, we were pissed.

Lisa Loud: Figures, if Ophelia Shroud is out of the picture for good because of her insanity, Anti-Monitor went for the next biggest enemy to us and me personally: Dr. Linnaeus.

Nico: That cold-hearted ruthless bitch, I should've known. She's dead.

Lincoln: I already got a plan for her: we'll take her to trial for all her violations in the code of ethics in the field of science, plus we'll also have the scientists in the science committee Lisa has contacts with testify against her, and Nico, you will also provide the evidence of his investigations into her when you worked with The FBI against S.U.S.P.E.N.S.E. and Incognito Labs, same with Lisa with providing her evidence on Dr. Linnaeus' unethical practices, and that in turn will lead to her being found guilty and getting sentenced to death via firing squad and banished to The Black Abyss.

Me: That's an awesome idea, Lincoln!

Nico: I still got the files on that bitch, and inside it are extremely important details on her unethical experiments and her dealings with S.U.S.P.E.N.S.E., all of that is more than enough to bury her ten times over same with The Millers.

Nico got out the files on Dr. Linnaeus, and like he said, there are are extremely important details on her unethical experiments and her dealings with S.U.S.P.E.N.S.E.

Lisa Loud: Sweet Einstein's Theory, this is more than enough to bury her ten times over same with The Millers. Along with this.

Lisa Loud got out her files on Dr. Linnaeus: more than twenty-five file cabinets filled with files of all her crimes.

Me: Whoa! She's heading for The Black Abyss this time! And does she have her men with him?

Lincoln: No, someone took them out.

Caleb Maxwell: It wasn't any of us.

?: You're right, that was me.

Suddenly, we saw someone come in: he was a tall 6'11" man at 18 years old with long dark brown hair going down to his neck, strong muscular build and eight-pack abs, crimson red eyes, vampire cross tattoo on his right arm, and he was dressed in a red short-sleeved shirt, long black pants, black knee-high boots, and long long-sleeved black duster coat, and holstered on his hips are two guns and holstered on his back is a black broadsword.

Caleb Maxwell: Oh God...!

Allie Maxwell: Alexander.

Me: Another of your relatives?

Tyler Maxwell: Yes, that's Alexander Maxwell, he's Allie's older twin brother who at age sixteen was taken in by Timothy Maddock before Drake could kill him. Like us, he too is also part of the world of the vampires that we'd been welcomed into since 1946, and Alexander is someone no asshole wants to cross, he'd been trained how to use a broadsword by Timothy Maddock and for the guns, that was natural to him and many of us. He knew what plagued our older brother Caleb, and he'd wanted to help him, but with Drake Maxwell running loose and causing Hell, he couldn't.

Timothy Maddock: And when he found out about Caleb's murder back in 1985 on Halloween, he sought to avenge his older brother's death at Drake's hand, and he asked me to do the blood exchange, and knowing I had a connection to Caleb when I met him back when Caleb was three, I didn't refuse. He gained immortality along with being born with all of our powers, and he'd been busy killing the hired guns of The Syndicate for eight years before Caleb returned from the dead.

Alexander Maxwell: Ever since I found out about our older brother's return in 1993, I was hoping he would return home, but when I found out about him losing his memories, I knew it wouldn't be that easy.

Caleb Maxwell: It took time for me to recover, and when Mom and Allie showed up in West Virginia, I felt as though a part of my heart had returned, and when the final bit of my memory came back, that was when I returned to New York to finish what you left off, Alex.

Suddenly, Caleb winced in pain, and the Snake Tattoo appeared again.

Alexander Maxwell: And I came here in time: so we're going after that nightmare version of Drake later on.

Suddenly, Alexander Maxwell's crimson eyes turned neon crimson red and he was surrounded by a black and crimson red, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels.

Alexander Maxwell: This time, I'm making sure the last remnant of Drake Maxwell dies here and now, he's gonna pay for what he did.

Suddenly, Alexander Maxwell exploded in power and he was surrounded by a massive vortex of black and crimson red, white, golden yellow, and blue energy with stars, aura energy, white, golden yellow, and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, and hellfire surrounding the vortex, there are vampire bats, phoenixes, and angels flying around the vortex, and in the vortex is a black phoenix.

Finally, as the vortex faded, Alexander Maxwell emerged, but he was changed forever.

We were amazed by Alexander Maxwell's transformation.

Alexander Maxwell: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Bloody Darkness Fire Storm Fury Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and

Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Bloody Darkness Fire Storm Fury Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) It's about time I also transformed as well, and this is also more than enough to kill that nightmare version of Drake for good.

Caleb Maxwell: That'll be for Lincoln's rescue, but you're right, this needs to end before it's too late.

James Blunt: If that nightmare version of Drake thinks he's getting away with this, then he's just as stupid as the real one.

Alexander Maxwell holstered his massive greatsword on his back and powered down, and his new body, clothes, weapons, jewelry, accessories, large gold halo and large gold Yata no Kagami mirror with gold crescent moon ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold crescent moon ring-shaped frames around them with embedded red gems behind the gold rings behind his head, large 105 black and crimson red planets orbiting around his legs and 105 smaller black and crimson red planets orbiting around his waist, smaller planets orbiting around his fingers like rings, medium sized black and crimson red planets orbiting around his wrists and ankles, and massive dark brown angel wings and 104 sets of large dark brown angel wings underneath his massive dark brown angel wings are permanent.

Alexander Maxwell: I'm also just as violent when it comes to killing bastards who don't deserve the gift of life, but you've made quite the mess before, Caleb.

Caleb Maxwell: Because killing wasn't in my blood back then, sure I've killed before, but it was due to rage and hatred.

Lisa was sleeping and Porygon saw the time. Then she pressed a button.

Computer: Wake Up Sequence commencing.

Lisa's bed tilted up and she was on a conveyor belt and she got her pajamas vacuumed off and showered and dried and then given new glasses and was ready.

Porygon: Morning Lisa!

Lisa Loud: Morning and salutations to you Porygon.

Porygon: Time for breakfast.

Lisa Loud: I am looking forward to this.

She went to the table and we were having pancakes and waffles.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our anger, it was Kohgane, he's back in the Helheim Forest and wants revenge.

Me: Son of a...! Kohgane is back!

Lillian Hale: Bad enough we got Lightning and Dr. Linnaeus to deal with, now Kohgane's back as well.

Cornelia Hale: We've dealt with him before, and we'll do so again.

Nicole Hale: Yes, but this time, we'll ensure he never comes back.

Cierra Hale: That's for sure.

Lincoln: And since we threw Goobot in The M.O.E. Prison, threw Paul in The Warp, sent Dark Lynn to The Black Abyss, threw Malfoy in prison, and sent Numbuh 363 and G1 Starscream to The M.O.E., Kohgane won't have them helping him. Alright, now let's finish breakfast and go after Kohgane.

Me: Time to end this once and for all and send the Embodiment of the Golden Fruit to the Black Abyss.

Nico: And this time, for good.

Lincoln: But, first. We need to forgive Isabella Abaddon, after what happened, Dark Chase Young ruined her life forever.

Lincoln forgave Isabella Abaddon and she wound up getting made an official Guardian Angel, and after that was done, we finished breakfast, and we headed down to the Helheim Forest to finish off Kohgane and send him to The Black Abyss forever.

Me: Fucking assholes!

Nico: Like that!

Me: Yep.

Lincoln: Alright, guys, we're here for one intense battle, we're here in the Helheim Forest, and we are here to finish off Kohgane and send the Embodiment of the Golden Fruit to the Black Abyss.

The rest of the team's with us.

Me: I can't believe Kohgane's back.

Nico: Me too, I was hoping we'd face him on Lillian's big day, but it looks like Kohgane decided to strike first without Anti-Monitor knowing.

Hisui Gaim Takatsukasa: Either way, he's going to pay.

Eli: Damn straight.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than

ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln and I turned the tips of our 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head

and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them.

Akira heard a Pokemon cry.

Akira: Hey look!

We saw a Gible.

Me: A Gible! Wow!

Akira: Oh poor thing.

Gible: I don't like the fruit here.

Me: It's not for anything to eat.

Akira gave it apples.

Gible: Thanks.

It ate them

Piplup saw Gible and his eye started twitching.

Horsea: Uh Piplup are you okay?

HE THEN WENT BALLISTIC!

Piplup blasted Gible all over with bubblebeams, whirlpools, water blasts and mangled him all over!

Me and Dawn grabbed him!

Me: Piplup what the fuck has gotten into you!?

Dawn: I think I remember now! Gible always hit Piplup with Draco Meteor and it drove him crazy!

Me: Oh shit! Just like what Horsea went through.

Horsea pat Piplup.

Piplup was angry.

Me: Piplup knock it off!

I used a version of Fluttershy's stare on him and it scared him bad and he hid under Dawn's hat!

Gible: I swear I won't hurt you

Piplup was still on guard.

Meowth: Piplup said he will never trust a Gible after what he went through. But he is really on guard. Also he'll trust you but no other Gible.

Gible: Good.

May: But can Piplup trust that?

We saw a Serperior!

Me: Whoa! A Serperior!

Nico: What's that doing here?

Me: Must be one of Dark Gale's work.

Chompy Mage: Lets see here.

He used telepathy and gasped!

Chompy Mage: I don't believe it! (Chompy Puppet) It's our friend Camie Melonra!

Me: You know her?

Chompy Mage: She is a friend of ours and is a Fruit Mage.

Me: Lets go help her.

Chompy Mage: THE CHAMP OF CHOMP!

We went to help her.

Chompy Mage: Camie it's okay, it is I the Chompy Mage and Chompy Puppet.

She used Vine Whip on Horsea but she put her clone in front of her

She grabbed the clone and smashed it into a tree!

Then...

BLANG! BLANG BLANG BLANG BLANG BLANG BLANG!

The clone got hit with a bunch of coconuts!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH 7 COCONUTS!

Me: OUCH!

Horsea: HA! Okay that was funny.

Me: Okay then.

Me and Chompy Mage blasted her and then I snapped my fingers and she reverted back and she was a girl with green hair, green eyes and green angel wings and had the Life Skylanders symbol on her forehead and had the Life Symbol with Watermelons on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

Me: Wow. That was cool.

She woke up to see Horsea's smiling face

Camie Melonra: (Groans) Huh a Horsea?

Horsea: You hit my clone!

Maria picked her up.

Camie Melonra: What the? What is this place?

Me: You're in the Helheim Forest on the distant planet of Femushinmu.

Camie Melonra: Whoa! This is a crazy world.

Chompy Mage: I know but we are glad you're okay.

Camie Melonra: Chompy Mage!

She hugged him.

Camie Melonra: I'm glad you're okay. You and Chompy Puppet.

Chompy Mage: We both are. (Chompy Puppet) Same here.

Me: You were turned into a Serperior by Dark Gale.

She gasped.

Camie Melonra: I remember!

She was in a green suit and injected and turned into Serperior and ran out of the lair.

FLASHBACK ENDS

Camie Melonra: It was awful.

Me: I know but we destroyed Dark Gale.

Camie Melonra: Good. I am the Fruit Mage of Sonya's team and have all the powers of the Life Skylanders.I use my powers to blast our enemies. Outside the team I help the skylanders and help in trying to redeem Chompy Mage.

Me: Well we got that part down because of having the Skylanders join us a while back.

Nico: Long story.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her green clothes and a watermelon sword.

Camie Melonra: I look amazing.

Me: You sure do.

Horsea: Although I'll admit with me and my clone, I'm hit with a variety of attacks

Maria: It's true.

Horsea: Lets get going.

Me: Right

Lincoln: (Sensed for Kohgane) AHA! There you are! I just found Kohgane, he's 300 yards away, but he has more Incognito Lab troops with him!

We then took off into the air to destroy Kohgane and send him to The Black Abyss.

We were flying in the air, and we saw our target: Kohgane and some Incognito Lab surviving soldiers.

Alexander Maxwell and Tyler Maxwell: TIME TO DIE, YOU PIECE OF SHIT!

Alexander Maxwell and Tyler Maxwell charged at Kohgane, and they fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels at him, and Tyler Maxwell also attacked him with swings of his massive warhammer and he even shot at him with his machine guns, while Alexander Maxwell slashed at the Incognito Lab surviving soldiers with his massive greatsword and shot at them with his guns.

Nico: Surprised to see us?

Me: You got some nerve crawling out of the depths of The Black Gates to come after us, Kohgane.

Nico: And you also had the gall to come back here to Helheim Forest!

Kohgane: You ruined every last one of my plans, Team Loud Phoenix Storm, and I will make you all pay!

Me: You're the one that will pay!

Kouta: Especially for trying to destroy the Earth!

Nico: You tried to do that by bringing the Helheim Forest to Earth!

Kohgane: I wanted the Earth to be like here!

Me: We could never allow that!

Kouta: Our world and this world can never mix!

Xenia: You know what that would have done to our worlds!?

Me: It would be chaotic!

Kohgane: I DON'T CARE!

He pulled out a Lockseed!

Kohgane: Henshin!

He transformed into his Apple Gaim Rider form!

Me: Okay then!

Kouta and the Gaim Riders: HENSHIN!

They transformed!

Yoko Minato: Because of you, I DIED!

Gible charged at him and blasted him with Draco Meteor!

Me: An apple a day keeps the doctor away but this is gonna be where we destroy you!

I fired waves of energy and blasted him all over.

I unsheathed my sword and me and Kohgane clashed!

CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

Sparks flew all over.

Gible chomped on his head

CHOMP!

But Kohgane was INFURIATED!

I kicked Kohgane in his crotch!

BLANG!

Ymir punched Kohgane in his stomach!

Lillian teleported and kicked Kohgane in the back of his head!

Lillian Hale: Hey Jerkface! Remember me?

Kohgane: YOU! You're that little brat that humiliated me!

Lillian Hale: And I show no remorse for it!

She transformed!

(LIGHT SHINES)

Lillian Hale: LIGHT!

She fired beams of rainbow light and blasted him all over.

Kouta: It's our stage now!

Me: And your final performance is your death Kohgane!

Kouta: Oooh nice!

Gible used Draco Meteor again and it hit Kohgane and blasted him!

KRABBBBBBBOOOOOOOOOOOOOOOOOOMMMMMM!

I punched him in his face and bashed him mercilessly!

Me: That was for all the crimes you committed to the Earth! Especially for having Kouta kill his friend!

Gible used Draco Meteor again and it hit Kohgane and blasted him!

KRABBBBBBBOOOOOOOOOOOOOOOOOOMMMMMM!

I punched him in his face and bashed him mercilessly!

Me: That was for all the crimes you committed to the Earth! Especially for having Kouta kill Kaito Kumon

Piplup sighed in relief about not getting hit by Draco Meteor for once

Dawn: Feel better Piplup?

He nodded.

Ymir: Did Piplup really hate getting hit by that?

Horsea: It was very similar to how I was getting attacked all the time.

Nico: Your clone gets hit now

Horsea: Yep.

Ymir: Wait did Kouta really kill Kaito?

Nico: You should have seen what happened back then.

Eli: They went at each other with everything they had and it was a massively explosive brawl! In the end, Kouta stabbed Kaito in the heart and killed him.

Kaito Kumon: It's true. I was brought back by the Aparoids

Eli: Yep.

Ymir: Oh man!

Qin: That was intense!

Yoko Minato: And I was killed by Kohgane.

Ymir: You were!?

Yoko Minato: Yep. J.D. resurrected me.

Kouta slashed at him!

SLASH!

I kicked Kohgane in his face!

Me: I destroyed Yggdrasil because it was not only a mockery to the World Tree Estate but its crimes were tearing both of our worlds apart! What do you say to that Kohgane!?

Ymir: Was it really?

Nico: Damn straight!

Fu: Yeah!

Fu fired waves of lightning and blasted Kohgane!

Qin fired blasts of fire and blasted Kohgane!

Kohgane ROARED IN FURY!

Caleb felt it go away for a bit, but he began crying, but this time, normal tears fell from his eyes.

James Blunt: That'll keep The Tattoo Curse from trying cause more trouble.

At the same time, the werewolves began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln.

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of werewolves and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Eli: Seriously, who keeps on sending creatures after us?

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated dragon claws and greatswords, and Lincoln, Andre Lupescu, Abaddon Aeternus, Red Savarin, Robin Hood, Rayman, Juniper Lee, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and that only made Kohgane even angrier than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Kohgane, and we found ourselves not only in Heaven, but also, in space.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Kohgane, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BURN IN HELL FOREVER!

Lincoln, Nico, and I did one final powerful energy slash that hit Kohgane hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Kohgane was on his last legs and he was really really mangled.

ZIP! SLASH!

Then, Lincoln ran at Kohgane with superhuman speed and he slashed at Kohgane with his massive greatsword which removed Kohgane's powers and made them his, and we fired a massive energy beam that hit Kohgane and destroyed him and he was sent to The Black Abyss forever.

We cheered as we holstered our weapons and powered down and Lilian Hale's new body, clothes, weapons, jewelry, Third Eye, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded pink gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded pink gems behind the gold rings behind her head, one-hundred large pink planets orbiting around her legs, one-hundred smaller pink planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized pink planets orbiting around her wrists and ankles, and massive blonde angel wings and ninety-nine sets of large blonde angel wings underneath her massive blonde angel wings are permanent.

Lilian Hale: And that is that.

Me: Another Kamen Rider main enemy has been put down.

Nico: Yep.

Lincoln: That's for sure, but the others are still out there, but we'll be ready for them.

Me: Yep we sure will.

Lillian: I'm not a Core member. So, I'm actually satisfied by this

Me: Me too.

Qin: Yeah.

Me: Well we'll include the other Kamen Rider baddies somehow.

Lola: We sure will.

Me: It's always fun destroying them. I hope Hiroshi of Blade is next.

Evelyn: That is gonna be fun for me.

Me: Yep.

Nico: Nice job Gible.

Gible: Thanks. Got any Strawberry Daiquiri?

Poromon: Ooh you like Mexico drinks. Good as beer.

Gible: Yep.

We went to the Park on Earth.

I made one for him.

Gible: Thanks

He drank it down.

Gible: (SLURPS) Ah! Delicious.

Ronnie Anne: And refreshing. I like mine non-alcoholic.

Me: Okay.

Nico: Oh, Atomix, what do you like to do in your free time?

Atomix: Oh I work to bring down the poisonous effects of nuclear power plants. I fight to bring down plants like those Burns did.

Lisa Simpson: That's like how I do and it's good work.

Atomix: It sure is.

Me: Yep.

Poromon: Wow.

Nico: Yep.

Poromon: We'll be drinking stuff in Nico's room later.

Me: Uh oh. What kind of stuff?

Poromon: You'll see.

Qin: Why do I have a feeling this is not going to end well?

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Lisa Loud.

Nebula Lanaia: Another Lisa? It must be another of our relatives or another of Lisa's enemies.

Lincoln: We'll find out soon.

Eli: Right.

Me: So we got Another Mister Atom, Gaburio (Zyuohger), Flora Petal the 12 Tailed Fairy, King of Destruction - Xexex, Planetary Chimerahydra and Evil Ignitor (Fire Minion Skylanders).

Nico: Yep and that means Atomix, Lala the Dullahan, Xerneas, Yveltal, Zygarde and Diancie are up.

Qin: This will be fun.

Eli: (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillion bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chest like two Alpha Male gorillas.

Nico: There they are!

We saw Another Gaburio (Zyuohger), Flora Petal the 12 Tailed Fairy, King of Destruction - Xexex, Planetary Chimerahydra and Evil Ignitor (Fire Minion Skylanders).

Me: WHOA!

Eli: Here we go!

Qin: This will be intense.

Another Gaburio: (In a girls voice) It sure will!

She reverted back and was the gene-slammer of Skilled White Magician!

Nico: Solar Twilight!

Me: Skilled White Magician's gene-slammer!

Solar Twilight: That's right. My sister Luna is coming.

Me: Awesome! And friendly no doubt.

Solar Twilight: Yes she is and so is Another Lisa.

Me: Okay.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Maria: Time for Backup! (TURNS DIAL) SNAKEWEED FURY 7!

She summoned Snakeweed, Boss Biggis, Space Kook, Stingray, Despair Angie Yonaga, Siren and Dark Mercury!

Me: Awesome!

Nico: And now we wait.

Then my geiger counter started clicking like mad!

Me: Uh oh! Intense radiation! We don't have to wait long!

We saw Another Mister Atom and Lisa!

Me: There they are!

Nico: Hey Luna.

She reverted back and was the gene-slammer of Skilled Dark Magician.

Luna Twilight: Hey Nico. Solar told you I was coming no doubt.

Nico: I actually figured it out.

Luna Twilight: I see. Also I am not the one that is intensely radioactive. Another Lisa is here.

Me: Whoa! So all that radiation is coming from her.

Luna Twilight: Yep. I have Mister Atom's powers but I am not radioactive.

Mister Atom: I can see that.

Nico: Who IS Another Lisa anyway?

Another Lisa: Someone who is dangerous to criminals of all kinds.

Lisa gasped!

Lisa Loud: GADZOOKS! Is that?

She reverted back and it was a girl with brown hair and green eyes and had green angel wings and had blue clothes and on her forehead was the Radioactive Paleosaurus and on her arm was the Atomic Sign and a nuclear explosion as a cutie mark.

Lisa Loud: (GASP) Leanne!

She went and hugged her!

Lori: Leanne Loud! Wow! It's literally good to see you.

Me: Another of your relatives?

Lori: She's our long lost sister but she was born after me.

Me: Wow! But Leanne how did this happen?

Leanne Loud: Well I am intensely radioactive because I was kidnapped by a mad scientist that experimented with monsters made by intense nuclear radiation. I was gene-slammed with the Radioactive Paleosaurus.

Me: The one from the 1959 movie The Giant Behemoth!? That was intensely radioactive!

Leanne Loud: It sure is. Also I have all the creatures powers. I can emit powerful radiation pulses that can fry anyone on contact.

Kaito: (gets out Ohranger gear) Did Swartz promise you anything?

Zocks: (gets out Carranger gear) Because we can grant it instead.

Luna Twilight: No he didn't.

Leanne Loud: Because I used my powers and fried him into a charred nuclear cinder and we ran.

WE GASPED!

Me: I got to see this to believe it.

I teleported and came back with a death row inmate.

Me: Just a random death row criminal.

I tied him to a post.

I stood back and then Leanne glared at him and her eyes glowed and fired a massive radiation pulse and he screamed and then was BURNED INTO A RADIOACTIVELY CHARRED CINDER BEYOND ALL RECOGNITION!

He looked like he was burned by a nuclear explosion at close range!

Nico: HOLY SHIT!

Eli: THAT IS IT FOR HIM!

Me: Boy he is dead and then some!

Sougo: (gets out Zeo Ridewatch) Who was the scientist who experimented on you?

Geiz: (gets out American Turbo Ridewatch) Because we can track him down in the future

Sougo got ZeoRedArmor while Geiz got AmericanRedTurboArmor.

Leanne Loud: His name is Dr. Garreth Lousteau Hevvorita.

Me: Wait! I remember him! He was a mad scientist that I threw into the Enceladus Insane Asylum for mad scientists 3 years ago!

Nico: Really? Wow!

Me: Yeah! He was kicked out of the scientific community for his insane and wacko crazy experiments with nuclear monsters from b-movies.

Lola: GEEZ!

Me: Yeah and he is one NASTY FUCKED UP whackjob!

Camie: WHOA MAN!

Ymir: Brutal!

Lisa Loud: Indeed he is.

Leanne Loud: Yes he is.

Nico: Shit!

Me: Yeah.

Nico: We'll visit him in the future.

Me: Not for a while though. We got more important things to worry about. Lets separate you first.

We did so.

The gamma radiation levels vanished

Me: That did it. Lets dance.

Nico: (Gets out Mr. Atom's ridewatch) I am atomic powered!

May: (Gets out Flora Petal the 12-Tailed Fairy's ridewatch) I am the bringer of life!

Universe 666 May: (Gets out King of Destruction - Xexex's ridewatch) I will bring your doom!

Maria: (Gets out Planetary Chimerahydra's ridewatch) I am the Elements of Planetary Doom!

Lala: (Gets out Gaburio's ridewatch) My blood game is your mouth of death!

They used the powers of Mister Atom, Gaburio (Zyuohger), Flora Petal the 12 Tailed Fairy, King of Destruction - Xexex, Planetary Chimerahydra and Evil Ignitor (Fire Minion Skylanders) and blasted the Anothers.

Me: YEAH!

Yamato: Don't underestimate this planet.

Me: Because you won't be around long enough to regret it!

Then Ray (TMNT: Mutant Mayhem), Captain Yumi the Sky Pirate, Zentra, Sundowner (X-Squad Universe), Setor and Wolfman (Jungle Fury) came!

Me: WHOA!

Nico: Nice team Ray!

Ray (TMNT): Thanks Nico

Leo: WHOA!

RJ: Wait are you me!?

Wolfman (Jungle Fury): What you would have become if the Wolf corrupted you.

Jungle Fury Camille: It's true.

Me: Oh man!

Isabel Knudson: The Wolf Rinshi! Wow! I don't think we faced you before in the usual battles.

Wolfman (Jungle Fury): No you didn't.

Me: I already have the Wolf Spirit with me. But if we do face you in the future we'll find someone perfect for it.

Wolfman (Jungle Fury): Looking forward to it.

Then out of swirls of stars and spiders came Number 38: Hope Harbinger Dragon Titanic Galaxy and Number 37: Hope Woven Dragon Spider Shark!

Me: WHOA! Number 38: Hope Harbinger Dragon Titanic Galaxy and Number 37: Hope Woven Dragon Spider Shark!

Qin: Cool!

Number 38: (In a girls voice) It sure is.

Number 37: (In a girls voice) I agree.

Nico: Carrie Kirk and Lori Carcaros!

They reverted back.

Carrie was a girl with blue hair and blue eyes and had Andorian Antennae on her head and had blue clothes and angel wings and had Number 38 Number 38: Hope Harbinger Dragon Titanic Galaxy on her forehead, shirt and skirt and on her arm was a cutie mark that looked like the Andorian symbol and had the Starship Enterprise. And she had a Klingon sniper rifle case on her back and had a Vulcan Lirpa in her hand.

Lori had blue hair and blue eyes and black clothes and wings and had Number 37: Hope Woven Dragon Spider Shark on her forehead, skirt and shirt and a spider and shark on her arm as a cutie mark and she had a darkness sword.

Carrie Kirk: Good to see you Nico.

Lori Carcaros: We got this.

Carrie Kirk: 38 LASERS OF THE GALAXY!

Lori Carcaros: 37 SHARK BOMBS!

They fired waves of energy and lasers and blasted the Anothers and I caught the Ridewatches and purified them.

Me: YEAH!

Nico: Nice job!

Carrie Kirk: Thanks.

Me: Carrie are you?

Carrie Kirk: That's right. I'm Half Andorian but also I am the descendant of Captain James T. Kirk. I come from the year 8724.

Me: WHOA!

Nico: WOW!

Me: That's 6,700 years from now!

Xenia: Incredible!

Me: Yeah. Your ancestor is an amazing captain of the Enterprise.

Carrie Kirk: He sure is. And I'm proud of him.

Me: We all are. Also you have a Vulcan Lirpa and a Klingon Sniper Rifle with you too.

Carrie Kirk: That's right. How did you know that?

Me: Saw those before on TV and in experiences with Kirk and beyond.

Nico: It's true.

Lori Carcaros: That is awesome.

Me: Yep.

Lala: Do you lasses have good memories of Nico?

Carrie Kirk: We sure do. Mine is where me and Nico helped my ancestor defeat Khan on my home planet Andor.

Me: Wow! That is a cold world too.

Nico: Yep.

Lori Carcaros: Mine is where me and Nico went and met a school of Whale Sharks and we befriended them too.

Me: Cool!

Coup Bolton: That is awesome!

Me: Yep.

Nico hugged them.

Nico: I've missed you girls.

Carrie Kirk: We did too.

We went back home.

We're going to kill the nightmare version of Drake Maxwell in order to end the curse that Caleb Maxwell fell under because of the guilt of seeing his true friends who stayed loyal to him and always protected him from their fellow peers in the past in high school getting killed, the constant physical abuse and always being assaulted by his ex-younger brother, Drake Maxwell, betrayed by false friends who befriend him only to betray him by showing their true colors as cruel bastards and bitches, hated by everyone because of Drake Maxwell's bloody crimes, and finally, the murder of his own father last year by his own hand before Claw Dane Drake showed us the truth as to why he got into crimes and it was the fault of his Dad's scumbag relatives. But, then, Caleb will head to where his Simulator self got killed, and he'll put him to rest, but then, we'll see the spirits of his long dead friends and his dead father, Marcus Maxwell, appear and head for the other side. Caleb will no doubt run to them and explain to his dead friends and his dead father that they were always there for him no matter what even despite all the Hell he winds up getting thrown into, and that they gave him so much and they were always there with him even as his life descended into the depths of darkness, and that right there was the reason why he survived until the day he was killed on Halloween Night in 1985.

Finally, the spirits of Marcus Maxwell and his dead friends will comfort him as he apologizes which'll undo the final darkness that kept his heart trapped, and Marcus Maxwell will remove the curse, and he and the others will finally move on, but not before telling Caleb that they will always love him for who he is: and that was a kind, gentle person who would always do anything for his friends and his family, and he'll tell James Blunt and all of us to look after Caleb, Allie, Marlene, and the entire family on Marlene Maxwell's side. This is gonna be a real tearjerker, so get your tissues ready.

We had all of TLPS and The MOE with us. The Simulator activated, and we were in The East Bronx in New York.

Lincoln: Looks like my rescue's taking place in The Simulator version of The East Bronx, New York, and I know what we're going to do here, not only am I going to rescue the nine girls here, but we are here for a huge mission.

Alexander Maxwell: Yep, we're going to kill the nightmare version of

Drake Maxwell in order to end the curse that Caleb Maxwell fell under because of the guilt of seeing his true friends who stayed loyal to him and always protected him from their fellow peers in the past in high school getting killed, the constant physical abuse and always being assaulted by his ex-younger brother, Drake Maxwell, betrayed by false friends who befriend him only to betray him by showing their true colors as cruel bastards and bitches, hated by everyone because of Drake Maxwell's bloody crimes, and finally, the murder of his own father last year by his own hand before Claw Dane Drake showed us the truth as to why he got into crimes and it was the fault of his Dad's scumbag relatives.

Nico: But, why do I feel this feeling of dread?

Caleb Maxwell: Because, this was the night I was killed: Halloween Night, October 31st, 1985, the night of The Hallowshade Bloodbath. But, if we hurry, we can prevent my Simulator self from getting killed. However, we got to act fast and kill Drake, that'll draw out that nightmare version of him to possess his dead body, and there, we strike.

Atomix: Then, we need to hurry.

We got a move on, and we saw Simulator Caleb Maxwell rushing for The Hallowshade Bar, and it all played out from when we viewed the tape Marcus Mackenzie showed us: the real events of the night of Caleb Maxwell's death, and right before he could be killed, we rushed in!

BANG!

Caleb Maxwell shot Simulator Drake Maxwell in the stomach, and Cage Blunt and Travis Tackett knocked out their Demon Blood-influenced Simulator counterparts as Caleb Maxwell fed them his blood and they were freed from the Demon Blood influence.

Simulator Caleb Maxwell: W-who are you?

Nico: Just some heroes out keeping people safe.

Caleb Maxwell: Okay, now to lure that nightmare version of Drake out.

Caleb Maxwell suddenly had The Snake Tattoo appear on his body, but then, he saw the same tattoo appear on his Simulator counterpart. Then, a black and red shadow headed for the dead body of the Simulator Drake Maxwell and it entered the body, and we saw the sclera of his eyes turn black and his brown eyes turn crimson red. We then teleport out as he followed us.

Nightmare Drake Maxwell: I don't fucking believe this! You set me up!

Alexander Maxwell and Tyler Maxwell: This is for all the violent attacks you inflicted on Caleb!

Allie Maxwell and Gabriel Maxwell shot him in the arms and legs!

Allie Maxwell: This is for making his life an absolute living Hell, you piece of shit!

Finally, Simulator Caleb Maxwell, despite being brutally shot and filled with lead, and Caleb Maxwell of the real world ran at Nightmare Drake Maxwell, and...!

SQUELCH! SQUELCH!

They rammed their guns into Nightmare Drake Maxwell's stomach and chest, and they pulled the triggers...!

BANG! BANG!

THEY BLEW HIS CHEST AND STOMACH OPEN AND BLOOD, BONES, AND ORGANS SPILLED OUT FROM HIS BACK!

Caleb Maxwell: And this...is for killing me back in 1985.

Nightmare Drake Maxwell screamed as he died and he was forever sent to The Black Abyss. We all cheered as we holstered our weapons and powered down, but then, Simulator Caleb Maxwell fell to the ground as The Snake Tattoo was removed, and he died.

Me: What the...?!

Nico: He's dead...!

Caleb Maxwell: He used the last bit of his strength and the prolonged energy from the curse he had to see justice done. This is what he wanted all along, he wanted this all to end even if it means he'd die.

James Blunt walked up to Simulator Caleb Maxwell who still had his eyes open, and then, he got down to his knees and he put his right hand over his eyes and gently closed his eyelids.

James Blunt: It's alright...to close your eyes now. You don't have to see anymore, it's finally over.

James Blunt then took him to the graveyard, and we buried him in the very spot where he would come back in 1993.

Cage Blunt: Just like what happened back in 1985.

But, then, we saw something happen: we saw shadow people rise from the ground, and they were heading to the other side.

Caleb Maxwell: The souls of those who died, they're heading to the other side, back to where they belong.

FATAL FRAME III: THE TORMENTED OST - KOE PLAYS

Suddenly, Caleb Maxwell spotted many figures among the souls of those heading for the other side, it was the spirits of all his long dead friends who were tragically killed while he was forced to watch, and finally, his dead father, Marcus Maxwell.

Caleb Maxwell: (GASPS) It...can't be...!

Lincoln: Are they...?

Allie Maxwell: The spirits of all of Caleb's long dead friends who were tragically killed while he was forced to watch, and Dad.

Nico: Oh man.

Suddenly, the blood red and indigo Snake Tattoo reappeared on Caleb Maxwell as he ran.

Caleb Maxwell: DAD! EVERYONE!

He continued to run to them.

Caleb Maxwell: Dad! Don't go! You guys can't leave me again! (Went down to his knees)(Voice Breaking) Please...!

Caleb Maxwell stopped, and then, the spirits of Marcus Maxwell and all of Caleb's long dead friends who were tragically killed while he was forced to watch stopped in their tracks and they turned to face Caleb as he lifted his head, his eyes filled with tears.

Caleb Maxwell: You have always been there for me..., no matter what. (To his friends) You guys were there for me during many of my darkest days of my life, and you stood up for me when the others had treated me with disdain. (To Marcus Maxwell) And Dad, you have always been there for me when I was growing up.

We were watching as Caleb Maxwell rose up off the ground.

Caleb Maxwell: You've given me so much along with a reason to continue on, but because of it, you guys lost your lives, and I...I disowned you out of pure anger and killed you in cold blood, Dad. Yet despite everything, even as I myself wound up paying the price with my own murder in 1985, you were still...with me.

Suddenly, Caleb Maxwell realized that what he'd been told was true: none of this was his fault, and they were always with him even after their deaths, but not to plague him with guilt, but to protect him.

Caleb Maxwell: You were...always with me, not to plague me with guilt..., but to protect me. That's why I still survived until the night I was killed in 1985.

Finally, the spirit of Marcus Maxwell walked up to Caleb Maxwell and hugged him as did the spirits of his dead friends, and that finally undid the final darkness that kept his heart trapped, as he hugged his father.

Caleb Maxwell: Dad, I'm so sorry...! I'm so sorry.

This went on for a few minutes, and then, a few seconds later.

Marcus Maxwell: It's okay, Caleb.

Caleb Maxwell looked up at his dad.

Marcus Maxwell: I understand now, and just like you said, we were there to protect you.

Sharon Daniels: You lost so much and you closed your heart out, that was until James Blunt got you to undo the lock that you put on your heart, but that in turn released the darkness that'd been inside your heart because of everything that happened to you.

Marcus Maxwell: And that darkness led to a curse plaguing you, the nightmares of everything you went through, and the manifestation of your ex-brother, Drake, but now, it's over. But, we have to move on now, our time here has long passed.

Suddenly, the blood red and indigo Snake Tattoo on Caleb Maxwell was lifted off him as it went up into the sky and explodes in a display of color: the curse was lifted.

Marcus Maxwell: But, you don't deserve to have yourself plagued by guilt for something that wasn't your fault in the first place, nor should you be dragged down with it. But, just remember, Caleb, that despite everything that happened, we will always be there with you in your heart.

They began to cross over to the other side.

Marcus Maxwell: And I will always love you for being person that your Mom and I raised you to be: the kind, gentle person who would always do anything for his friends and his family. James, you did good taking Caleb in when he came back from the dead. You and all of Team Loud Phoenix Storm, you must look after Caleb, Allie, Marlene, and her entire family, now that the curse on Caleb is gone, now they can truly begin to heal.

We promised him we would, and they finally crossed over to Heaven: Caleb's final curse was lifted.

Caleb Maxwell: Goodbye, Dad, everyone...!

Caleb Maxwell looked at his left arm realizing that what happened was indeed real: the curse has been lifted and his dad and his friends ended his nightmares before they left forever. He finally broke down and cried.

James Blunt: Caleb...

James Blunt hugged Caleb Maxwell as he cried his heart out finally freed of darkness, sorrow, pain, and despair, and we exited The Simulator.

Lincoln: We did it.

Nico: We sure did, we got rid of the curse that was plaguing Caleb, but I hope he can recover from it, he had years of pain, darkness, despair, and sorrow weighing down on him, and all that really made his life go straight to Hell.

Me: It may not be easy, but he'll recover through time.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long green hair and black hairband in her hair, red eyes, massive black angel wings, she has the Greed symbol on her forehead, right arm, and skirt, black sleeveless strapless top, black skirt with The Pot of Greed on it too, black Gothic stockings, dark pink fingerless gloves, black knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, darkness, phoenixes, and angels on the coattails, and on the back is The Pot of Greed, and with her are the nine girls.

Lincoln: (GASPS) Amaris Nightshade, Avatar and Gene-Slammer of The Pot of Greed and Deadly Princess of Greed.

Amaris Nightshade: That's right, and I got the girls away and saw the whole thing go down.

Nico: Especially with what happened right now.

Me: We managed to bring an end to the curse that Caleb carried.

Lincoln: And helped him on the path to recovery along with his mom's side of the family. (To Amaris Nightshade)And it's so good to see you again, Amaris.

Amaris Nightshade: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Amaris Nightshade had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Amaris Nightshade was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Amaris Nightshade: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Amaris Nightshade's waist and hugged her, and Amaris Nightshade is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Amaris Nightshade: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 19-year-old 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Mara Lucifer: And so do we, this is Amaris Nightshade, Avatar and Gene-Slammer of The Pot of Greed and Deadly Princess of Greed, she's Lincoln's Guardian Angel from Las Vegas and Adriana Nightshade's youngest sister, she's a powerful and extremely deadly dark angel who was born with the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Greed. She's known as The Deadly Princess of Greed and Avatar and Gene-Slammer of The Pot of Greed, and she's a member of The Seven Deadly Princesses of Sins, a group of Lincoln's Guardian Angels who have the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the individual powers of The Seven Deadly Sins of Lust, Greed, Gluttony, Wrath, Pride, Envy, and Sloth, and they've used them to make those guilty of these sins pay with their lives. Amaris Nightshade has the power to make the greed of the most evil and remorseless of bastards come out into the open, but once that happens, they are ultimately buried underneath piles of gold coins and they wind up dying allowing her to send them to The Circle of Greed Amaris Nightshade moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Greed, and over time, Lincoln gained Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Greed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge, and she also knew about Lincoln stealing from Flip who was the greediest of all his enemies and returning his stolen goods to his victims, and she also made Flip her favorite target along with his entire family. Lincoln made her a darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, she's also great friends with Lucy and her friends, and she hates Flip with a blazing passion, and she swore if she saw Flip again, she'd use her powers to bury Flip underneath a ton of gold that's worth a massive king's bounty which'll kill him and send him and his entire family to The Circle of Greed to be turned into gold for eternity: a price to pay for their greed.

Me: Lincoln told us everything about you. Last year, we sent Flip to The Black Abyss, and months ago, we sent his entire damn family to join him there.

Nico: But, we got a clone of Flip, Flop, and Slip at Lynn's Table, so feel free to go wild on them however you want.

Amaris Nightshade: Yes!

Lincoln: With the curse on them, they won't die, but they'll regret ever crossing us, and now that you're here, Amaris.

Lincoln with his massive muscular arms still wrapped around Amaris Nightshade's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Amaris Nightshade: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Amaris Nightshade with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Amaris Nightshade: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Amaris Nightshade.

Amaris Nightshade had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Amaris Nightshade's waist, and he leaned down to her face and kissed her on the lips, and with Amaris Nightshade's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Amaris Nightshade had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Amaris Nightshade: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The nine girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the nine girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the nine girls are Eleanor, Anastasia, Blaze Angel Lmihaniel, Crea Stingray, Midia Reno, Nejerias Plprea, Ran Fantail, Rizrit Ludar, and Tama Shigret from Blaze Angel Eleanor.

Lincoln: Oh whoa, it's Eleanor, Anastasia, Blaze Angel Lmihaniel, Crea Stingray, Midia Reno, Nejerias Plprea, Ran Fantail, Rizrit Ludar, and Tama Shigret from Blaze Angel Eleanor.

Nicole: So, those were the girls Amaris saved, and Travis and Red were right telling the others to run to their rooms: they're sexy.

Lincoln: And easy targets for perverts and rapists, which I won't let happen. Are you girls okay?

Eleanor: Yes, we're okay, thanks to you.

Then, when Eleanor and the other eight girls saw who it was that saved them from Nightmare Drake Maxwell, their faces turned atomic red upon seeing the 12'9" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt Eleanor: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the

girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, along with the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Anastasia:(Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Eleanor, Anastasia, Blaze Angel Lmihaniel, Crea Stingray, Midia Reno, Nejerias Plprea, Ran Fantail, Rizrit Ludar, and Tama Shigret with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: At least, we brought an end to Caleb's nightmares and put an end to the curse that haunted him.

May: That's for sure. But, the weight of all the pain, the sorrow, and the sadness, it's still heavy on his heart.

Lincoln: We're helping him on this road to recovery.

Nico: That's for sure.

Me: Right, he needs to recover big time.

Eli: Just give him time to recover, that's all we can hope for.

Me: You're right.

James Blunt and the NYPD Nightshift even Caleb's family are still there comforting Caleb.

After Lincoln and all of us destroyed the Nightmare version of Drake Maxwell and sent him to The Black Abyss forever and brought an end to the curse on Caleb Maxwell, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Amaris Nightshade saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Amaris Nightshade: My God, I was right that Lincoln's really grown into a 12'9" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Amaris, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Amaris Nightshade: That's incredible, and we'd already known just

how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Amaris Nightshade: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw what it was that triggered it: we saw a massive army of septillion hulked-out gigantic 30'0" tall Incognito Lab soldiers with extremely massive upper and lower body muscles and twelve-pack abs coming at us!

Lincoln: What the?!

Nico: That goddamn heartless psychotic bitch!

Me: Lincoln, we better take care of them.

Lincoln: Let's go.

Lincoln and I went at and morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion hulked-out Incognito Lab soldiers, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the Incognito Lab soldiers began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the hulked-out Incognito Lab soldiers except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

We returned home and continued our workouts, but with what we did absorbing them, we were really pushing ourselves and sweating buckets!

Me: Whoa! Oh man, we're really pushing ourselves even more now!

Lincoln: Linnaeus may have been smart, but what she did proves her sanity is decreasing because of her immense hatred towards Lisa, she's becoming just like...!

Lisa Loud: Ophelia Shroud, and once we transform, her sanity will finally crack.

Suddenly, we saw septillion spirits appear in The World Tree Estate, and they took shape and formed into Holy Knights who were tall, imposing, and powerfully built with huge muscles and only dressed in pants, armored gauntlets, armored boots, and white and red cloth around their waist.

Lincoln: (Gasps) Those are Holy Knights, according to an ancient European legend, the Holy Knights were suffused with divine magic and beloved by God and they all travelled the land defeating the demonic forces of Hell, bringing peace and prosperity to the land, and have attracted many fair maidens and ladies.

Me: Lincoln, how do you know about them?

Selene Arcangela: This was from an ancient book Lincoln has in his library in his room, and I was quite stunned he had that book with him.

Suddenly, the septillion spirits of the Holy Knights turned back into their spirit forms and one by one, they began entering Lincoln's body and merged with him as he gained an astronomically massive power boost and he gained their incredible divine powers, holy powers, immortality, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well.

Lincoln: (GROWLS) Oh man, now that was really intense! (Flexes his massive arms with the two barbells in his hands and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

The noses of his harem were gushing out blood like a fountain.

Me: (Smirks) At the rate of Lincoln getting stronger and bolder at flirting with his harem, they're not gonna keep their hands off him at all.

Nico: And with thousands of girls in his harem, any who try to hurt their man is gonna regret it. Say, J.D., have you had to deal with any ex-girlfriends who turn out to be horrible mega bitches from Hell?

Varie and I gasped as we looked at each other along with my old friends.

Me: Well, there is one person.

Varie got out the picture of a dark-brown haired girl who was in a straitjacket with red eyes that are completely crazy and a mouth full of fangs!

EVERYONE FREAKED OUT!

Maria: WHO THE ABSOLUTE FLYING HELL IS THAT?! SHE LOOKS LIKE A CRAZY WOMAN!

Me: That is my ex-girlfriend, her name is Haru Desdemona, and you're right about one thing, she is one absolutely deranged bitch, and she's a lunatic with a sick habit of hers: she sprays pesticide on the reproductive organs of men which destroys their ability to get a girl pregnant.

THE MALES GASPED!

Nico: That's awful! What kind of sick bitch would do something like this?!

Varie: Someone like her. That bitch sprayed pesticides on the males' private parts and destroys their ability to get a girl pregnant, and many of the boys at J.D.'s high school are innocent! She ruined all of their chances to start a family, and many of them...killed themselves!

THE MALES OF THE TEAM WERE PISSED OFF!

Lincoln: How could someone even do this?! Absolute scum of the Earth!

Me: She said she did this to see if they were strong or weak. But, she's completely insane if she thinks that sort of thing would work, and she tried to do it to me, but I broke her wrist and Varie slashed her stomach with her sword. We told the principal, and with evidence of what that insane bitch did, she was arrested by the cops and taken to court, and combined with the testimonies of the deceased boys' parents and because she had no remorse, she was found guilty, and she lost it and swore we'd pay for this. She broke free from the cops and tried to stab Varie and I with a knife, but I kicked her in the stomach and sent her flying into a wall. The cops tied her up in a straitjacket and sent her to prison where she'd spend the rest of her life in Solitary Confinement.

Phoebe Miller: Her parents who were narcissistic hypocrites and just as evil as her were pissed off at what happened and they tried to kill J.D. and Varie for what they did to their daughter, but they took them down and after being found guilty of attempted murder, they got 65 years in prison without any chance for parole, and a week later, they died from a heart attack.

Nico: What a bitch! If we face Haru Desdemona on Lincoln's rescue, we are going to exact brutal and terrible revenge on that bitch!

Me: You're right. She ruined the lives of every male in my high school and for her own amusement, I regret not putting her down. I'd shown restraint and control due to that, but now, I realize that was a mistake. She's going to be put down like the raving lunatic that she is.

We got a shower, and then, Lincoln, Aurora, Niffty, Simulator Charlie Morningstar, and Simulator Vaggie are heading to Sirena Beach.

Lincoln snapped his fingers, and the 12'9", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Aurora, Niffty, Simulator Charlie Morningstar, and Simulator Vaggie were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Aurora, Niffty, Simulator Charlie Morningstar, and Simulator Vaggie had feelings for Lincoln, and he also had feelings for them and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Aurora: Wow, so this is Sirena Beach, it sure is beautiful.

Lincoln: It sure is, Aurora, and it's perfect for our first date. Shall we?

Lincoln, Aurora, Niffty, Simulator Charlie Morningstar, and Simulator Vaggie dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Aurora, Niffty, Simulator Charlie Morningstar, and Simulator Vaggie also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Aurora, Niffty, Simulator Charlie Morningstar, and Simulator Vaggie a deep tissue massage, and when he was done with that, Aurora, Niffty, Simulator Charlie Morningstar, and Simulator Vaggie were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Aurora, Niffty, Simulator Charlie Morningstar, and Simulator Vaggie got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift 107 massive 999 Septillion ton barbells Lincoln summoned in his large and strong hands and 105 massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Aurora: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Aurora, Niffty, Simulator Charlie Morningstar, and

Simulator Vaggie and he hugged them in his abnormally massive and powerful muscular arms, and Aurora, Niffty, Simulator Charlie Morningstar, and Simulator Vaggie placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had their lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from her right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aurora, Niffty, Simulator Charlie

Morningstar, and Simulator Vaggie with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with two white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Aurora, Niffty, Simulator Charlie Morningstar, and Simulator Vaggie are in your harem, Linky.

Aurora, Niffty, Simulator Charlie Morningstar, and Simulator Vaggie showed the marks Lincoln made on the right side of their trapezius.

Jenna: You had no trouble at all.

Aurora: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted 107 massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and 105 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for number 4 of the Skylanders Adventures.

Nico: Who's next?

Me: Dreamcatcher next and we're going to face her in Telescope Towers.

Nico: Oh boy.

Me: Rainbow Dash, Lightning Dust, Natilee Knudson, Scootaloo, Gusto, Thunderbolt, Whirlwind, Warnado, Wind Man and Air Man are up.

Rainbow Dash: AWESOME! This is gonna be fun.

Lightning Dust: It sure is!

Natilee: I'm game.

Me: Be careful guys. Dreamcatcher is like Danny Phantom's enemy Nocturne. She is a dream spirit.

Natilee: Then it's perfect I was picked for this one.

Me: Yep.

They went in and were at Telescope Towers and it was a warped and crazy place.

They were flying alongside Cali.

Rainbow Dash: WHOA!

Natilee: WHOA! Her powers are getting stronger.

Cali: Oh wow.

Natilee: This is worse than we thought.

Cali: The Dreamcatcher has already started stealing the Dreams from these scientists.

Natilee: Thank goodness I'm along. This is right up the alley of me and Princess Luna and dad.

Cali: This place used to look like a pretty normal observatory and now it's Whatever this is.

Natilee: If there's one thing my sister Nicole hates more than anything besides perverts it's people messing around with the places she loves that involve science.

Cali: I see. I just hope she wasn't able to learn anything from the weird dreams yet.

Natilee: Yeah.

They landed on a ledge.

Cali: So lets wake up the sleeping scientists, take down that Dreamcatcher and cross our fingers that all this isn't a dream right now. Cause I hate it when that happens.

Scootaloo: Yeah. But if it is then we're in trouble.

Natilee: I'll wake us up if it is. But don't worry, if anyone knows more about dreams than anyone else, it's me. I am a dreamwalker after all.

Just then, Barney the Dinosaur somehow appeared.

Barney: Oh hoo-hoo-hoo-hoo! Hello boys and girls! Are you ready for some fun?

Me: Barney the Dinosaur!? What's he doing here?

Nico: I remember Barney. Man its been years.

Qin: Boy those were good times growing up. I learned a lot from him back when I was in kindergarten.

Xenia: Yeah he teaches a lot of good kids.

Erica Tala: I can learn a lot from him.

Lilja: (Icelandic Accent) Same here.

Sakura Knudson: Boy I loved watching Barney back when I was a little girl. But that was a long time ago.

Me: I know. Good times.

Nico: They sure were.

Barney: Won't you say you love me too?

Rainbow Dash: Keep away!

She fired blasts of lightning and electrocuted him.

Rachel San Diego: I remember the Warner Siblings are terrified of their own version Barney.

Wakko: It's true.

Me: Geez.

Natilee: Dreamcatcher summoned him no doubt.

She fired a blast of energy and erased him.

Rainbow Dash: Who even watches him anymore?!

Lightning Dust: No idea.

Natilee: Yeah.

They continued on and looked around.

Natilee: She could be anywhere in this Dream Reality. But if it is like a dream then I can do this.

She concentrated and then turned the area back to normal!

Rainbow Dash breathed a sigh of relief!

Nico: Nice job!

But then out came DREAMCATCHER!

Dreamcatcher is a member of the Doom Raiders and a supporting antagonist in the Skylanders franchise, serving as a supporting antagonist and a trappable villain in Skylanders: Trap Team and a supporting antagonist in Skylanders Academy. She is of the Air element and therefore an Air element trap is required to trap her.

She was voiced by Tara Platt in the game series and Parker Posey in Skylanders Academy.

Cloudcracker is not the first prison from which Dreamcatcher has escaped. She had actually escaped from Lucid Lockdown within the Realm of Dreams, before escaping from the dream realm itself. Not only can she read your mind while you're sleeping but she can bring your worst nightmares to life. Using her mischievous powers of dream-stealing, she has driven entire villages to the point of madness all for the sheer thrill of it. Her playfully evil nature is what got her noticed by the Golden Queen, who needed a good psychic for her evil schemes and also for relationship advice. Loving both cunning plans and gossip, Dreamcatcher was happy to oblige and promptly joined the Doom Raiders. Although due to her aforementioned mischievous nature, the Golden Queen has found the relationship advice questionable.

In Skylanders Academy, Dreamcatcher has a similar reputation to her mainstream counterpart in terrorizing others through their dreams for fun. Because of it, her parents sent her to Skylanders Academy in the hopes that she would be reformed

---

Dreamcatcher: You again!? Ugh, you are seriously seriously lame, guys. I'd love to keep fighting, but I got places to go, people to steal dreams from. TTYL!

Ymir: TTYL?

Me: Talk To You Later.

Lightning Dust: You're not going anywhere!

Dreamcatcher: Why not? I've already learned the secrets of Traptanium from these scientists' dreams. But, this whole hero thing you're doing is getting really tiresome, so I think it's time I finally put an end to it.

Rainbow Dash: Bring it on!

Gusto: (British Accent) GUSTS OF GLORY!

Thunderbolt: A STORM IS COMING!

Whirlwind: TWISTS OF FURY!

Warnado: FOR THE WIND!

Dreamcatcher grinned and summoned the Teletubbies

Me: Teletubbies!

Sakura Knudson: Boy that brings back memories when I was three.

Lilja: I watched that a lot in the orphanage.

Qin: Boy I was only 4 when I saw that.

Me: Boy she's using a lot of shows we used to watch back when we were in preschool.

Dreamcatcher: If I can't scare you guys, I can creep you out!

Natilee: Aren't you a little too old for stuff like this?

She blasted the Teletubbies all over and erased them.

Natilee: Shouldn't you be into boybands and fashion and stuff? Like how a teenager should be?

Dreamcatcher: Fine! No more pre school shows. I'll deal with you guys myself!

Natilee: Well sorry for telling you that you need to grow up!

They fired waves of lightning and energy and blasted her all over.

Natilee: It did bring back memories of our youth.

They fired waves of lightning, rainbows, wind and tornadoes and storms and blasted her all over.

Rainbow Dash: LETS HIT IT!

ZOOM ZOOM!

Rainbow Dash and Lightning Dust flew fast as lightning and flew around Dreamcatcher and blasted her intensely!

Rainbow Dash, Lightning Dust, Natilee Knudson, Scootaloo, Gusto, Thunderbolt, Whirlwind, Warnado, Wind Man and Air Man: AIR STORM BLAST!

They fired waves of lightning and energy and blasted her down.

She was defeated!

DREAMCATCHER DEFEATED!

Rainbow Dash: Welcome to YOUR Worst Nightmare!

She held up an Air Traptanium Shard and an Aqua Blue Vortex Appeared!

Dreamcatcher got sucked in!

Dreamcatcher: OH...EM...GEEEEEEEEEEE...!"

She was in the shard!

Dreamcatcher: "SO not cool, Rainbow. I don't know how you sleep at night... but I'll find out..."

DREAMCATCHER TRAPPED!

Rainbow Dash: HA! Good luck with that. Now you are my prisoner and have to be good no matter what!

Dreamcatcher: "Well This won't be so bad... maybe good is the new evil."

Rainbow Dash: No more preschool shows!

Dreamcatcher: All right all right. I promise.

Rainbow Dash: Good.

They came out and we cheered.

Me: Well done guys!

Rainbow Dash: BLECH! I never want to see those again.

Scootaloo: Me neither.

Homer then put bleach in their eyes!

They screamed!

Rainbow Dash: WHAT WAS THAT FOR!?

Homer: To unsee what shouldn't be seen again.

Me: Homer was that necessary?

Homer: Sorry.

Me: Anyway next up is Mystic Mill and we're going after Pain-Yatta next.

Nico: COOL!

Pain-Yatta: PARTY TIME!

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our showdown with Lightning and Dr. Linnaeus starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-Septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

In the kitchen were the mascots.

Poromon: Hey, look. Coffee!

With us...

We heard a coffee machine on.

Darcy: Do you guys hear something?

Me: (Sniffs) Smells like coffee.

Lisa Loud: Oh, please don't tell me they're drinking coffee!

But then!

ZOOOM ZOOM ZOOM ZOOM ZOOM ZOOM!

THE MASCOTS WERE ZOOMING ALL OVER THE PLACE LIKE BULLETS FIRED FROM GUNS!

THEY WERE REALLY ZOOMING ALL OVER THE PLACE!

I caught Manaphy!

Me: WHOA!

I held her!

Drillhorn: What's wrong with you guys?!

Me: THEY ARE ON A CAFFEINE RUSH!

Poromon: (FAST TALK) THIS COFFEE IS GREAT! COFFEECOFFEECOFFEE!

Poliwag: COMEANDGETUSIFYOUCAN!

Horsea: ITSFUNANDAWESOME!

Manaphy: WELOVECOFFEE!

Nosecone: You calm down!

Poliwag Danced on my head

Poliwag: I LOVE DOING THIS!

Ed: Is it my turn to jump on your head?

Eddy: Shut up Ed!

Qin: This is worse than beer!

Me: Would you rather have them drink coffee or beer?

Nico: Beer, honestly.

Poromon pecked Nico!

POINK POINK POINK POINK!

Nico: OW OW OW OW OW!

Poromon: Take that goofball!

But then...

BOOM BOOM BOOM BOOM!

The mascots got hit by energy balls!

Me: What the?

We saw a Gible!

Me: Another Gible?

Akira Akatsuki: That's not mine.

Me: Must be one from Dark Gale.

Piplup's eye started twitching

THEN HE WENT APESHIT CRAZY!

He blasted the second Gible with bubblebeams, whirlpools and more and really blasted it all over!

Me: Not again!

I fired an ice beam and froze Piplup in ice.

Me: Okay that's enough! Lets see here.

Dawn: Yeah.

She used Telepathy and gasped!

Dawn: It's Fiona Harvey!

Me: You know her?

Dawn: We'll explain later.

We went over to it.

Dawn: Fiona it's okay. It's me Dawn.

CHOMP!

She bit her head

Dawn screamed!

Piplup bursted out of the ice and mangled up Gible more!

Me: Okay that's enough!

I snapped my fingers and the Gible reverted back and was a girl with blond hair and green eyes and had Green angel wings and had Gible on her forehead and had a dragon symbol on her arm as a cutie mark and we wrapped her in a blanket and Piplup stopped and was really angry.

Dawn picked up Piplup.

We brought Fiona to the sofa and I snapped my fingers and fixed up everything.

She woke up.

Fiona Harvey: What hit me?

Dawn: Fiona are you okay?

Fiona Harvey: Dawn? Oh wow!

She hugged her.

Fiona Harvey: Glad to see you.

Dawn: Same here. Fiona is Harley's sister.

May: (GASP)

Me: May are you okay?

May: That jerk that humiliated me!?

Me: Wait who is Harley?

Brock: He's a jerk that hates May. He humiliated her really bad by showing everyone photos of her when she was afraid of Pokemon.

Nico: WHAT!?

Nico was ENRAGED!

Me: Uh Nico are you okay?

Manaphy: NO ONE DOES THAT TO MAMA!

Nico calmed down.

Nico: You guys leave Harley to me, Poromon, Poliwag, and Manaphy in the future. By the time I'm done, he'll wish he was dead

Me: (GULP)

Fiona Harvey: Yeah my brother is an absolute pest.

Me: I see. Also you were turned into a Gible by Dark Gale and Dawn's Piplup here beat the living shit out of you.

Meowth: Yeah Piplup has had a nasty problem with one. Always got attacked by one owned by Ash.

Fiona Harvey: I see and I remember.

She was in a silver suit and injected and turned into Gible! She busted out.

FLASHBACK ENDS

Fiona Harvey: It was awful.

Me: I know but we destroyed Dark Gale.

Fiona Harvey: Good.

Fiona: Hi, Piplup!

Piplup hugged her.

Fiona Harvey: Aw it's okay Piplup.

Me: At least he forgave her.

Fiona Harvey: Oh I'm also the Dragon Mage of the team for Sona. I use Dragon Magic to destroy our enemies. Outside the team I find ways to make my brother pay for his crimes against May.

May: Yeah she sure does.

Me: Like Nico said, leave that to him, Poliwag, Poromon and Manaphy. You mess with May, there's going to be hell to pay.

Xenia: Yep.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new purple and grey clothes and a dragon sword.

Fiona Harvey: I look awesome.

Me: You sure do.

Grave Clobber: We're on a roll with Gible today

Me: We sure are.

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow

energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Lightning and Dr. Linnaeus, they were on the move, and they're causing havoc.

Lincoln, me, and Nico: OH HELL NO! YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw.

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it was Lightning and Dr. Linnaeus, they were on the move, and they're causing havoc.

EVERYONE GASPED!

Lisa Loud: Lightning's on the move along with Dr. Linnaeus, so they've struck first.

Jared: Those two are going to pay for this, that's for sure.

Leanne Nikos: And now that Dr. Linnaeus has finally lost her mind, now we can take both her and Lightning down.

Me: Lightning's the bigger danger, so we need to send him to The Black Abyss.

Lincoln: We can't underestimate Linnaeus, in spite of her declining sanity, she's cunning and very dangerous, she'll have plans in motion.

Caleb Maxwell: Not if her plans are thrown into utter chaos.

Suddenly, a dark magic circle appeared underneath Caleb Maxwell as he was surrounded by runes and he levitated off the ground, and he chanted an incantation in a demonic tone as balls of black and red energy appeared around him and he sent them flying to Linnaeus and Lightning's location and we saw through a one-way viewing mirror Lincoln made as the black and red energy balls hit Linnaeus and Lightning, and it exposed more Incognito Lab troops, lab equipment and weapons she had, and it even exposed Madeline Linnaeus, Dr. Linnaeus' equally cold-blooded and ruthless sister.

Lincoln: And Madeline Linnaeus is also there too? I knew it!

Lisa Loud: Only the sister of that ruthless disgrace to science would also he here too.

Nico: Lincoln, you can kill Madeline Linnaeus and make her sister watch, that'll drive her mad. Alright, team, let's go, the time to destroy Lightning and Dr. Linnaeus has come.

Lincoln: Lightning, you're gonna pay for everything you did to Yusaku, and as for you, Dr. Linnaeus, this is the final time we ever have to deal with you, this is where you die once and for all.

The previous group came.

Trickster: Can me, Firefly, Plastique, Whiteout, Ghost, Gearhead, Molten Man, Loki, Cad Bane, and Vortex go with you guys?

Nico: Yes you all can come with.

Cad Bane: Man what happened here?

Me: Don't fucking ask.

Qin: Yeah.

Cheetah: Nico, which Gene Slammer do you think you'll meet next?

Nico: Numbers 36 and 35 next.

Qin: Cool!

Lola: Awesome.

Nico: Lets head out.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed out to help Yusaku and his allies destroy Lightning and send him to The Black Abyss, and we're also taking down Dr. Linnaeus so we can bring her to face trial for her unethical crimes and get her sentenced to death and sent to The Black Abyss forever.

We were off.

We arrived in Den City

Me: We're here.

Firefly: Lets call Calamitous.

Me: Good idea.

We did so.

Calamitous came.

Calamitous: I am here guys.

Me: Awesome.

Bruiser Cruiser: Wonder where Yusaku and the others are

POW!

We heard a punch and saw Yusaku, Skye and Go being attacked by Knights of Hanoi men!

We were flying in the air, and we spotted Yusaku, Skye, and Go fighting Knights of Hanoi men.

Nico: There's Yusaku, Skye, and Go, and they're fighting Knights of Hanoi men.

Lincoln: I got this. I summon ELEMENTAL HERO DIVINE NEOS!

Lincoln summoned Elemental HERO Divine Neos who blasted the Knights of Hanoi men and he absorbed their souls and he assimilated their powers.

Me: Looks like it's time for the mini-entrance!

We went at them!

Skye: They just won't stop!

But then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

A massive fiery explosion blasted off above them and a phoenix cry was heard!

We landed and kicked the men all over the place.

Me: Looks like you all could use some help!

Yusaku: You all made it!

POW!

I punched a man in his face!

We blasted them all over!

Man: LETS GET OUT OF HERE! RETREAT!

They ran like the cowards they were!

Yusaku: Perfect timing!

Whiteout: Nice to see you guys

Skye: Same here.

Me: Looks like we got here just in time.

Camie: Yeah.

Ymir: We're going to kick some butt.

We went back to Yusaku's base.

Yusaku: We're glad you all came.

Me: We would never miss this one.

Jindrax: Anyone got Constellar cards we can use?

Me: Plenty of them.

Qin: We sure do.

Jindrax: Awesome.

Nico: Cool.

Gearhead: Any vehicles I can use here?

Me: Plenty of cars and stuff.

Gearhead: Good.

Nico: I'm going to unleash Fury Bowser on Linnaeus and Lightning.

Me: Brutal.

Nico: And by that I mean unleash the rage of him.

Nicole: Nice.

Yusaku: Linnaeus? You mean Carol Linnaeus?

Lisa Loud: Correct. She's a mad scientist we stopped years ago.

Yusaku: Oh man.

Skye: We saw another one with them.

Lincoln: That would be Madeline Linnaeus, she's Dr. Linnaeus' sister, and she's just as cold-hearted, emotionless, and ruthless as her, and she's also a mad scientist like her deranged sister.

Skye: Just what we need: another fucked-up mad scientist messing with Mother Nature.

Me: My thoughts exactly.

Nico: Let's get after those that bastard and those two bitches and send them kicking and screaming to The Black Abyss.

Lincoln: Before we do so, let me explain everything about Linnaeus.

Lincoln explained Dr. Linnaeus's history, and when he was done, Yusaku, Skye, and Go were horrified.

Yusaku: My goodness, she's a monster!

Lincoln: She's been a menace to Lisa for a long time.

Nico: And I'd been after her since she was involved with S.U.S.P.E.N.S.E., and The FBI has been after her and Incognito Labs for years.

Caleb Maxwell: How could someone like that even live?! That bitch and her fucking sister deserves to suffer! Same with Lightning!

Suddenly, Caleb Maxwell loosened his grip on his guns as they fell but were kept in mid air, and then, he clenched his right hand so tight, his gold-armored dragon claws drew blood from his palm, and he clawed at his right arm with his left hand's gold-armored dragon claws and drew more blood until his right hand and underside of his right arm were bloody.

Me: OH GOOD GOD! THAT'S BLOODY!

Suddenly, crimson red and black darkness began surrounding Caleb Maxwell's bloody right arm and spread to his right hand, and it condensed into a massive crimson red and black darkness energy ball with blood falling from it and angry souls surrounding it, and Caleb's wounds healed. Then...!

Caleb Maxwell: FACE THE ANGER OF EVERY LAST ONE OF YOUR VICTIMS, LIGHTNING, DR. LINNAEUS, AND MADELINE LINNAEUS! BLOOD HATRED OF THE LIVING AND THE DEAD!

Caleb Maxwell threw the massive crimson red and black darkness energy ball with blood falling from it and angry souls surrounding it, and it headed for Lightning, Dr. Linnaeus, and Madeline Linnaeus' location, and it exploded as it hit them, and they were covered in blood, but then, they began to see the visions of the angry dead coming at them along with the angered living souls, and they began attacking them with unendurable blood hatred! We saw it through a one-way viewing window Lincoln formed.

Nico: Oh my God! Not again!

Cage Blunt: He used Blood Hatred of The Living and The Dead again. This involved Caleb drawing blood, but then, as you saw, crimson red and black darkness began surrounding his bloody right arm and it spread to his right hand, and condensed it into a massive crimson red and black dark energy ball with blood falling from it and angry souls surrounding it as his wounds heal. Then, he throws it at his target, and once they are hit, they're not only covered in blood, but then, they began to see the visions of the angry dead coming at them along with the angered living souls, and they began attacking them with unendurable blood hatred.

WE GASPED!

Travis Tackett: He once unleashed it on Drake long ago, and let's just say, the streets of Manhattan were painted red with his blood.

WE FREAKED OUT!

Eli: Geez!

Lincoln: Okay, I think you just gave us nightmares for a week with that attack. Alright, now we better get after Lightning, Dr. Linnaeus, and Madeline Linnaeus, I'm sure they're still suffering from Caleb's attack.

Ashi: Do we need to go digital for this?

Yusaku: Nope. You guys can come in as you are.

Ashi: Good.

Me: We owe you guys for helping us last week.

Cad Bane: You helped out against Telesdon

Skye: That was cool.

Me: It sure was.

Dina the Undine: I agree there.

Iormu: And that was great.

Lola: I agree too.

Grinnade beeped.

Nicole: He said he agrees too.

Qin: Cool.

Yusaku: Lightning has tormented us long enough.

Varie: Especially after everything he did to you.

Yusaku: I agree there.

Vortex: You're still going Playmaker, right?

Yusaku: I sure am.

Me: We know he drill.

DANCE OF THE SUGAR PLUM FAIRY PLAYS

Poromon came out in a fairy costume with 1 bottle of beer.

Poromon: (to the Vrains team) Hello there! I'm the beer fairy! Come to give you guys 1 bottle of beer!

Skalor: You get some under your pillows if you're good!

Skye: Aw Poromon looks so cute as a fairy.

Me: He sure does.

Yusaku: But we're too young to drink.

Me: Luckily I came with this

I gave them root beer.

Yusaku: Thanks.

Poliwag: (Does Puppy Eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Skye: We heard about verything that happened to Earth too.

Me: Yeah no kidding. Now the Earth is abomination free.

Skye: What does that mean?

Me: And cue mascot craziness in 3...2...1...

Poromon: HE MEANS THIS! (shows trailer close to Yusaku's face) HERE! LOOK AT IT! IT'S UGLY, ISN'T IT?!

Yusaku: (SCREAMS) IS THAT POOH AND FRIENDS!?

Manaphy: (shows trailer close to Skye's face) YOU LOOK AT IT!

SKYE THEN VOMITED!

Poliwag: (shows trailer close to Go's face) YOU LOOK AT IT!

Go: (CRYING HYSTERICALLY)!

Horsea: (shows trailer close to Ai's face) LOOK AT IT!

Ai screamed in fright!

Jirachi: (shows trailer close to Aqua's face) LOOK AT IT!

Aqua: HOLY CRAP BUCKETS!

Tentacool: (shows trailer close to Flame's face) LOOK AT IT!

Flame: THAT IS CRAZY HORRIBLE!

Mascots: LOOK AT IT! LOOK AT IT! LOOK AT IT! WE WANT ALL OF YOU... TO FUCKING LOOK AT IT!

THEY SCREAMED IN FRIGHT!

Loki: We're sorry about this

Me: Oh for fucks sake!

UGH! ROUNDY SPINNY THING MAGISWORD!

They were calmed down by it.

Yusaku: WHAT WAS THAT!?

Me: What you saw was the Trailer for Winnie The Pooh Blood and Honey. It came out on February 15th, 2023 and it's a dark version of Pooh and Friends.

Yusaku: Who would make this?!

Me: Childhood destroyers! And no we are not going to banish them to the Black Gates or the Black Abyss. Because these are innocent people that made the movie.

Qin: Yeah.

Me: But the mascots destroyed the real things on their day to shine.

Poromon: It's true.

Laney: Yeah.

Gira: On our turf.

Skye: Wow!

Qin: Yep.

Yusaku: Thank goodness you destroyed them.

Camie: Yep.

Lincoln: Thank goodness. (GASP) Whoa man! I just had a premonition.

Me: Uh oh.

Lincoln: Yeah we got a scary Akuma coming. Her name is Spectralhydra Thunderdragon. The second Akuma of Lisa Loud and she is a 7 headed hydra dragon and has 1 head that fires 1 of each color of lightning from its mouths. Also she has intense power that is as strong as King Ghidorah and her power can blast apart many cities and more. She can fly as fast as Rodan and generate hurricane winds and has intense strength and more. She was made because of Carol Linnaeus ruining her life and she vowed to kill that monster no matter what with the intense power of lightning and the rainbow and King Ghidorah!

WE GASPED!

He showed us a sketch of her and she was a huge seven headed hydra dragon and she was firing lightning of each color of the rainbow from each of her heads!

Me: WHOA!

Xenia: That is a scary dragon!

Swift Foot: No kidding!

Me: Yeah!

Yusaku: Where is she?

Lincoln: Outside and flying at us!

Me: Oh boy!

We went outside and we saw a figure coming! It was SPECTRALHYDRA THUNDERDRAGON!

Me: There she is!

She flew and landed in front of us and roared.

Me: OH WOW!

She fired red lightning and I deflected it back and it hit her.

She then fired waves of orange, yellow and green lightning and Nico deflected it back at her.

It roared ferociously!

Me: WHOA!

Molten Man: Lisa? Is that you?

Spectralhydra Thunderdragon just roared.

Me: One of the wild feral ones.

Xenia: Geez.

Qin: Guess calming her down is out of the question.

Me: Lets get her!

We fired waves of energy and blasted her.

She fired waves of blue, indigo and purple lightning and Eli deflected them and smashed her.

Calamitous blasted her with lasers.

She charged at us and we dodged her.

But then she charged up a huge combo blast and I fired a blast of energy and the dragon fire a massive blast of white lightning and the blasts collided and my blast overtook hers and it hit her and exploded and knocked her out!

Me: Take that!

Starlight Glimmer: She didn't seem smart that time.

Me: Nope.

Nico: Now comes the fun part.

Lola: The usual battles?

Nico: Yep.

Ghost: You guys are in for a treat

Me: Yep.

Skye: Looking forward to it.

Maria: I'll call them in.

Then Killer Shrike, Wolf, Captain Boomerang, Crimson Dynamo, Shiva, Billy Numerous, Deker, Mummy, Diabolico, and Sportsmaster came.

Nico: Killer Shrike, Wolf, Captain Boomerang, Crimson Dynamo, Shiva, Billy Numerous, Deker, Mummy, Diabolico, and Sportsmaster.

Killer Shrike: So, you guys had coffee, huh?

Poromon: Yeah we sure did.

Wolf: I hope you guys learned something

Poromon: Coffee is more lethal than beer.

Me: It is.

Captain Boomerang: At least you could still show the trailer

Poromon: True.

Shiva: (to Nico) We heard you fought Kohgane.

Nico: Yep.

Crimson Dynamo: (to Akira) You should take care of that Gible

Akira: I will.

Boomtower came.

Me: Boomtower! Up for another round?

Boomtower: Yep. And I got this.

He then fired a blast of energy and I fired a blast of energy and the blasts collided and then...

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Skye: WHOA! What power!

Me: That was for starters.

Boomtower: More where that came from

Me: I fired an energy blast at his cannon and there was a massive explosion like that.

Qin: Yep.

Cornelia: That was intense.

Laney: It sure was.

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

Rice Fitzgerald, Tantor, Haruko Kamio, Misuzu Kamio, Chan Lee, Sailor Cosmos, Sailor Moon, Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Gulper and Grave Clobber VS Killer Shrike, Lanhua, Sugar Rush Trio, TTG Kitten, Dancing Rats, Phantom Puppeteer, Sonomax and

They told them what happened.

We went into The Simulator, this time, it's to The East Bronx in New York, but we are there for a huge mission: we're going to kill the nightmare version of Drake Maxwell in order to end the curse that Caleb Maxwell fell under because of the guilt of seeing his true friends who stayed loyal to him and always protected him from their fellow peers in the past in high school getting killed, the constant physical abuse and always being assaulted by his ex-younger brother, Drake Maxwell, betrayed by false friends who befriend him only to betray him by showing their true colors as cruel bastards and bitches, hated by everyone because of Drake Maxwell's bloody crimes, and finally, the murder of his own father last year by his own hand before Claw Dane Drake showed us the truth as to why he got into crimes and it was the fault of his Dad's scumbag relatives. But, then, Caleb will head to where his Simulator self got killed, and he'll put him to rest, but then, we'll see the spirits of his long dead friends and his dead father, Marcus Maxwell, appear and head for the other side. Caleb will no doubt run to them and explain to his dead friends and his dead father that they were always there for him no matter what even despite all the Hell he winds up getting thrown into, and that they gave him so much and they were always there with him even as his life descended into the depths of darkness, and that right there was the reason why he survived until the day he was killed on Halloween Night in 1985.

Finally, the spirits of Marcus Maxwell and his dead friends will comfort him as he apologizes which'll undo the final darkness that kept his heart trapped, and Marcus Maxwell will remove the curse, and he and the others will finally move on, but not before telling Caleb that they will always love him for who he is: and that was a kind, gentle person who would always do anything for his friends and his family, and he'll tell James Blunt and all of us to look after Caleb, Allie, Marlene, and the entire family on Marlene Maxwell's side.

Jared: And now, we are going to put an end to you for good.

SUDDENLY, THREE EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSIONS BLASTED OUT OF LISA LOUD, JARED KNUDSON, AND LEANNE NIKOS WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSIONS WERE SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, AND RAINBOW FIRE ALICORN, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, AND RAINBOW FIRE ALICORN WENT BACK TO EARTH AND LOLA LOUD, FLARE FIRESTAR, AND KIMI LAO GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Lisa Loud, Jared Knudson, and Leanne Nikos were surrounded by massive vortexes of colored, white, golden yellow, and blue energy with stars, aura energy, white and blue heavenly flames, and elemental forces surrounding the vortexes, there are Alicorns, phoenixes, and angels flying around the vortex, and in the vortexes are colored phoenixes with blood red eyes glaring at Alien Rayblood and Father: the blood red eyes of eternal death, eternal damnation, and eternal judgement and we saw heavenly lights shining down on the vortexes.

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF DR. LINNAEUS TO NO END! NOW, THE BATTLE TO DESTROY DR. LINNAEUS WAS ON!

Lincoln, Lisa Loud, Jared, Leanne Nikos, Nico, and I and the rest of us went after Dr. Linnaeus and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Dr. Linnaeus, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lisa Loud, Jared, and Leanne Nikos did the same by firing colored, white, golden yellow, and blue energy slashes from their gold-armored dragon claws and their massive greatswords, and Lincoln, Lisa Loud, Jared, Leanne Nikos, Nico, and I and the rest of us attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Dr. Linnaeus even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out

and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Father and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Dr. Linnaeus.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of Dr. Linnaeus and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of his massive greatsword.

Calamitous (to Carol Linnaeus): I have just the invention to finish you off!

He pulled out a blaster and fired energy beams and they blasted her all over.

Then, Lincoln fired a rainbow energy blast that turned into a straitjacket and tied Dr. Linnaeus up.

We cheered as we holstered our weapons and powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, one-hundred massive and long colored wolf tails, large gold halos and large Yata no Kagami mirrors behind the gold halos with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors behind the gold rings behind the heads, one-hundred large colored planets orbiting around the legs, one-hundred smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and ninety-nine sets of large colored angel wings underneath the massive colored angel wings of Lisa Loud and Leanne Nikos are permanent.

Dr. Linnaeus: YOU THINK YOU'VE WON?! YOU THINK THIS IS THE END?! I WILL GET OUT OF THIS, AND I WILL KILL EVERY LAST ONE OF YOU!

POW!

Lincoln punched her!

Me: What a bitch. Let's get her to the courthouse.

We went and checked on Yuga.

Yuga punched Bohman

POW!

Yuga and the group blasted him and knocked him out.

Yuga: What should we do now?

Gallus: I think they are finished.

We came back.

Me: Awesome job! Lets get Linnaeus to the courthouse.

We returned home and we got to The Gotham Royal York courthouse with Dr. Linnaeus strapped to a gurney and her mouth was muzzled. Aria Yamamoto Zero-One, Seiryu Kiryu Build, and Shanna Fourze, along with Lisa and Nico and Lisa's contacts in the science committee provided the evidence and testimony of all of Dr. Linnaeus' crimes: everything from unethical experiments on humans to her dealings with The Miller Family and S.U.S.P.E.N.S.E., and they were horrified.

It took less than ten seconds for the jury to deliberate, and once they did, they found Dr. Carol Linnaeus guilty on all charges.

Me: Wow! That was really fast.

Katie Rockell: This is indeed one of the worst cases I have ever come across in the history of this courthouse. You have repeatedly violated the code of ethics and conspired with wanted terrorists, and already proven that you were always a traitor to the world. Dr. Carol Linnaeus, it is with the judgement of this court that I hereby sentence you to death by firing squad.

We carted Dr. Linnaeus out, but before we commenced fire, Lincoln used his second tongue, but this one had a leech sucker for the mouth, and once it latched itself to her forehead, he began sucking out her brain and he also absorbed her intelligence and memories as well. Then, when Lincoln was done sucking out her brain, his second tongue went back into his mouth, and Dr. Linnaeus was now as dumb as a doorknob.

Me: Aw, now we won't be able to hear her screams of pain, and...!

Qin: Yeah, that's too bad, and...! NOW!

WE GOT OUT OUR GUNS!

Nico: Ready, aim, FIRE!

WE RIDDLED DR. LINNAEUS WITH BULLETS GALORE, AND SHE WAS LEFT A SPLATTERED MESS OF GUTS AND GORE, AND SHE WAS SENT TO THE BLACK ABYSS!

Lisa Loud: Good riddance.

Nico: Now, we're rid of Dr. Linnaeus, now all that's left is S.U.S.P.E.N.S.E.

Me: That's for sure, we'll be ready for them. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the symbol of Wrath and The Pot of Wrath appear.

Lincoln: (GASPS) The symbol of Wrath and The Pot of Wrath.

Adriana Nightshade: There's only one person who fits that: Adrianne Nightshade, Avatar and Gene-Slammer of The Pot of Wrath and

Deadly Princess of Wrath.

Mara Lucifer: I knew it was her, and you guys are going to enjoy meeting her, Adrianne Nightshade, Avatar and Gene-Slammer of The Pot of Wrath and Deadly Princess of Wrath, is Lincoln's Guardian Angel from Las Vegas and Adriana Nightshade's youngest sister, she's a powerful and extremely deadly dark angel who was born with the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, blood, and the powers of Wrath. She's known as The Deadly Princess of Wrath and Avatar and Gene-Slammer of The Pot of Wrath, and she's a member of The Seven Deadly Princesses of Sins, a group of Lincoln's Guardian Angels who have the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the individual powers of The Seven Deadly Sins of Lust, Greed, Gluttony, Wrath, Pride, Envy, and Sloth, and they've used them to make those guilty of these sins pay with their lives. Adrianne Nightshade has the power to make the anger and wrath of those who are the most angry and murderous even more angrier and wrathful than ever, but that'll lead to Lincoln sucking them dry of their anger and wrath and turns it into pure raw strength, energy, and power which'll kill them and allow her to send them to The River Phlagethon and The Circle of Anger. Adrianne Nightshade moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, blood, and the powers of Wrath, and over time, Lincoln gained Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, blood, and the powers of Wrath, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge, and she also knew about Lincoln stealing from Flip who was the greediest of all his enemies and returning his stolen goods to his victims, and she also made Flip her favorite target along with his entire family. Lincoln made her a darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, she's also great friends with Lucy and her friends, and she hates Lynn with a blazing passion, and she swore if she saw Lynn again, she would use her powers to make Lynn's dangerous anger and wrath even more dangerous than ever, so that Lincoln can suck her dry of all her anger and wrath and make her more well-behaved, but if not, she'll finish the job and kill her and send her to The Circle of Anger and make her burn forever in The River of Blood.

WE GASPED!

Me: HOLY FLAMES OF RAGING VENGEANCE! She's brutal!

Mara Lucifer: Brutal indeed, and her having the power to make the angry and wrathful even more angrier and wrathful is bad enough, that makes them turn into wild savages, but when Lincoln's around, he'll suck them dry of every last bit of their anger and wrath and convert it into pure raw strength, energy, and power for him which'll kill them and send them to The Circle of Anger.

Me: (GULP) That is one princess you should NEVER MESS WITH! Or else!

Lincoln: That's for sure, especially if that Princess is The Deadly Princess of Wrath, which like Anger, is one of the deadliest of sins because it's one that ends in murder.

Nico: Yikes!

Billy Numerous: Yusaku's pain has finally been erased.

Deker: It sure has

Mummy (to the Sevens team): You guys helped too.

Yuga: We sure did.

Yusaku: See you guys in 7 days

Yuga: We'll be waiting.

Yusaku and Yuga shook hands.

Me: We owe you guys big time Yuga.

Yuga: That was fun.

Me: Yep.

Diabolico: What should we do now?

Sportsmaster: Any good restaurants here?

Yusaku: We don't really know.

Me: That's okay. We know lots of good restaurants in Gotham Royal York.

Nico: Yep. Great job today everyone. And Lisa you, Jared and Leanne all did a great job.

Me: Yep.

Lisa Loud: It was a most well amazing performance.

Me: Yep.

Lisa Loud: (To the viewers) This was a most amazing mission for us.

Me: It sure was.

We had a good meal at Lynn's Table.

We returned home and we helped Yusaku, Skye, and Go settle in, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We did it. We got rid of Lightning and Dr. Linnaeus.

Anna Anyanova: That's for sure. We've been after Linnaeus for years.

Girl Jordan: She's been a big problem for Lisa and the rest of the state of Michigan and the world for years, now she is gone forever, and Incognito Labs is also gone too.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln who was in an orange speedo, and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started

glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 105 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Meanwhile, in Caleb Maxwell's room, he was looking out into the skies.

Caleb Maxwell: (Narrating) It's finally over. I now realize the truth: even after their deaths, I realized the spirits of my murdered friends were always there with me, along with my own father. But, they weren't there to plague me, they were always there...to protect me. That was how I survived until the day I was killed in 1985. But, after I came back, when my memories came back, so did the very guilt and anger of my past that plagued me, and it left a curse on me.

The memories of his past came rushing through his head.

Caleb Maxwell: (Narrating) But, after confronting and killing the nightmare version of my ex-younger brother, Drake Maxwell, I would meet the spirits of my murdered friends and Dad one final time, and it was there I finally embraced the truth and the final darkness that weighed on my heart would finally be undone, and Dad lifted the curse from me before he and the others would move on.

Caleb Maxwell: I'll continue onwards, but the pain, the sadness, and the sorrow of my past, I will bury them forever, that chapter of my life is closed now and forever.

THE END

Another awesome chapter done.

The Anothers are going to be gene-slammers of Takubee and Red-Eyes Moon Dragon. Also we're going to meet gene-slammers of Numbers 36 and 35.

Alright, and now, for tomorrow, the match-up scene is for Maryam Abeygunawardena Cooper, The Raider of Treasure Hunters of The International Clan of The Coopers, and she and Lincoln are going to destroy Zovaal and Sire Denathrius from World of Warcraft who've come back for revenge.

For Lincoln's rescue tomorrow, Lincoln and his group along with all of TLPS and The MOE are heading to a planet called Infernaira, it's an extremely hostile blood red planet of fire, anger, and rage in The Forbidden Zone where the inhabitants, The Infernairans, are extremely hulked-out male and female warriors with extremely deadly anger issues and power over fire and gamma radiation and who have the ability to grow even stronger the angrier they get, and they're a danger to the entire universe due to their deadly anger and rage. Lincoln's going to absorb all of them and suck in and absorb the core of the planet.

But, before Lincoln absorbs the core of the planet, we're also going to kill our main target: she's an evil ex-girlfriend of mine, her name is Haru Desdemona, she is one absolutely deranged bitch, and she's a lunatic with a sick habit of hers: she sprays pesticide on the reproductive organs of men which destroys their ability to get a girl pregnant. The bitch sprayed pesticides on the males' private parts and destroys their ability to get a girl pregnant, and many of the boys had all of their chances to start a family because of her, and many of them...killed themselves! She said she did this to see if they were strong or weak. But, she was completely insane if she thinks that sort of thing would work, and she tried to do it to me, but I broke her wrist and Varie slashed her stomach with her sword. Varie and I and our friends told the principal, and with evidence of what that insane bitch did, she was arrested by the cops and taken to court, and combined with the testimonies of the deceased boys' parents and because she had no remorse, she was found guilty, and she lost it and swore we'd pay for this. She broke free from the cops and tried to stab me, Varie, and our friends with a knife, but you kicked her in the stomach and sent her flying into a wall. The cops tied her up in a straitjacket and sent her to prison where she'd spend the rest of her life in Solitary Confinement. Her parents who were narcissistic hypocrites and just as evil as her were pissed off at what happened and they tried to kill us for what they did to their daughter, but we took them down and after being found guilty of attempted murder, they got 65 years in prison without any chance for parole, and a week later, they died from a heart attack.

Now, years later, we got word that Haru Desdemona was sighted on the planet Infernaira, so before Lincoln absorbs the core of the planet after he absorbs the Infernairans, we are going to kill Haru Desdemona and send that insane bitch to The Black Abyss forever! She's going to suffer the vengeance of the male population for her insane habit!

And we're going to meet Adrianne Nightshade, Avatar and Gene-Slammer of The Pot of Wrath and Deadly Princess of Wrath, she's Lincoln's Guardian Angel from Las Vegas and Adriana Nightshade's youngest sister, she's a powerful and extremely deadly dark angel who was born with the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, blood, and the powers of Wrath. She's known as The Deadly Princess of Wrath and Avatar and Gene-Slammer of The Pot of Wrath, and she's a member of The Seven Deadly Princesses of Sins, a group of Lincoln's Guardian Angels who have the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the individual powers of The Seven Deadly Sins of Lust, Greed, Gluttony, Wrath, Pride, Envy, and Sloth, and they've used them to make those guilty of these sins pay with their lives. Adrianne Nightshade has the power to make the anger and wrath of those who are the most angry and murderous even more angrier and wrathful than ever, but that'll lead to Lincoln sucking them dry of their anger and wrath and turns it into pure raw strength, energy, and power which'll kill them and allow her to send them to The River Phlagethon and The Circle of Anger. Adrianne Nightshade moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, blood, and the powers of Wrath, and over time, Lincoln gained Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, blood, and the powers of Wrath, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge, and she also knew about Lincoln stealing from Flip who was the greediest of all his enemies and returning his stolen goods to his victims, and she also made Flip her favorite target along with his entire family. Lincoln made her a darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, she's also great friends with Lucy and her friends, and she hates Lynn with a blazing passion, and she swore if she saw Lynn again, she would use her powers to make Lynn's dangerous anger and wrath even more dangerous than ever, so that Lincoln can suck her dry of all her anger and wrath and make her more well-behaved, but if not, she'll finish the job and kill her and send her to The Circle of Anger and make her burn forever in The River of Blood.

Next up is Sheila's day and we're going after Count Cagliostro and send him to jail.

See you all next time.

THIEVES AND COPS VS ASSASSINS

This is for where we go after Count Cagliostro and his men

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: there was an extremely hostile blood red planet of fire, anger, and rage located in The Forbidden Zone, and it was full of extremely hulked-out male and female warriors with extremely deadly anger issues and power over fire and gamma radiation and who have the ability to grow even stronger the angrier they get, and they're a danger to the entire universe due to their deadly anger and rage.

Lincoln: Whoa, this planet looks extremely hostile.

Then, he suddenly saw something else in The Forbidden Zone: there was a pure white and silver planet there as well and it had a white sun there as well, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only natural born fighters, but were given incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and also impressed many of the female angels that also live there. But, suddenly, they were defeated by those extremely hulked-out male and female angels from that planet he saw, and he found out they'd been imprisoned inside a well where their souls remain imprisoned to this day. Lincoln woke up.

Lincoln: What was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) I believe I know, those planets you saw in your dream, the first one you saw was Infernaira, an extremely hostile blood red planet of fire, anger, and rage in The Forbidden Zone where the inhabitants, The Infernairans, are extremely hulked-out male and female warriors with extremely deadly anger issues and power over fire and gamma radiation and who have the ability to grow even stronger the angrier they get, and they're a danger to the entire universe due to their deadly anger and rage.

Lincoln: Oh man! They sound really dangerous!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) They are, and even The Saiyans heard about them in legend, and that other planet that you saw, that was the Planet of Celestia, that planet was inhabited by powerful warrior angels called The Celestians, the males were not only natural born fighters, but were given incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Celestians, and they were among the most advanced civilization in The Forbidden Zone.

Lincoln: Whoa...!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) But, suddenly, they'd been defeated by The Infernairans and imprisoned inside a well where their souls remain imprisoned to this day, and the sun you saw on the planet, Lincoln, it's infinite-times hotter than The Sun and the amount of solar radiation also exceeds that amount, the male Celestians trained under the harsh heat and sunlight along with other extreme weather events. You need to head to the well where their souls are imprisoned and absorb them into your body, and once that happens, you'll gain their incredible powers, immortality, virility, and invincibility, and you must absorb the planets and The Sun of Solaris as well.

Lincoln: On it.

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Celestia once inhabited by The Celestians, but were defeated by The Infernians eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun of s that's infinite-times hotter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the Earth during ancient times, but had an amazing and advanced city

Lincoln landed on the planet.

Lincoln: Wow! So, this is Planet Celestia.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Solaris.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a blue gem surrounded by angels carved on it, and then, the blue gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of white souls came out numbering in the septillions: they were the quadrillions of souls of the ancient male warrior angels of Planet Celestia.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Celestia then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their incredible powers, divine powers, holy powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings

and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their incredible powers, holy powers, divine powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and then, he found it: the core of Planet Celestia, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at 99,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Celestia itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Lincoln: That was really incredible! The septillions of souls of the ancient male warrior angels of Planet Celestia have merged with me, and I also absorbed their planet's core and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming) (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks) (Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed.

Sheila woke up to see Moltres staring at her.

Sheila: (YAWNS)

Moltres: Morning Sheila, Eric.

Eric Loud: Morning Moltres.

Moltres: Rise and shine soldiers! Your big day is today.

They went and got dressed and went to the table. We had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, I've heard about The Infernairans, they had extremely deadly anger issues and power over fire and gamma radiation and who have the ability to grow even stronger the angrier they get, and they're a danger to the entire universe due to their deadly anger and rage.

J.D. 2: And the planet of Celestia was inhabited by powerful warrior angels called The Celestians, the males were not only natural born fighters, but were given incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Celestians, and they were among the most advanced civilization in The Forbidden Zone. But, those Infernairans defeated them eons ago. So, you absorbed the souls of the male Celestians and absorbed their core and planet into your body.

Lincoln: Yes, I did. But, this means we're going after The Infernairans on my rescue.

Me: WHOA!

Nico: That's amazing! The Infernairans are a feared race that even my kind the Saiyans fear.

Goku: What!? Even the Saiyans feared them?

Me: That is crazy Master Goku. The Saiyans afraid of them? Wild.

Nico: I know.

Suddenly, the phone rang.

Sam & Max: I GOT IT! I GOT IT! I GOT IT! I GOT IT!

Sam & Max got into a huge fight cloud, but Varie got the phone.

Varie: Team Loud Phoenix Storm World Tree Estate, Varie speaking.

When Varie heard the news, she gasped.

Varie: Oh no! J.D., we got bad news: that lunatic, Haru Desdemona, has escaped!

WE GASPED!

Me: Oh man, she's escaped and she wants revenge!

Suddenly, Lincoln's eyes glowed, and he found her: she's on Planet Inferna.

Lincoln: Oh crap, she's on Inferna! But, we'll be ready for her, J.D., provided the Infernairans don't rip her to shreds.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our anger, it was Hiroshi Tennoji, he's back and he's on Valmorg and he wants revenge.

Me: Son of a...! Hiroshi's back!

Evelyn Burmingham: I should've known that son of a bitch would be back!

Reggie Kenzaki: He's going to pay for what he did to my cousin and the Blade Riders in an attempt to make a War World.

Kenzie Kenzaki: My brother got turned into an Undead because of him, he deserves to die a horrible death once more!

Lincoln: This time, we'll make sure Hiroshi dies forever, and he will never ever come back. Alright, let's finish breakfast and head for Valmorg to get rid of Hiroshi for good.

Nico: Right.

We finished breakfast, and we headed to Valmorg to get rid of Hiroshi Tennoji and make him pay for what he did, and this time, we'll make sure he gets sent banished to The Black Abyss forever.

Me: WHEW! Man Valmorg is just as hot and brutal as ever.

Xenia: It sure is.

Ymir: You guys weren't kidding where you said it was that hot.

Me: It's over 2,543˚ Fahrenheit out there.

Nico: WHOA! I thought it was over 1,900˚.

Nicole: Our scans show it's hotter than we first thought.

Varie: Geez!

Me: Yeah. It's almost three times hotter than Venus was before. This cave here is the only cool spot here. We can survive in any inhospitable environment actually.

Ymir: Wow!

Jetray: It's fun.

Nico: Jetray, I want to thank you, Ray, and your teams for coming

Jetray: No problem Nico. We're excited for this.

Laurie Lorelai: We sure are.

Nico: Laurie, what do you like to do in your free time?

Laurie Lorelai: I teach flying lessons in school for kids that want to learn how to be pilots.

Sakura Knudson: That is fun. Just like how we used to do in flight camp.

Me: Good times.

Nico: Yeah.

Qin: Those were sure fun.

Gaon: They sure are. WHEW! Man is it hot!

Nico: That's a good job to have.

Laurie Lorelai: It sure is.

Qin: Cool.

Ymir: Yeah.

Kazuma: You guys have been on a roll with eliminating our big baddies haven't you?

Me: Just the ones we have no plans for. The Core Groups Kamen Rider Babbies are sure to strike soon.

Nico: Yep.

Ymir: But who is Hiroshi?

Me: Oh his name is Hiroshi Tennoji. He's the main baddies of Kamen Rider Blade back in 2004. And lets just say that when we learned about Kazuma's story it had a really NASTY bittersweet tale to it.

I went over his history

Hiroshi Tennoji (天王路 博史 Ten'nōji Hiroshi) is the main antagonist of Kamen Rider Blade. He is a rogue chairman of BOARD who intentionally released the Undead and set up the fake Battle Fight for his own ends. His ultimate goal is the creation of the Category Ace Undead Kerberos, so that he could fuse with it and win the Battle Fight himself in order to have his "dream" come true; this warped dream being the creation of a new world order with himself as its ruler.

He is portrayed by Kohji Moritsugu, who is best known for his role as Ultraseven/Dan Moroboshi in the Tokusatsu series Ultra Seven.

Initially believed to be a heroic figure by his subordinates, it is revealed that Hiroshi Tennoji serves as the real mastermind behind all of the tragedies in the entire Kamen Rider Blade series. He is one of the few people who knows about everything connected to Undead. Unbeknownst to his employees, Tennoji harbored ambitions of setting up a new world order dominated by his image, and to this end sought to start up a new Battle Fight in modern times.

As the head of BOARD, Tennoji set up a rigged Battle Fight by releasing the Undead and manipulating his contracted Kamen Riders to take them out. As the battle progressed, he invented the Trials and the Titan Undead, all so he could buy himself time to create Kerberos, an artificial Undead with DNA from all 53 Undead that could surpass the Black Joker itself.

At the climax of the story, Tennoji's true nature is revealed, but the Riders are unable to stop him from creating a card which possesses the DNA of all 53 Undead which he used to create the artificial Category Ace, Kerberos. Tennoji's invention promptly kills his BOARD staff upon being born from the Stone of Sealing before going on a rampage. Kerberos is eventually defeated and sealed by the four Rouze Riders, only for Tennoji to then appear and claim the Change Card of the artificial Undead. He uses the card to transform into Kerberos II so he can eliminate the remaining Undead and claim victory in the Battle Fight, which would lead to the world being remade by the Stone of Sealing with him as ruler.

In a lengthy battle, it took all four Riders to fight Kerberos II, with Blade King Form's Royal Straight Flush and Wild Chalice's Wild Cyclone to defeat Kerberos II and reverse the fusion. Now in a maddened state, Tennoji demands the Riders seal the Giraffa Undead so he can win the Battle Fight and finally achieve his dream of ruling the world. However, the Giraffa Undead instead finished off the defeated Tennoji before taking the Change Keroberos for himself in the fight's aftermath for his own agenda.

When I was done EVERYONE that hadn't heard about it was shocked and horrified!

Ymir: He tried to turn the world into a War World!?

Me: Like how Superman's dangerous enemy Mongul would have done.

Eli: Yeah.

Nico: It would've destroyed everything

Me: Yeah. It would've blown the entire planet into space dust.

Lynn: We first met Kazuma when we were in Agrabah during Day 8 of the 20 Days of Darkness and he helped us. We haven't seen him for another year and a half since then because of it.

Me: We later found him on a planet made entirely out of sweet potatoes.

Ymir: Really?

Kazuma: It's true. They saved me from a fate worse than death.

Kenzie Kenzaki: What Hiroshi did to Kazuma is unforgivable.

Reggie Kenzaki: Our brother went through hell because of him.

Ymir: Oh man.

Me: Yeah and on Evelyn's big day back in 2023, I vowed that I would kill Hiroshi with every ounce of my power and make him suffer for all the shit he put Kazuma through back in 2004.

Nico: And you did

Me: Yes I did. But that was a year ago. I've gotten stronger and more powerful since then.

Nico: He has.

Ymir: Wow!

Qin: We all have and also grew in numbers.

Camie: We sure have.

Evelyn: I will never forgive Hiroshi for what he did in hurting my brother.

Nico: No one's asking you to.

Evelyn: Yeah.

Ymir: I can't believe he's that dangerous!

Nico: I know.

Cassidy: I know. But this will be another one of the Kamen Rider big baddies destroyed.

Me: We've been on a roll with destroying a lot of them lately.

Lana: I'll say! This is always fun.

Nico: It sure is.

Me: Yeah these are all baddies not targeted by the Core 310.

Nico: Darn shame. Would have been awesome to have them included too.

Me: Yeah.

Qin: But it's fun.

Lola: Yeah!

Me: Yesterday's mission was just as awesome too. Man that was epic!

Lisa Loud: It sure was and we destroyed both Lightning and Linnaeus.

Horsea: We sure did

Me: Yep and Lisa, Jared, Leanne you all did very well on your mission.

Jared: Thanks dad. That was fun.

Carol: It sure was. Wow! We really had fun.

Allenby: Yeah! Now it's mine, Gallus and Penelope's turn.

Me: In 6 days.

Nico: Yep. The trial of Carol Linnaeus really was incredible.

Me: It sure was.

Nico: Yeah and J.D. that Turbo Convoy Carrier Zord was awesome and badass!

Me: 10 4 Good buddy!

Motormaster: I loved it!

Me: I knew you would!

Qin: Yeah!

Soji: That was fun.

Potion Nova: That was so awesome.

Nico: Yep. Now we never have to worry about Lightning and Linnaeus again.

Lisa Loud: Indeed.

Me: And the best part is that Yusaku's pain has been erased.

Poromon: Damn straight!

Me: Yeah!

Qin: Whew!

Lincoln: That was intense.

Varie: Yeah.

Nico: It was fun though and we unleashed a massive army of Duel Monsters on them.

Maria: We sure did

Me: Yep. Well we might as well find Hiroshi and battle him now.

Gaon: YEAH! IT'S SO HOT!

Lincoln: Alright, guys, we're here for one intense battle, we're here in Valmorg, and we are here to finish off Hiroshi Tennoji and send him to the Black Abyss.

The rest of the team's with us.

Me: I can't believe Hiroshi's back.

Nico: Me too, I was hoping we'd face him on Evelyn's big day, but it looks like Hiroshi decided to strike first without Anti-Monitor knowing.

Evelyn Burmingham: Either way, he's going to pay.

Reggie Kenzaki: After what he did, he deserves it.

Kenzie Kenzaki: Especially for what he did to my brother and your cousin and the team.

Eli: Damn straight.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln and I turned the tips of our 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them.

Frosta heard a Pokemon cry.

Frosta: Hey look.

We saw a Mega Glaceon!

Me: Cool a Mega Glaceon.

Frosta: Cool.

Mega Glaceon fired an ice beam and it hit May and froze her.

The heat from Valmorg melted the ice.

May: Ahhh! I needed that.

Mega Glaceon: It's so hot here!

Me: It's Valmorg and it's one of the hottest planets we know.

Frosta: Here.

She gave her apples.

Mega Glaceon: Thanks.

She ate them.

Kaito: Damn right it's hot!

Me: Yeah no kidding!

Frosta: Want to come with us?

Mega Glaceon: I would be honored!

Me: Cool!

But then...

WHOOSH!

A MASSIVE BLAST OF FIRE FLEW AT US AND WE ABSORBED IT!

Me: WHAT THE!?

Varie: Fire?

Me: Look!

We saw a Scovillain!

Me: Whoa a Scovillain! That one is spicy!

Nico: How did that get here?

Me: Must be one of Dark Gale's work.

Xenia: Yeah.

Chef Pepperjack: Ooowee! I think I know this one.

He used Telepathy and gasped!

Chef Pepperjack: Well serve me up with Super Spicy Peppers! It's Jolokia Pepperjack! She's my friend that loves spicy food like me. Mmm! And J.D. she loves NUCLEAR spicy cajun food like you do and makes really good food.

Me: COOL! Lets go help her out.

Chef Pepperjack: HOT HOT HOTSAUCE!

Me and Chef Pepperjack went over.

Chef Pepperjack: Jolokia it's me Chef Pepperjack!

All she did was breathe fire and we absorbed it.

Me: Must be too hot for the clones.

Horsea: Yeah it's too hot here.

Me: Okay then.

Me and Chef Pepperjack fired blasts of fire and blasted her down and I snapped my fingers and she reverted back. She was a girl with red hair and red eyes and had fire angel wings and had the Fire Skylanders Symbol on her forehead and had the Fire Skylanders

Symbol with hot sauce and a pepper on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

Me: WHEW! Spicy!

She woke up.

Jolokia Pepperjack: (Groans) What hit me?

Me: Well funny story there.

Chef Pepperjack: Ooowee! Thank goodness you're alright.

Jolokia Pepperjack: Chef Pepperjack! It is you!

She hugged him.

Jolokia Pepperjack: I'm glad you're okay. Whew! Man where am I and why is it so hot?

Me: You're on the volcanic scorching hot planet of Valmorg. It's over 2,500˚ Fahrenheit here.

Nico: It's true.

Jolokia Pepperjack: Geez! No wonder it's so hot.

Me: Also you were turned into a Scovillain by Dark Gale.

Jolokia Pepperjack: (GASP) I remember!

She was in a red suit and injected and in a burst of fire she turned into Scovillain! She blasted out of the lair and ran.

FLASHBACK ENDS

Jolokia Pepperjack: It was awful.

Me: I know. But we destroyed Dark Gale.

Jolokia Pepperjack: Good.

Chef Pepperjack: Me and Jolokia were great chefs together. She promised to help me change if I ever got out of prison.

Me: I see.

Jolokia Pepperjack: That's right. I work as the fire mage and chef of Sonya's team and outside the team I helped the Skylanders battle the forces of Kaos. Also I promised to help Chef Pepperjack.

Me: Cool!

Nico: We already did that.

Me: It was a while back.

Jolokia Pepperjack: I see.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new red clothes and a fire sword.

Jolokia Pepperjack: I look great!

Me: You sure do. Now we got a mission here and then we'll head back to Earth and cool down.

Gaon: Good. I don't want to stay on this planet! IT'S SO HOT!

Juran: I'm sweaty.

Me: I know.

Lincoln: (Sensed for Hiroshi) AHA! There you are! I just found Hiroshi, he's 200 yards away, but he has Undead with him!

We were flying in the air, and we saw our target: Hiroshi Tennoji.

Hiroshi went mad and charged at Lincoln, but Lincoln went wild on him as he punched, kicked, and slashed at him like a wild beast, and he left bleeding scars on him.

Me: Holy shit! He's going wild on him! GET EM, LINCOLN! TEAR HIM TO PIECES!

Then, Lincoln fired five massive balls of fire from his left hand and they orbited around Hiroshi, and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more.

Then, he also fired lava blasts that hit Hiroshi and exploded as he got burned and was sent flying into a volcano. Lincoln followed and he dived into the volcano, and he absorbed Valmorg's infinitely forming and generating lava in the volcano making him even stronger than ever, and he forced Hiroshi out.

Valeriana Valmorg: Whoa! Lincoln absorbed some of Valmorg's infinitely forming and generating lava in the volcano making him even stronger than ever!

Finally, Lincoln formed a massive orange fireball and massive blue fireball in his left hand and he threw them down, and it sunk into the ground unleashing a storm of lightning bolts and raging orange fire and blue fire, and...!

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Hiroshi, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BURN IN HELL FOREVER!

Lincoln, Nico, and I did one final powerful energy slash that hit Hiroshi hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Hiroshi was on his last legs and he was really really mangled.

ZIP! SLASH!

Then, Lincoln ran at Hiroshi with superhuman speed and he slashed at Hiroshi with his massive greatsword which removed Hiroshi's powers and made them his, and we fired a massive energy beam that hit Hiroshi and destroyed him and he was sent to The Black Abyss forever.

We cheered as we holstered our weapons and powered down and Evelyn Burmingham's new body, clothes, weapons, jewelry, Third

Evelyn Burmingham: And that is that.

Me: And that's another Kamen Rider main enemy has been put down.

Nico: Yep.

Lincoln: That's for sure, Hiroshi got what he deserved, but the others are still out there, but we'll be ready for them.

Nico: NOW we can go

We teleported back and we were in the park.

Maria splashed many of us with water.

All of us: AHHHH!

Nico: Whew!

Steam came off of us.

Me: Ahh! That was refreshing.

Camie: WHEW! Man was that hot.

Ymir: It sure was!

Dina: I can't believe it's that hot on Valmorg.

Iormu: You're telling me.

Sunny Starscout: Here guys. Want some smoothies to help?

Sunny gave us smoothies.

Me: Oh thanks Sunny.

We had some.

Me: (Slurps) Ahh! Mmm! Peach Kiwi-paya berry. Yummy.

Qin: But going to Valmorg was fitting because of meeting Jolokia.

Xenia: You said it.

Varie: I agree.

Nico: Nice job, Mega Glaceon

Mega Glaceon: Thanks Nico. That was awesome.

Nico: It sure was.

LOUD NASTY HUGE BELCH!

Sissi belched our a huge stream of fire!

Jolokia Pepperjack: I made Sissi some of my ghost chili chicken perogies with my Cajun Carolina Reaper Cream Sauce.

Sissi Delmas: (Wheezing) They are spicy but really delicious.

Me: Yummy.

Nico: Wow! She likes it nuclear hot.

Me: Yep.

Poromon: Want some beer Mega Glaceon?

Mega Glaceon: Oh no thanks I don't like the taste. But do you have any Irish Cream?

Me: Ooh you like it good.

I gave her some Bailey's Irish Cream.

Mega Glaceon: Thanks.

She drank it.

Poliwag did puppy eyes.

Poliwag: Pwetty pwease?

Nico: Poliwag that's enough and Irish Cream already has alcohol in it.

Poliwag: It does?

Me: Yep. See? It's got Irish Whiskey in it.

Poliwag: Oh!

Poromon: We're gonna try something later.

Homer: Beer robots?

Me: (Sighs) No Homer we'll let you know about that. Pinkie said she's working on something huge for me, Sakura and the mascots.

Pinkie Pie: It's my secret fun plan for you guys!

Nico: What is it?

Pinkie Pie: Can't tell you that silly! (Exaggerated whisper) It's a secret.

Me: It's at Sweet Apple Acres. so we're really excited for this.

Nico: Cool. Oh, Jetray, what do you like to do in your free time?

Jetray: Well I actually haven't given it some thought.

Nico: Hmm.

Jetray: But I do want to help with a new attraction at Neo Phoenix Land. Give kids flying rides.

Me: Ooh that works. They will love that.

Nico: Now for the Anothers.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Sheila.

Sheila: Another me? Wonder who it will be.

Lincoln: We'll find out soon.

Eli: Right.

Me: So we got Another Ray (TMNT: Mutant Mayhem), Captain Yumi the Sky Pirate, Zentra, Sundowner (X-Squad Universe), Setor and Wolfman (Jungle Fury).

Qin: Yep.

Me: That means that Jetray, Laurie Lorelai, Janelle Seis, Aera Aeropela, Hailey Halse and Valerie Varoduru are up.

Qin: Yep they sure are.

Lola: Yeah!

Eli: (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillion bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Nico: There they are!

We saw Another Captain Yumi the Sky Pirate, Zentra, Sundowner (X-Squad Universe), Setor and Wolfman (Jungle Fury)!

Me: WHOA!

Nico: This will be good.

Another Captain Yumi: It sure will.

She reverted back and it was the gene-slammer of Takubee.

Nico: (GASP) Tara Takubee!

Tara Takubee: Good to see you Nico.

Nico: You too.

Me: Takubee's gene-slammer. Awesome.

Tara Takubee: It sure is.

Me: Yep. By the way are the rest of the Anothers friendly or hostile?

Tara Takubee: One is friendly but the Another Sheila is neutral.

Me: Uh oh.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Nico: And now, we wait.

Me: We don't have to wait long!

We saw Another Ray and Sheila and the Another Sheila was really crying her eyes out.

Me: Uh oh. This must be really bad.

Nico: Yeah.

Another Ray: My friend here has REALLY had it rough.

She reverted back and was the gene-slammer of Red-Eyes Moon Dragon!

Nico: (GASP) Redha Akatsuki!

Redha Akatsuki: Good to see you Nico!

Me: Wow! Red-Eyes Moon Dragon's gene-slammer. Wait your last name is Akatsuki. Are you related to Akira and Hikaru here?

Redha Akatsuki: No I always get asked that every time. I may share the same last name but we are not related by blood.

Akira: That would have been really cool.

Me: It would.

Redha Akatsuki: Yeah. I have all of Ray's powers though too.

Ray: Cool!

Nico: And your friend?

Me: Yeah what's wrong?

Another Sheila: (Crying hard) It's because of this!

She reverted back and was a girl with dark green hair and had blue eyes and had tattered clothes and black angel wings and she had a black eye and was covered in horrible cuts and bruises and was really beaten up!

WE GASPED!

Sheila: (GASP) Oh my god! Ellie Fecalman!

Me: Oh my god!

Nico: What the fuck happened!?

We brought her over and patched her up.

Varie: Man these injuries are bad!

Me: My god! Ellie what happened to you?

Ellie Fecalman: It's my husband!

Me: Oh man! This is domestic violence on a whole new level. Wait! Fecalman? As in Jeff Fecalman!?

Ellie Fecalman: Yes! How did you know?

Me: That was Brenda Quagmire's ex-boyfriend! We sent him to prison!

Nico: Was this a long time ago? Because he's already serving community service as Bruce's security guard after we sent him to jail in 2022. We don't expect you to forgive him though.

Ellie Fecalman: Here.

She gave us a picture of Jeff and with him was a carbon copy of him with a goatee.

Me: Hmm. There's Jeff but who is that with him? Joe do you know?

Joe Swanson: Lets see. That's his twin brother Ryan! He's even worse than Jeff and he has a really nasty RAP sheet.

Sheila: Yeah he was convicted of beating up Ellie bad back 6 months ago!

Me: Oh that's his twin brother! No wonder they look alike.

Nico: That makes sense.

Eli: I'll make him pay for this!

Kaito: (gets out Kyuranger gear) Did Swartz promise you anything?

Zocks: (gets out Lupinranger gear) Because we can grant it instead.

Chloe Bourgeois: (gets out Patranger gear) Zocks, I'm helping out too.

They got weapons from said teams.

Redha Akatsuki: No he didn't on my part. But he promised to have Ellie's so-called husband killed.

Me: Well we can do that by throwing him in jail.

Sougo: (gets out Kyuranger Ridewatch): We should inform Jeff about this

Geiz: (Gets out Lupinranger Ridewatch) But when?

Tsukuyomi: (gets out Patranger Ridewatch) Probably not today

Sougo got ShishiRedArmor, Geiz got LupinRedArmor, and Tsukuyomi got Patren1gouArmor.

Me: We'll do it later. Right now lets get this done. Maybe after the main mission is done we can tell him.

Nico: Good idea.

Ellie Fecalman: Thanks guys.

Me: Anytime. You need to divorce that jerk right now. He is a toxic one and your marriage to him was doomed from the start.

Ellie Fecalman: You're right.

Nico: And we'll keep you under our protection to make sure he doesn't try anything.

Ellie Fecalman: Thank you.

She took off her ring and gave it to me.

Me: Thanks Ellie.

Lincoln: Lets separate you girls.

We did so.

Me: Lets dance.

Nico: (Gets out Ray (TMNT: Mutant Mayhem's ridewatch) Time to shine!

May: (Gets out Zentra's ridewatch) I will freeze you!

Universe 666 May: (Gets out Sundowner (X-Squad Universe) Ridewatch) This will hurt bad!

Maria: (Gets out Setor's ridewatch) I will bring the pain!

Laurie Lorelai: (Gets out Captain Yumi's ridewatch) Time to fight in the sky!

They used the powers of Ray (TMNT: Mutant Mayhem), Captain Yumi the Sky Pirate, Zentra, Sundowner (X-Squad Universe), Setor and Wolfman (Jungle Fury) and blasted the Anothers.

Me: YEAH!

Then Launch Octopus, Hydraka, Chameleon Zodiarts, Spy Army Leader Rikki, Bikini Bottom Wolfman, Phantom Tails and Phantom Balloon Toad came.

Me: WHOA!

Nico: Nice team Launch Octopus!

Launch Octopus: Thanks Nico.

Me: That means Roll is up next.

Roll: I sure am.

Me: Cool!

Then junk food and moons and stars swirled around and out came Number 36: Chronomaly Chateau Huyuk and Number 35: Ravenous Tarantula!

Me: WHOA! Number 36: Chronomaly Chateau Huyuk and Number 35: Ravenous Tarantula!

Nico: Wow!

Number 36: (In a girls voice) (Arabic Accent) Looks like the fun is about to start.

Number 35: (In a girls voice) And I'm really hungry!

Nico: Ela Erdogan and Raven Rextora! Wow!

They reverted back.

Ela was a girl with blue hair, blue eyes and blue clothes and wings and had Number 36: Chronomaly Chateau Huyuk on her forehead, skirt and shirt and she had the Flag Map of Turkey with the Blue Mosque and a Crescent Moon on her arm as a cutie mark and had a fire sword.

Raven was a girl with magenta hair, yelow eyes and brown and purple wings and had magenta clothes and had Number 35: Ravenous Tarantula on her forehead, shirt and skirt and had a pizza, cheeseburger, hot dog, chicken sandwich, rib sandwich, pulled pork sandwich, grilled cheese sandwich and chili fries on her arm as a cutie mark and had a pizza magisword.

Ela Erdogan: Good to see you Nico my friend.

Raven Rextora: After this lets eat. We got this.

Ela Erdogan: 36 HISTORY BLASTS!

Raven Rextora: 35 RAVENOUS PIZZA BLASTS!

They fired waves of energy and blasted the Anothers and I caught the ridewatches and purified them.

Me: Yeah!

Nico: Nice job!

Me: Yeah! Wait Raven you're the legendary Goddess of Junk Food! You make all kinds of Junk Food.

Raven Rextora: That's right! Ben want some chili fries?

Ben: (Drools) You know it!

She made him a massive bowl of Chili Fries

WE LAUGHED!

He ate them.

Me: Boy you should have seen what Number 35 did to the Poi Brothers when we met them in Hong Kong. They couldn't stop eating and were as bloated as sumo wrestlers.

Raven Rextora: I can understand why. Ravenous Tarantula does have the power to make people really hungry like me.

Me: Yep. Do you girls have any good memories of Nico?

Laurie Lorelai: I was supposed to ask that but it would be silly asking you that because we know Nico.

Ela Erdogan: I know that. But yes we do. Mine is where we learned all about the temple of Göbekli Tepe.

Jessie Knudson: WOW! That's an old temple in southwestern Turkey that is over 12,000 years old.

Ela Erdogan: It is and it's a really amazing place.

Me: Wow! That is amazing! That was before the start of Egypt.

Nico: Yep.

Raven Rextora: Mine is where me and Nico had a chicken sandwich eating contest and we both were tied in it.

Me: Whoa! You have the gargantuan appetite of Saiyan.

Raven Rextora: I sure do.

Nico: Yep.

Nico hugged them.

Nico: I've missed you girls.

Ela Erdogan: We did to Nico.

We later went back home.

Lincoln's going to absorb all of them and suck in and absorb the core of the planet.

But, before Lincoln absorbs the core of the planet, we're also going to kill our main target: she's an evil ex-girlfriend of mine, her name is Haru Desdemona, she is one absolutely deranged bitch, and she's a lunatic with a sick habit of hers: she sprays pesticide on the reproductive organs of men which destroys their ability to get a girl pregnant. The bitch sprayed pesticides on the males' private parts and destroys their ability to get a girl pregnant, and many of the boys had all of their chances to start a family because of her, and many of them...killed themselves! She said she did this to see if they were strong or weak. But, she was completely insane if she thinks that sort of thing would work, and she tried to do it to me, but I broke her wrist and Varie slashed her stomach with her sword. Varie and I and our friends told the principal, and with evidence of what that insane bitch did, she was arrested by the cops and taken to court, and combined with the testimonies of the deceased boys' parents and because she had no remorse, she was found guilty, and she lost it and swore we'd pay for this. She broke free from the cops and tried to stab me, Varie, and our friends with a knife, but you kicked her in the stomach and sent her flying into a wall. The cops tied her up in a straitjacket and sent her to prison where she'd spend the rest of her life in Solitary Confinement. Her parents who were narcissistic hypocrites and just as evil as her were pissed off at what happened and they tried to kill us for what they did to their daughter, but we took them down and after being found guilty of attempted murder, they got 65 years in prison without any chance for parole, and a week later, they died from a heart attack.

Now, years later, we got word that Haru Desdemona was sighted on the planet Infernaira, so before Lincoln absorbs the core of the planet after he absorbs the Infernairans, we are going to kill Haru Desdemona and send that insane bitch to The Black Abyss forever! She's going to suffer the vengeance of the male population for her insane habit!

We had all of TLPS and The MOE with us.

Lincoln: Whoa! We're here on Planet Infernaira, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're going to face The Infernairans, the extremely hulked-out male and female warriors with extremely deadly anger issues and power over fire and gamma radiation and who have the ability to grow even stronger the angrier they get, and they're a danger to the entire universe due to their deadly anger and rage. I'm going to absorb all of them and suck in and absorb the core of the planet.

Nico: This place is indeed really dangerous.

Me: You said it, but before Lincoln sucks in and absorbs the core of the planet, we're going to kill Haru Desdemona, my ex-girlfriend who's an absolute lunatic.

Varie: This has been a long time coming. I knew she should've been put down for good, but you chose to let her live with her choices, and that was the right thing to do.

Jetray: But, given what you told us yesterday, she's not going to learn.

Lincoln: With her damaged mind and excessive insanity, I doubt it.

Suddenly, we heard loud bellowing roars, and we saw red-skinned and extremely hulked-out males and females heading for us.

Caleb Maxwell: Shit! Here they come!

Lincoln: Time to feed.

Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the male Infernairans, and he began absorbing them and he assimilated their powers over fire, lava, and gamma radiation, and power to get stronger the angrier he becomes, extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man! This is really feeling good! RRGH!

At the same time, the male Infernairans began shrinking in height and muscle mass as their nextremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, extreme levels of testosterone, and powers were being sucked out of them one at a time and was pumped into Lincoln.

Then, when Lincoln was done and the stingers changed back, nothing was left of the bodybuilders except for their loincloths, and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like an Alpha Male gorilla.

This angered the female Infernairans as they went after Lincoln in pure rage, but he in turn absorbed them and assimilated their powers and made them his own, and he drained their souls of energy and sent them to The Black Abyss.

Lincoln: (GROWLS) Oh man, that was really incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming) I feel even more stronger and more powerful than ever, and soon, I'll absorb the core of the planet and the red sun of the planet as well. (CRACKS KNUCKLES) Alright, now let's find that screwed-up lunatic, Haru Desdemona, and tear her in half.

Me: Payback's coming for you, bitch! And it's gonna hurt like Hell!

We then took off, and we soon heard deranged insane fucked-up cackling, and we saw our main target: Haru Desdemona, and she matched what everyone saw in her mugshot.

Varie: UNREAL! J.D., Eli, Ymir, Camie, Nico, and Lincoln's speed and reflexes are still even faster than ever!

May: I can't keep track of their movements and they're even more stronger than ever! Look at how they're continuing to smash the insane bitch all over the place!

Qin: She doesn't stand a chance due to Lincoln's rapid evolving and extremely incredible godly superhuman speed and reflexes overpowering her, now he's at the mercy of The True Alpha Vampire-Werewolf Hybrid Angel of Gotham Royal York.

Luna: Along with J.D., Nico, Ymir, Camie, and Eli.

Then, Lincoln fired blasts of elements and energy at Haru Desdemona and she got beaten up real good and she was mangled!

Then, Andre Lupescu shot at Haru Desdemona, then, Andre Lupescu slashed at her with his massive greatsword, same with Abaddon Aeternus doing the same thing to Haru Desdemona.

massive greatswords and transformed, and we went after Haru Desdemona and we fired blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they explode with incredible power as they hit her.

Then, Lincoln fired a blast of gold spider silk and tied Haru Desdemona up, and then, he flew deeper and deeper into the planet, and then, he found it: the core of Planet Infernaira, the inner and outer cores of the planet consisted primarily of iron and nickel and is extremely neon red hot with the temperature at 999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Infernaira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space, and then, he flew into the planet's neon red Sun, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing The Sun of Planet Infernaira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and

phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well. We powered down and returned home as Lincoln's final surprise triggered: we saw a black hole appear and it destroyed Haru Desdemona and she was sent to The Black Abyss, and we saw it on the telescope.

Nico: Nice one with the black hole, Lincoln.

Me: I had no idea you can create black holes, guess that's a result of your powers evolving even more, and you had quite a feast absorbing the Infernairans, absorbing their planet's core and planet, and its neon red sun.

Lincoln: You bet I did. Those Infernairans were fierce.

Fasha: And a reason why we stayed away from them, but you finished them off and absorbed them, their planet, and their Sun.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long dark red hair and black hairband in her hair, red eyes, massive black angel wings, she has the Wrath symbol on her forehead, right arm, and skirt, black sleeveless strapless top, black skirt with The Pot of Wrath on it too, black Gothic stockings, dark pink fingerless gloves, black knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, darkness, phoenixes, and angels on the coattails, and on the back is The Pot of Wrath, and with her are the seven girls.

Lincoln: (GASPS) Adrienne Nightshade, Avatar and Gene-Slammer of The Pot of Wrath and Deadly Princess of Wrath.

Adrienne Nightshade: That's right, and I got the girls away and saw the whole thing go down.

Nico: Especially with what happened right now.

Me: Along with Lincoln absorbing the planet's Sun and core.

Lincoln: And used that black hole attack to destroy Haru Desdemona and sent her to The Black Abyss. (To Adrienne Nightshade)And it's so good to see you again, Adrienne.

Adrienne Nightshade: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Adrienne Nightshade had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Adrienne Nightshade was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Adrienne Nightshade: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Adrienne Nightshade's waist and hugged her, and Adrienne Nightshade is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Adrienne Nightshade: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 19-year-old 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Mara Lucifer: And so do we, this is Adrianne Nightshade, Avatar and Gene-Slammer of The Pot of Wrath and Deadly Princess of Wrath, she's Lincoln's Guardian Angel from Las Vegas and Adriana Nightshade's youngest sister, she's a powerful and extremely deadly dark angel who was born with the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, blood, and the powers of Wrath. She's known as The Deadly Princess of Wrath and Avatar and Gene-Slammer of The Pot of Wrath, and she's a member of The Seven Deadly Princesses of Sins, a group of Lincoln's Guardian Angels who have the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the individual powers of The Seven Deadly Sins of Lust, Greed, Gluttony, Wrath, Pride, Envy, and Sloth, and they've used them to make those guilty of these sins pay with their lives. Adrianne Nightshade has the power to make the anger and wrath of those who are the most angry and murderous even more angrier and wrathful than ever, but that'll lead to Lincoln sucking them dry of their anger and wrath and turns it into pure raw strength, energy, and power which'll kill them and allow her to send them to The River Phlagethon and The Circle of Anger. Adrianne Nightshade moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, blood, and the powers of Wrath, and over time, Lincoln gained Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, blood, and the powers of Wrath, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge, and she also knew about Lincoln stealing from Flip who was the greediest of all his enemies and returning his stolen goods to his victims, and she also made Flip her favorite target along with his entire family. Lincoln made her a darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, she's also great friends with Lucy and her friends, and she hates Lynn with a blazing passion, and she swore if she saw Lynn again, she would use her powers to make Lynn's dangerous anger and wrath even more dangerous than ever, so that Lincoln can suck her dry of all her anger and wrath and make her more well-behaved, but if not, she'll finish the job and kill her and send her to The Circle of Anger and make her burn forever in The River of Blood.

Me: Lincoln told us everything about you. So, you have the power to make the anger and wrath of those who are the most angry and murderous even more angrier and wrathful than ever, but that'll lead to Lincoln sucking them dry of their anger and wrath and turns it into pure raw strength, energy, and power which'll kill them and allow her to send them to The River Phlagethon and The Circle of Anger.

Adrienne Nightshade: That's right. Come here you!

Adrienne Nightshade got out the King of Infernaira and she made him even angrier and wrathful than ever, and Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of the King of Infernaira, and he began absorbing him and he sucked him dry of his hanger and wrath and turned it into pure raw strength, energy, and power and he assimilated his powers over fire, lava, and gamma radiation, and power to get stronger the angrier he becomes, extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and red energy was flowing into his veins, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man! This is really feeling good! RRGH!

At the same time, The Infernairan King began shrinking in height and muscle mass as his extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, extreme levels of testosterone, and powers were being sucked out of him and was pumped into Lincoln.

Then, when Lincoln was done and the stingers changed back, nothing was left of The Infernairan King except for his loincloth, and

Lincoln drained his soul of energy and sent him to The Black Abyss and he pounded his chest like an Alpha Male gorilla.

Me: Whoa!

Lincoln: Yep, whenever I suck out someone's anger and wrath, I convert it into pure raw strength, energy, and power which makes me even stronger than ever, and now that you're here, Adrienne.

Lincoln with his massive muscular arms still wrapped around Adrienne Nightshade's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Adrienne Nightshade: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Adrienne Nightshade with red gems on the gold lightning bolts and red crystal links and jade beads from her

merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Adrienne Nightshade: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Adrienne Nightshade.

Adrienne Nightshade had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Adrienne Nightshade's waist, and he leaned down to her face and kissed her on the lips, and with Adrienne Nightshade's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Adrienne Nightshade had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Adrienne Nightshade: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The nine girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the seven girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the seven girls are Chaco Yutani from Tobal, Solis R8000 and Remi Otogiri from Groove on Fight, and Mariabelle, Cecile, Mei, and Sakura Mochida from Yandere Dark Elf: She Chased Me All the Way From Another World!

Lincoln: Oh whoa, it's Chaco Yutani from Tobal, Solis R8000 and Remi Otogiri from Groove on Fight, and Mariabelle, Cecile, Mei, and Sakura Mochida from Yandere Dark Elf: She Chased Me All the Way From Another World!

Nicole: So, those were the girls Adrienne saved, and Travis and Red were right telling the others to run to their rooms: they're sexy.

Lincoln: And easy targets for perverts and rapists, which I won't let happen. Are you girls okay?

Chaco Yutani: Yes, we're okay, thanks to you.

Then, when Chaco Yutani and the other six girls saw who it was that saved them from The Infernairans and Haru Desdemona, their faces turned atomic red upon seeing the 12'9" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and intense rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun and four large orbiting gold Yata no Kagami mirrors on each corner with The

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, along with the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Remi Otogiri: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chaco Yutani, Solis R8000, Remi Otogiri, Mariabelle, Cecile, Mei, and Sakura Mochida with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: Okay, that was one dangerously infernal rescue.

May: That's for sure. I hope never to visit a planet like that again.

Lincoln: Don't be so sure, there are many other planets in The Forbidden Zone, some abandoned as their inhabitants were defeated and their souls were imprisoned in wells for me to head to and absorb along with their planets' cores and Suns to preserve their knowledge and history as my room expands even more, and there are planets in The Forbidden Zone that are like Infernaira: hostile, dangerous, and deadly whose inhabitants need to be absorbed and the cores of their planets absorbed, and all of their power and knowledge is given to me.

Nico: So, there's more planets in The Forbidden Zone?

Me: If so, this should be awesome, and I'm finally rid of Haru Desdemona.

Eli: Still, she was one dangerously insane monster.

Varie: I still say we should've killed her years ago.

Lincoln: No, J.D. made that choice to send her to prison years ago, he wanted her to pay for her crimes in prison, but she didn't learn, and this was the price she had to pay.

After Lincoln absorbed the Infernairans and absorbed the core and red sun of Infernaira and he and all of us got rid of Haru Desdemona forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Adrienne Nightshade saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Adrienne Nightshade: My God, I was right that Lincoln's really grown into a 12'9" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Adrienne, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Adrienne Nightshade: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Adrienne Nightshade: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, James Blunt got out a videotape.

James Blunt: Now, this video I have here, this was taken three weeks after Caleb drove his no-good lousy younger brother out of West Virginia, we would meet his friend, Darren Reynolds, the rich kid whom Caleb saved in 1985 when Drake kidnapped him, and he would tell us what happened eight years after Caleb died. But, I'd also meet Captain Whitten as well, and when he saw Caleb again, it would lead to more of Caleb's past coming out.

James Blunt put the tape in and it played on the monitor and it showed West Virginia in 1993, it'd been three weeks after Caleb drove Drake out of West Virginia and back to New York.

Past James Blunt: I hope this is the last time trouble from New York tries to come after you.

Past Caleb Maxwell: It won't. No matter how much I pray, the past always finds a way to come after me.

James Blunt put a comforting arm around Caleb Maxwell.

Past James Blunt: I know. It's going to be okay, Caleb.

Suddenly, Caleb saw a familiar figure in town.

Past Caleb Maxwell: My God. That's Darren Reynolds.

Past James Blunt: A friend of yours?

Past Caleb Maxwell: Yes. He was one of my friends in New York University. In 1985, he got kidnapped by Drake Maxwell and taken to an abandoned apartment with a dark and haunted past where he was beaten and starved for two weeks. I rescued him and got him to my family's apartment while also avoiding Cage and Travis, we attempted to call his parents, but then, the cops arrived with his parents in handcuffs. Darren told me they were going to sign onto a deal, and he suspected The Syndicate, considering my history with my father and brother, but he also suspected The Big Claw Gang. When I rescued Darren, he told me, this business deal his parents were going to make with The Syndicate was actually a trap set by Drake Maxwell to kill them and get their money and business and kill him too. We told the cops, but his parents didn't want to believe it and his mom made a condescending remark of me being an insect and said I should've been killed by Drake long ago. I was so mad, I wanted to murder that old hag, but Darren saw their toxicity for himself and he made arrangements to get control of their wealth and business, and he cut all ties with them. They were taken to prison, but I don't know if they're still alive.

Past James Blunt: I see, but what is he doing in West Virginia?

Past Caleb Maxwell: I don't know. But, it's time to find out.

They headed out to meet with Darren Reynolds, who was meeting with businessmen from West Virginia.

Past James Blunt: Is that him.

Past Caleb Maxwell: It's him. It's been years since that night, and he's since been taking charge with running his family's business after restructuring everything after his parents got sent to prison. Now, we need to find out why he's here in West Virginia, this is more than just a business trip.

Suddenly, James Blunt spotted a figure heading for Darren Reynolds.

Past James Blunt: Oh crap. Caleb, we got an assassin heading for Darren.

Past Caleb Maxwell: What?

Caleb Maxwell summoned his guns.

Male: You piece of shit! This is where you die! This is for throwing your parents in prison!

The male was a white-furred cat with black hair, black tail, and dressed in the clothes of a thug, and he had a knife in hand, but then...!

BANG!

A GUNSHOT RANG OUT AND THE MALE WAS HIT IN THE LEG!

Past Caleb Maxwell: That wasn't even from me, I didn't even shoot him.

Suddenly, Caleb saw who it was that shot him, and his head throbbed in pain as he clutched his head.

Past James Blunt: You know the man who shot him?

Past Caleb Maxwell: I do, that was Captain Don Whitten of The NYPD Nightshift. We go way back to the day I discovered Drake being the second-in-command of The Syndicate and Dad being the head of The Syndicate in 1984. It was there I joined the police academy when I got to New York University in my first year, and I trained a lot in the field. We had kept in contact for years and he always had updates with Dad and Drake, and I was one of the determined students in that new group of cadets. But, in 1985, during my second year and what would be the final day of my life, I did a lot of things that would churn your stomach, I killed two of Drake's top bodyguards, Ryan and Trevor Daniels, and the night I encountered Drake and his thugs, I suddenly let out a scream that shook Heaven itself, the bowels of Hell, and all of New York, and possessed by bloodlust and a desire for revenge, I shot Drake in the stomach thinking I killed him. But, he was still alive, and he underwent surgery which took him six days to recover, and on those six days, he'd have his revenge on October 31, 1985.

Past James Blunt: Damn...

Past Caleb Maxwell: I realized that if I were to be possessed by bloodlust and revenge, I would do something that would mean crossing a line of no return, and my efforts would be for naught for within the next year, I would be dead. So, with a heavy heart and broken mind, I resigned from the police academy, and when I told Captain Whitten everything, he...he just offered me some water and we spent most of the day talking.

Caleb Maxwell had tears in his eyes.

Past Caleb Maxwell: I'd let the entire NYPD down, my future went up in flames, I'd lost that and my life on that night in 1985. Drake, if I ever see you again, I will kill you.

Past James Blunt: Caleb...

Then, they saw the male assassin tried to get up, but Caleb rushed in and...!

Past Caleb Maxwell: STAY DOWN!

POW!

HE KNOCKED HIM OUT COLD!

But, then, Captain Whitten was about to take action.

Past Darren Reynolds: Wait. Who are you, and why were...? (Suddenly sees Caleb's guns) Oh shit, it's you, Caleb Maxwell.

Captain Whitten lowered his gun.

Past Captain Whitten: Caleb...?

Past Caleb Maxwell: I guess I knew it was a matter of time before we would meet again, eight years had passed since the night I was killed.

Past Captain Whitten: Yes. I didn't expect you see here after you went with that man in 1993 on the night of your return.

Past Darren Reynolds: And as for why I'm here, it was more than just business. I knew my parents had assassins out for my head, so I used my business trips as a means to lure them out, but for this guy, I asked Captain Whitten to help, but I also didn't expect you to come out to attack him as well.

Past Caleb Maxwell: I knew your parents were scum, but this...! Now, they have gone too far, and to also get one of my brother's associates involved, isn't that right...(Turns to the assassin) Douglas Matthews?

Caleb Maxwell grabbed Douglas Matthews by the throat and dragged him to the deep part of the woods.

Past Captain Whitten: Caleb, what are you?

Then, James Blunt came out.

Past James Blunt: I'd advise not to get close to Caleb when he's like that, he told me everything that he went through.

Then, Caleb Maxwell threw Douglas Matthews and used his dark powers to tie Douglas to a tree.

Past Douglas Matthews: W-what are you going to do to me?

Past Caleb Maxwell: What I should've done years ago. So, you tried to kill Darren because you were hired by his parents in prison, and if anyone else got in your way, you'd kill them too. Don't you have any remorse at all for your actions?

Past Douglas Matthews: Remorse?! HAH! Like I'd have any remorse, I can do whatever I want, The Syndicate will rise again!

Past Caleb Maxwell: That's not happening ever again. The Syndicate died the night your stupid boss killed me back in 1985, shithead!

SQUELCH! SCREAM!

CALEB MAXWELL RIPPED OUT HIS LEFT EYE, AND THEN, HE BROKE DOUGLAS' FINGERS!

Past Caleb Maxwell: I've had enough. Time to die.

Caleb Maxwell got out his guns, and he started shooting at Douglas' arm's first, and then, he also fired at his legs and thighs, as he screamed in pain.

Past Captain Whitten: What the Hell? Why is Caleb now this absolute sadist?

Past James Blunt: I think you can blame one person responsible for causing his heart to turn dark with hatred.

Past Darren Reynolds: Drake Maxwell.

Suddenly, he cracked.

Past Douglas Matthews: Please, stop this! I'm sorry!

Past Caleb Maxwell: Oh, so now you feel remorse?

Past Douglas Matthews: Yes, I do. Please..., stop, I'm gonna die!

Caleb Maxwell lowered his guns.

Past Douglas Matthews: Oh, thank you. I'm a changed man, I learned my lesson, so please let me go.

Suddenly, Caleb had a sadistic smirk on his face.

Past Caleb Maxwell: Too bad, buddy.

Then, he shot Douglas in the stomach.

Past Douglas Matthews: Agh! Why?!

Past Caleb Maxwell: We're just getting started, you already got a chance to set things right years ago, it's not my fault you didn't take it!

Douglas Matthews screamed in terror!

Past Caleb Maxwell: Well, I guess I can call it a day. After everything you did, this is what you deserve!

ORGAN MUSIC PLAYS

Caleb Maxwell walked towards Douglas Matthews as his eyes turned crimson red and he raised his guns again, and...!

Past Caleb Maxwell: TIME TO DIE, BITCH! ROT IN HELL!

BANG! BANG!

CALEB MAXWELL SHOT DOUGLAS MATTHEWS IN THE CHEST AND HEAD KILLING HIM AND SENDING HIM OFF TO HELL!

Past Darren Reynolds: My God...

Past Captain Whitten: Oh dear Lord...! Caleb, what did you...?

Past Caleb Maxwell: This is what I've become. My perceptions of justice and the law have changed: the law is there to punish offenders, but there are those who show no remorse for their crimes and they still do the same thing over and over again: killing the innocent for no reason, hurting others for their own selfish reasons, and thinking they are above the law. Those kinds of people are pieces of shit who don't deserve to live, they deserve only to die!

Past Darren Reynolds: (Thinking) Caleb, what did Drake do to you?

Past Captain Whitten: (Thinking) So, this is another reason why you withdrew from the academy that day eight years ago. Drake, you've got a lot to answer for. If Caleb catches you, he's gonna finish what you began all those years ago back in 1979.

Past James Blunt: 1979, could this have been when the physical attacks began? I remembered seeing some scars and bruises on him that were much older. Was he in his last year of middle school when it happened?

They were suddenly stunned, but nodded slowly. But, then, Caleb set the body ablaze as he conjured a dark ball of hellfire as the body burned to ashes as the video ends.

Me and Nico: OH MY...! (BARFS)

WE BARFED!

Eli: I cannot believe you did that! You murdered that piece of trash right in front of Captain Whitten and your old friend, that was just horrific!

Shadow the Hedgehog: Even I was pretty disturbed by that display of violence. But, from what we'd seen, you did say you weren't the same person from long ago.

Caleb Maxwell: Exactly.

Lincoln: Did Mr. Blunt wipe their memories of that day?

James Blunt: Yes, I did. But, the memories of seeing Caleb again would remain because of their ties to him: the only healthy ties he had with those who he cared for, not the toxic ties to those who'd wished him harm.

Carla Claw: Hey, we didn't...!

James Blunt: Don't even try to lie, Carla Drake. I know you nor the others didn't wish him harm, but your boyfriend did harm him, and if I hadn't saved him that day, Caleb's blood would've wound up on the hands of you and your gang, and you would've been his next victims.

Shroud: Hah! We would've taken him down!

Caleb Maxwell: You! You think a pathetic little street shrimp like you could take me down, or worse, even kill me?! You know of who you're dealing with!

Caleb's voice turned murderous and demonic as the skies turned red and Shroud pissed his pants!

Me and Nico: YIKES!

Travis Tackett: Damn. I hadn't expected you to turn murderous yet again, Caleb.

Cage Blunt: (Smirks) I did. (To Shroud) You may think he's finally through with his past coming back to haunt him, but that's a fatal mistake. I've seen the murderous side of Caleb before in the past in

1985 and it got darker when he came back, and even that is enough to send chills down the spines of vampires. So, don't think you can take him down in a fight because he will end you without a single sign of hesitation.

Shroud was about to give Cage the finger, but when Caleb pointed his gun at his head, that shut him up.

Sally Gamble: (British Accent) Well, that was rather...interesting.

We got a shower, and then, Lincoln, Ragatha and Princess Loolilalu are heading to Laverra Beach.

Lincoln snapped his fingers, and the 12'9", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Ragatha and Princess Loolilalu were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Ragatha and Princess Loolilalu had feelings for Lincoln, and he also had feelings for them and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Ragatha: Wow, so this is Laverra Beach, it sure is beautiful.

Lincoln: It sure is, Ragatha, and it's perfect for our first date. Shall we?

Lincoln, Ragatha, and Princess Loolilalu dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Ragatha and Princess Loolilalu also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Ragatha and Princess Loolilalu a deep tissue massage, and when he was done with that, Ragatha and Princess Loolilalu were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Ragatha and Princess Loolilalu got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift 107 massive 999 Septillion ton barbells Lincoln summoned in his large and strong hands and 105 massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Princess Loolilalu: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Ragatha and Princess Loolilalu and he hugged them in his abnormally massive and powerful muscular arms, and Ragatha and Princess Loolilalu placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had their lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from her right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Laverra Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ragatha and Princess Loolilalu with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with two white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Ragatha and Princess Loolilalu are in your harem, Linky.

Ragatha and Princess Loolilalu showed the marks Lincoln made on the right side of their trapezius.

Jenna: You had no trouble at all.

Ragatha: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted 107 massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and 105 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled

and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing

900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-Septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me and the Mascots and Sakura went to the door.

Poromon: We're off to Sweet Apple Acres!

Me: Yep.

Bonnie: Can we go with you guys?

Me: Sure.

Sakura Knudson: Lets go.

We were off.

We arrived and we went into a building and it was dark.

CRUNCH!

Poliwag: HEY! You stepped on my tail!

Me: Sorry Poliwag. I can't see a thing in here.

Then the lights came on.

Pinkie PIe: Welcome to my AMAZINGLY AMAZING ESCAPE ROOM!

Sakura Knudson: Oh boy! An Escape Room! This is gonna be fun!

Me: This will be awesome!

Sakura Knudson: When I was with Swartz he put me through all kinds of Escape Room challenges and had me test my intelligence and beyond in them to sharpen my mind.

Me: This will be a walk in the park for you sis.

Sakura Knudson: Yep.

Pinkie Pie: I made it from Applejack's Abandoned barn and she had me set up this. It's called ESCAPE ROOM CASTLE!

It showed a castle that looked like an ancient jungle ruin castle on Sweet Apple Acres

Me: COOL!

Pinkie Pie: Linky helped me too. He designed it from when he played Legends of The Hidden Temple and it is cool!

Me: Awesome!

Sakura Knudson: I've always wanted to be on that show but I never got the chance because of Swartz.

Me: Me, Mr. Lynn and Lincoln got our chance and man was it AWESOME!

Sakura Knudson: Wow lucky you bro!

Poliwag: Yeah they showed those jerk Stinker Stankcos what for.

Me: Yep.

Pinkie Pie: You have to solve puzzles while battling wooden dummies that look like your enemies to find the key in each room.

Me: I love a good challenge.

Pinkie Pie: And if you can get out of here in 1 hour you win an amazing prize!

Poromon: Bring it on Pinkie!

Pinkie Pie: On your mark! GET SET! GO!

We went into the room and it was just like the hidden temple!

Sheila: This is actually gonna be exciting!

Nico: It sure is!

We went over the Troubled Bridge and into Room of the Royal Gongs and solved a music puzzle. Then wooden dummies that looked like Lord Zed and Rita Repulsa came and me and Sakura kicked and blasted them!

The mascots solved puzzles and opened new doors.

In The Rock Quarry we battled the Blood and Honey Pooh and Friends dummies and the mascots blasted them. We solved a key puzzle.

We then went into the Heart Room and battled a dummy that looked like Thrax and I slashed him.

I kicked it.

Sakura battled a Dummy that looked like Scarlet Fever from Osmosis Jones and blasted him.

Sakura and Poromon solved a puzzle that looked like a white blood cell killing germs.

We went into the Quicksand Bog and jumped on the walls and grabbed a dummy that looked like Wonder Woman sinking in quicksand and then blasted a dummy that looked like an evil version of Demona and destroyed it.

Poromon and Poliwag hit a bullseye with an arrow and opened a door.

Everyone was watching us on TV.

Ironbison: This is so much fun!

Nico: They are doing really well!

Eli: I'll say! Go bro! Go Sakura! Go Mascots!

Xenia: YEAH!

We went into the room of the Fallen Columns and Poromon threw a bunch of beer bottles at a bunch of dummies that looked like Master Org and Peter Griffin and Glenn Quagmire.

Sakura solved a picture puzzle and it looked like her killing Swartz.

We went into the last room and it was a BIG Temple room!

Me: WHOA!

Pinkie Pie: You made it to the final room! Now you have to destroy that to get to the final exit!

We saw a HUGE ROBOT THAT LOOKED LIKE ICKY VICKY!

ICKY VICKY ROBOT!

Vicky Bot: (EVIL LAUGHTER!) WELL WELL WELL! LOOKS LIKE I'M GOING TO HAVE A HUGE BUFFET OF TWERPS FOR DINNER!

Timmy Turner: That robot looks like the one me, Chester and A.J. beat in that video game we made!

Nico: Oh boy.

Me: Looks like we made it to the final boss!

Sakura Knudson: We sure did!

I unsheathed my sword.

Vicky Bot: FEEL MY SITTING BUTT!

She had a spiked roller for a butt!

Horsea: YIKES!

I slashed the roller!

Mascots: CUTIE ILLUSION STRIKE!

They formed an illusion of Timmy's mom and dad.

Timmy's mom: Oh Vicky we're home!

Timmy's Dad: We're back from the movies. You can go home now.

Vicky Bot: NOOOOOOOO!

She melted into slop!

Timmy Turner: Deja-vu!

We went into the temple and the key was a Ruby Jeweled Sword!

Nicole: (GASP) That's the Ruby Phoenix Jewel Sword of King Amyntor! That's a sword I was trying to find for a long time! It has the intense powers of fire!

Lola: COOL!

Sakura and me pulled it out and Sakura claimed the sword and the door opened and we came out!

EVERYONE CHEERED FOR US!

Nico: WOW! That was awesome!

Me: It sure was!

Qin: YEAH!

Pinkie Pie: THE WINNERS! THAT WAS THE BEST FUN EVER! Your prize is this amazing Chocolate Banana Root Beer Cake I made!

She made a huge cake!

Me: Oh boy!

Poromon: Yay!

Me: That was the most fun ever!

Nico: You guys did great!

Sakura Knudson: And it was more fun with J.D. helping me. And the mascots had fun too.

Poliwag: We sure did!

Laney: I'll say!

Twilight Sparkle: That was awesome and action packed!

Sunset Shimmer: It sure was!

Manaphy: Let's dig in!

Lightspeed: Boy you guys did great!

I ate some.

Me: (Eating) MMM! Delicious.

Lily: It sure is.

Nico: Boy those were all genius!

Pinkie Pie: Thanks! The last time I made an escape room it was way too complicated and me and my friends couldn't figure it out.

Twilight Sparkle: Yeah that was too complex.

Pinkie Pie: So I had Linky help me make this one and he used what he learned from Legends of The Hidden Temple to help me out with that. We turned one of Applejack's Old Abandoned barns into it.

Nicole: And it looks like one of the Jungle Ruins that we visited on one of my treasure hunts. Well done and well made.

Pinkie Pie: Thanks!

Horsea: I had fun

Me: We all did.

May: You sure did.

Then a horse winney was heard.

Lola: Hey look guys!

We saw a Mega Rapidash!

Me: WHOA! A Mega Rapidash!

Lola: She is pretty.

Lola gave it an apple and she ate it loved it.

Lola: She liked that.

Me: Wow!

Nico: Wonder how that got here?

Me: Must be one of Dark Gale's work.

Ember (skylanders): (Japanese Accent) Lets see here.

She used Telepathy and gasped!

Ember: It's my student Emilia Sakura Ember! She learned so much under me and learned all about fire powers and all that. She even helped me and my fellow Skylanders battle Kaos and his forces.

Me: Wow! That is cool! We better go help her out.

Ember: FANNING THE FLAMES!

We went over to here.

Ember: It's okay Emilia. It's me Ember.

She used ember on Horsea but she put her clone in front of her

KRABOOM!

It hit the clone and exploded!

Horsea: HA! About time I used my clone today.

Maria: Yep.

Me: Okay then.

Me and Ember: FLAMING TORNADO SKY CHI BARRAGE!

We spun around in a huge fire tornado and fired numerous fireballs and blasted her all over the place.

We knocked her down.

I snapped my fingers and she reverted back and was a girl with red hair, orange eyes with red sclera and had fire angel wings and had Mega Rapidash on her forehead and had a Flame with a Phoenix and fireball on her arm as a cutie mark and had flaming moltres tails coming out of her butt.

We wrapped her in a blanket.

Nico: WOW! What a combo!

Me: Thanks. The Senseis of the Skylanders have been teaching me and Twilight and friends all sorts of moves including the Sky Chi moves.

Nico: Nice!

She woke up to see Horsea's smiling face

Emilia Sakura Ember: (Groans) Huh A Horsea?

Horsea: You blasted my clone!

Emilia Sakura Ember: What happened?

Ember: Are you alright Emilia?

Emilia Sakura Ember: Master Ember!

She hugged her.

Ember: I'm glad to see you again.

Emilia Sakura Ember: Same here.

Me: You were turned into a Mega Rapidash by Dark Gale.

Emilia Sakura Ember: (GASP) I remember! But why does my mouth taste like apples?

Lola: Oh I gave you an apple.

Emilia Sakura Ember: That explains it. It was tasty. But I remember.

She was in a red suit and injected and in a massive blast of fire she turned into Mega Rapidash and flew out of the lair.

FLASHBACK ENDS

Emilia Sakura Ember: It was awful.

Me: I know but we destroyed Dark Gale.

Emilia Sakura Ember: Good. Oh for Sonya's team I'm a fire mage and martial artist and I use my skills to bring down our enemies. Also I help the Skylanders defeat the forces of Kaos.

Nico: Cool!

Qin: Nice!

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new orange and red clothes and a fire sword.

Emilia Sakura Ember: I look amazing.

Me: You sure do.

Killer Frost: This was really fun!

Me: I'll say!

Xenia: Boy that was awesome to see.

Me: Pinkie your Escape Room is a success.

Pinkie Pie: Thanks!

Nico: We should do these more often.

Me: Good idea.

Sakura Knudson: Swartz's training really paid off for that.

Me: It sure did.

We went back home.

* * *

We were watching TV.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Count Cagliostro, an aristocratic assassin and one of Lupin's enemies, and he's on the loose along with his men. When we saw it, we knew it mean trouble.

Lincoln, me, and Nico: Oh crap! We got trouble!

Eli: We got a new enemy on the loose.

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it was Count Cagliostro, an aristocratic assassin and one of Lupin's enemies, and he's on the loose along with his men.

EVERYONE GASPED!

Fujiko Mine: Why that...!

Lupin III: Looks like we're taking him down and throwing him in prison.

Sly Cooper: And we'll also be taking their loot.

Lincoln: As for his men, we're gonna enjoy killing them. Time to show them what a real assassin is capable of.

Me: It's been a while since we've gone after one of Lupin's enemies.

Nico: That's for sure. Alright, team, let's get going, we've got an aristocratic assassin to take care of.

Lincoln: By the time we're done with him, he'll be dirt poor and in prison forever.

The previous group came.

Deker: Can me, Killer Shrike, Wolf, Captain Boomerang, Crimson Dynamo, Shiva, Billy Numerous, Mummy, Diabolico, and Sportsmaster go with you guys?

Wolf: We saw that escape room! That was amazing!

Me: Thanks!

Nico: And yes you all can come with us.

Qin: Cool.

Ground Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Numbers 34 and 33 next.

Me: Cool!

Eli: Number 34 was the first ever Number we went after shortly after I joined the team.

Me: I remember that bro. That was cool.

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figures were in the vision: it was Zovaal and Sire Denathrius from World of Warcraft, they've come back for revenge on us. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: You got to be kidding me! That was...!

Lincoln: Zovaal and Sire Denathrius from World of Warcraft, they've come back for revenge on us.

Lola: I should've known.

Maryam Abeygunawardena Cooper: Those two monsters are gonna get it, and they're getting absorbed by Lincoln.

Nico: That's for sure. Alright, team, let's get going. Time to send

Count Cagliostro to prison for good.

Lincoln: And send his men to the grave along with robbing him blind, and once we get done with him, you're finished, Zovaal and Sire Denathrius.

Maryam Abeygunawardena Cooper: You two monsters made a mistake coming back from the dead, and now, we'll make sure you never rise again.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to Japan to take down Count Cagliostro and send him to prison and kill his men along with robbing him blond, and once we get done with him, Lincoln and Maryam Abeygunawarden Cooper are going to destroy Zovaal and Sire Denathrius and send them to The Black Abyss after Lincoln absorbs them.

We were off to the Jungles of Honduras.

We arrived and we found a hidden cave in a cliff.

Me: This will be perfect.

We saw that it overlooked Cagliostro's estate.

Me: This cave is perfect here. It overlooks Cagliostro's estate and we can do some reconnaissance work from here while we form a plan.

Nico: Good idea.

Killer Shrike: Let's call Unicorn.

Me: Good idea.

We did so.

Unicorn: I got your call.

Me: Cool.

Hotlink: Did Simon Templar have to deal with stuff like this?

Lupin III: I'm sure he did. But my great grandfather handled many things.

Me: Yes he did. Boy Lupin the last time we went after one of your enemies was back during Sheila's wedding.

Sheila: Yeah.

Lupin III: I know. That was back 2 years ago.

Sly Cooper: Yeah no kidding.

Captain Boomerang: (Australian Accent) And now, here we are mates.

Me: Yep.

I was looking at the estate with my binoculars and saw that it was heavily fortified like Fort Knox. It had guard towers, men patrolling the area and soldiers guarding it around the clock. Razorwire fences, minefields and more around the area.

Me: Boy that place is heavily guarded like Fort Knox times 10.

Nico: Geez.

Lincoln: We're going to have to use the shadows to get around it all and we're going to have to kill all the men too.

Squidward: Let's deactivate the security too.

Me: We'll have to deactivate it from inside.

Lupin III: Leave that to me and the Coopers.

Nico: Right.

I pulled up blueprints and scans of the estate and saw that the estate and guards and men were all full of loot and jewels.

Me: Looks like we hit the motherlode. Cagliostro and his men are all full of treasure.

Sly Cooper: Perfect for us to swipe.

Fujiko Mine: This is gonna be like taking candy from a baby.

Me: And the babies are Cagliostro and his men.

Xenia: And it'll end with a one way ticket for them to jail.

Shiva: You said it.

Me: Yep. But Cagliostro and his men are not going to go down without a fight. All the more reason why it wouldn't be much of a challenge.

Lupin III: That is true.

Kairi Yano: And we're going to make sure they suffer for it.

Keiichiro: Yep and it's going to end with us taking them down by force.

Kairi Yano: And us taking their treasure.

Me: And with us kicking all their big ugly fucking asses.

Leozack: Make sure to get all of his loot

Me: That's exactly what we intend to do.

Then we heard gunfire and screaming.

Me: Uh oh.

Nico: Have we been spotted?

Me: I don't think so.

We looked and saw lots of soldiers being killed left And right.

Me: Whoa look.

We saw a woman with black angel wings killing THOUSANDS of men.

Me: Whoa! Someone is helping us out.

Nico: Who is it?

Lincoln: I think I know. It's Sheila's Akuma, Lady Vengeance. The Hypothetical Akuma of Sheila Castille Loud and she is a deadly martial artist, gun master and a merciless vigilante. She was made because of Howard Saint, the crime lord that killed Frank Castle A.K.A. The Punisher's wife and son, killing the entire Gotham Royal York Police Force including her husband Eric and vowed TERRIBLE VENGEANCE! She is a one man army and is out to kill all criminals! She will kill them all including Howard Saint!

WE GASPED!

He showed us a sketch of her and she looked like a female version of The Punisher but with black angel wings.

Me: Oh man!

Punisher: She looks much like a female version of me.

Me: She sure does Frank and she was made because of Howard Saint? Oh man that motherfucking Douchebag.

Ymir: Who is Howard Saint?

Me: A very dangerous crime lord. He is the monster responsible for turning Frank Castle into the vengeful vigilante we know. He killed Frank's wife and son to get revenge on Frank for killing his son and in so doing, Frank killed Howard Saint and his entire family in the ultimate act of revenge. Thus turning him into The Punisher.

Diabolico: We should explain his full history

Me: I was just about to do so.

I went over his history

Howard Saint is the main antagonist of the 2004 Marvel film The Punisher. He is the boss of the Saint crime family who murders Frank Castle's entire family because he blames Castle for the death of his son, Bobby.

He was portrayed by John Travolta, who also played Vincent Vega in Pulp Fiction, Castor Troy in Face/Off, Billy Nolan in Carrie, Vic Deakins in Broken Arrow, Ryder in The Taking of Pelham 123, Gabriel Shear in Swordfish, Emil Kovac in Killing Season, and Terl in Battlefield Earth.

Howard Saint is a crime boss of the Saint family in Tampa. He and his criminal organization operate out of a strip club called Saints & Sinners.

Desperate to impress his father, Howard's son, Bobby, tries to negotiate an arms deal on his own. While at the deal, Bobby discovers what he thinks is a bust, which in reality, was a sting with the dealer being Frank Castle, an undercover FBI agent.

Bobby dies during the deal when he waves and points his gun at some of the actual Russian gun dealers (that Castle also duped into working with him), and due to some of them not understanding what Bobby says, he accidentally causes a shootout that costs him his own life. Back at the station, Frank retires and goes to a family reunion in Puerto Rico. While attending Bobby's funeral, Howard suggests to kill Frank. His wife Livia, however, requests he kill all members of Frank's family. The massacre of the Castle Family is carried out by Howard and Livia's surviving son John Saint, Howard's best friend and right hand man Quentin Glass and two other men (one named Lincoln).

Five months later, Howard discovers that Frank survived the attack and sends Harry Heck and The Russian to kill him. However, Frank manages to kill both men.

After Frank tricked him to kill Quentin and Livia by making him think that they were having an affair, Frank storms his HQ, kills all his men and John.

When they meet face-to-face, Castle guns Howard down in a duel due to his superior reflex. Before Frank ends his life, he reveals that he had been manipulating Howard the whole time about the fake affair as well as killing his best friend and consigliere. As Howard sobs tearfully for his mistakes and cruel life, he is eventually killed when Frank ties him to the back of a slow-moving car which drags him through a car park filled with exploding bombs, incinerating him showing the burning skull face.

When it was done everyone that hadn't heard about it was horrified.

Nico: I've always hated Howard Saint. What a motherfucking douchebag.

Me: My thoughts exactly.

Grier: (to Punisher) I honestly didn't think we'd ever run into him

Punisher: That's because you guys didn't. I killed him before I met you all years ago.

Grier: I see.

Me: But I don't think Howard Saint would be that crazy to go after an entire police force ilke that.

Nico: Yeah.

Me: Well killing one version of him is more than enough. He's not even worth our time. Hence why if we run into him from Lady Vengeance's world I'm going to send him to prison. But after I rough him up and leave a NASTY calling card on him.

Nico: What are you going to do?

Me: You'll see. In the meantime we got an akuma to stop.

Nico: Right.

Eli: She's coming this way.

Me: Lets head down and not draw any attention.

We went into the jungle and waited.

Horsea: Where is she?

Me: She's here.

I sensed for her.

She then jumped from a tree and tried to land on me but I grabbed her and threw her and she landed safely.

Me: Nice try. Hello there Sheila.

Lady Vengeance: You will not stand in my way to kill them.

Me: Sorry but we already called dibs on Cagliostro and his men.

Lady Vengeance: I will make all criminals pay to get revenge on my family and friends.

Me: And then what will you do? You fulfill your revenge you'll be left with nothing but an empty hole in your heart that can never be filled. Revenge is a double-edged sword. All it will lead you down is a path to your own destruction.

Lady Vengeance: How would you know? You never had any of your family killed.

Me: You're wrong on that. I know lots of people that I lost that were close to me. When I was younger I lost friends to criminals and even evil monsters like The Shredder.

Nico: Oh man. I remember that.

Me: Yeah. Sheila listen. Vengeance will only kill you in the end.

Punisher: He's right on that Sheila. I know how you feel. I lost everything because of Howard Saint and revenge nearly destroyed me. I thought about killing myself after I killed Saint. But in the end I decided that my wife and son would not want that and I became the

Punisher to kill all kinds of criminals.

Me: It's true.

Lady Vengeance: As long as criminals are alive then they all will die. For what they did to my husband and my friends.

Me: I know Sheila.

Sportsmaster: Sheila? Is that you?

Nico: I think we already know it is.

Me: Sheila listen, Don't destroy yourself over this. Eric and your friends would not want you to become this dark monster of vengeance.

Unicorn: Which is why you need to calm down

Lady Vengeance: Then send Howard Saint to prison.

Me: That's exactly what I'm going to do. In fact...

I teleported and grabbed a man and it was HOWARD SAINT!

Me: Well well well.

Punisher: Howard Saint!

Me: Yep. Allow me.

I tied him to a tree and put a gag in his mouth and then punched him in the stomach brutally.

I then pulled out a pair of pliers and pulled out his teeth! Then I gouged his eyes out. Then I broke his fingers and toes!

Stabbed his hands and feet!

Punisher: Hello Saint.

Howard Saint: Castle?

Punisher: Surprised to see me?

Howard Saint: You ruined me Castle!

Me: You brought all that on yourself. Your prime self that is. But you aren't worth killing. Frank killed you once so that's more than enough. But I'm going to let you suffer in jail. First this.

I took out my dagger and used a flame to make the blade red hot.

I ripped open shirt.

Me: This is going to be your brand of damnation.

I cut him and he screamed in agony as the blade burned him. I carved a phoenix into his chest and a message that said ETERNAL DAMNATION AWAITS YOU IN THE BOWELS OF HELL, HOWARD SAINT!

Punisher: Couldn't have put it better myself.

Me: Yep.

I teleported him to the Neptune prison.

Me: There. Feel better Sheila?

Lady Vengeance: Much better.

Me: You know we still have to fight.

Lady Vengeance: Okay.

I blocked many of her punches and kicks and kicked her down.

Unicorn charged at her and knocked her down.

Lady Vengeance: My turn!

She went at us and I ducked under a kick and kicked her down.

Me: Nice.

Qin: Wow.

Me: That was actually quite satisfying.

Punisher: It sure was.

Fubuki Kakuyoko: You think the Underground Girls' Gene Slammed forms were still inside them even when Akumatized?

Me: Possible but yeah.

Nico: Maybe.

Qin: Yep.

Me: Now lets go get him.

We looked at the estate.

We spotted Count Cagliostro, he's in his mansion and he has men all over the grounds along with guards.

Me: There's Cagliostro, He's in the living room and he's got men all over the grounds along with guards.

Nico: It won't be easy, if they're assassins, they know techniques that can kill people.

Lincoln: Right. Time to do this from within the shadows. Sly, Lupin, stand ready. Once I absorb Cagliostro's men, swipe every last bit of gold and cash he has.

Sly Cooper: Got it.

Lincoln turned into a fog and he turned invisible as he was near the location of the men and guards of Cagliostro, and not long after that, Sly Cooper, The Cooper Gang and Clan, The International Clan of The Coopers, and Lupin and his gang were in position. We saw it through infrared binoculars.

Nico: Okay, they're in position.

Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the guards and Cagliostro's men, and he began absorbing them one by one and he assimilated their abilities, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man! This is really feeling good! RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of them except for their clothes, and Lincoln drained their souls of energy and sent them to The Black Abyss.

Sly Cooper: Alright, it's time.

Sly Cooper, The Cooper Gang and Clan, The International Clan of The Coopers, and Lupin and his gang raided the compound and stole every last bit of gold and cash inside the vault, and as soon as they came back, so did Lincoln.

We saw the gold and cash they swiped.

Me: Wow! Look at all this loot you swiped!

Sly Cooper: He had a nobleman's fortune inside.

Selena Sly Cooper: This is going right into our vault.

Lincoln: We're not done here yet, guys. Now, for the main target. (Deep Sapphire Eyes turn Crimson Red) We're coming for you,

Count Cagliostro! You're finished!

Nico: You're right about that, Lincoln! Entrance time!

Count Cagliostro was panicking! His guards and men were taken out and his fortune and wealth were snatched from under his nose.

Count Cagliostro: How can this be?! Who did this?! Who?!

Suddenly, the spirits of the Thieves appeared and they attacked Count Cagliostro and they really thrashed him all over the place showing him no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, and Phoenix Cry was heard and we appeared.

Count Cagliostro: Team Loud Phoenix Storm?!

Me: That's right! Count Cagliostro, you're under arrest!

Count Cagliostro: (Sees Lupin and his gang) (GROWLS) I should've also known you'd be behind this, you lowlife thief!

Lupin III: You lost to a Lowlife Thief then!

I punched Cagliostro in his face and kicked him in his stomach and punched him down.

Mummy: We took out your guards

Me: And swiped all your loot.

Camie: Now you got to deal with us.

I punched him in his face and kicked him in his stomach and crotch!

Fujiko blasted him in his him with her gun!

Kairi Yano: Here's an Advanced Notice: We're taking your treasure!

Nico: And we're going to kick your big ugly fucking ass!

Billy Numerous: Time to clone an army!

He made over 1,000 of himself.

I fired waves of fireballs and blasted him all over.

Cagliostro: You accursed mongrels!

Me: Us Mongrels? Look who's talking.

Jean Bison: I know another thief that can give you a headache!

Cagliostro: And who is that?

Sly Cooper: Besides me it's...

Carmen Sandiego: Me! Carmen Sandiego!

Me: That's for sure!

I punched and bashed him all over the place.

Xenia fired waves of arrows and blasted him all over.

Crimson Dynamo: (Russian Accent) He was also talking about you, Sly.

Sly: I know that.

Me: You know what thieves love besides diamonds? This. NIGHTMARE STYLE NINJA ART: INFERNO OF THE DANCING FIRE NUDIST GIRLS!

I fired waves of fire and it formed into flaming girls that were dancing and naked and Cagliostro loved it but it was too hot for him!

Magmon: Now that's hot! Like me!

Me: Yep.

Nicole: Okay that was clever. But I still have to do this! (TOOTS LIKE A STEAMHORN) I FUCKING HATE PERVERTS!

She then jumped Cagliostro and pulverized him and bashed and smashed and mangled him all over!

Cagliostro screamed in pain and agony as he was being thrashed by her! SHE SMASHED HIS CROTCH AND BRUTALLY MANGLED HIM BAD!

Me: AI YI YI!

Wolf: We're gonna have fun with this thing!

Wolf blasted and smashed him brutally.

More of his men came!

Poromon: YOU WANNA SEE SOMETHING SCARY?! SCARIER THAN KILLING KIDS!? Well (SHOWS THE TRAILER) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!?

They fired a massive blast of intrense fire from the floor and blasted the blown bodies and some of his men and burned them.

Then...!

POW!

Caleb Maxwell punched Count Cagliostro hard in the face and he slashed him in the chest with his gold-armored dragon claws, and he kicked him hard into a tree, and we saw the anger in Caleb's eyes: he was out for blood.

Lincoln, Sheila, Eric, Nico, and I and the rest of us went after Cagliostro and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows,

storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Cagliostro, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lincoln, Sheila, Eric, Nico, and I and the rest of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and it was pissing off Cagliostro even more.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Cagliostro and we all found ourselves not only in Heaven, but also, in space.

You must've gotten your clothing which is secondhand by the way from thrift stores. You fail as an aristocratic assassin! Prepare for defeat and one last thing?

Emilia Sakura Ember was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Jolokia.

Jolokia: No we control the power. It doesn't!

Emilia and Jolokia concentrated and reigned in the powers of Mega Rapidash and Scovillain and transforme and blasted them with fire!

Moltres charged at him and blasted him with fire.

Moltres: Take that jerkface!

Sheila: YEAH!

Sheila fired waves of energy and blasted him.

Mevya hopped over to him and belched in his face.

Mevya: Take that!

Then Vexen, Pied Piper, Jack O Lantern, Ryugu Tamatebacco, Pterodcatyl Ghost, Dodgeball Wizard, White Lightning, Tchang Zu, Seadramon, and MetalSeadramon came.

Nico: Vexen, Pied Piper, Jack O Lantern, Ryugu Tamatebacco, Pterodcatyl Ghost, Dodgeball Wizard, White Lightning, Tchang Zu, Seadramon, and MetalSeadramon.

Cagliostro: (Takes a breath)

Just as he was about to say something...

ZAAAAAAAAAAAAPPPPPPPPPP!

Tchang Zu fired a massive blast of lightning and electrocuted him!

Ed: Zappity Zap Zap!

Vexen: Like we're giving him a chance to order us around.

Pied Piper: He doesn't get to do that!

Jack O Lantern: No, he doesn't!

Me: Not like he would have done so anyway.

Ryugu Tamatebacco: (to Nico) We heard you killed Hiroshi.

Nico: We sure did.

White Lightning: (to Frosta) You should take care of that Mega Glaceon.

Frosta: I will.

Mannequin Jamen then came.

Me: Mannequin Jamen!

Mannequin Jamen: No hard feelings for turning you into frozen sticks?

Me: Mmm...

I teleported and punched him in the stomach and then fired a blast of energy and turned him into a popsicle!

Me: No hard feelings. Also you're a Bottom Feeding Suction Eel flavored popsicle.

Maria: OH YUCK!

I snapped my fingers and freed him.

Mannequin Jamen: Also, nice job killing Yodon

Rarity: Thank you darling.

Me: That was awesome.

Mannequin Jamen: Yeah I never liked him.

Me: Me neither. Especially with his butt-ugly face that could shatter a million mirrors and kitchen sinks.

Nico: Good one. LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway.

Lana, Universe 666 Eis Shenron, Rip, Green Heart, White Heart, Purple Heart, Compa, Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Poison Ivy and Killer Frost VS Vexen, Evil Ice Man, Gitai, Setsuna, TTG Trigon, Shizuku, Freezer Org and Eis Shenron (M.O.E.) (Theme including Universe 666 Eis Shenron) - Nico's rescue on Valmorg and we battled Hiroshi

---

Vexen was first.

Vexen (to Lana): Nico's rescue was on Valmorg. He battled Hiroshi.

Lana: Yeah and that was really cool and awesome! We made sure he paid the ultimate price for his crimes.

Universe 666 Eis Shenron: Yeah that's another one of the Kamen Riders big bad enemies destroyed.

Vexen: You guys have been on a roll with destroying many of the Big Baddies of the Kamen Riders.

Rip: Well only because there were no plans for them. Many of the Kamen Riders big bad enemies are all being planned for the Ambassadors of each of the rider teams.

Twilight Sparkle: That's right. But many of the lesser enemies are being dealt with little by little.

Stellar Sparkle: They sure are.

Harmony Sparkle: We're going really well with destroying them so far.

Starshine Sparkle: We sure are.

Spyro: Oh yeah! It's fun.

Vexen: It sure is! Wow! But at least you're getting them out of the way. Lets do it!

Lana used the Vistamp of Vexen and the Ice World Gear and they fired waves of ice and magic and smashed them down!

Gwen, Keisuke, Sissi Delmas, Sumae Mizuno, Shijimi Chouno, and Tonko Oniyama, The Bimbettes, Flora, Fauna and Merriweather, Huey, Dewey and Louie, Sunset Shimmer, Firestorm Shimmer, Sunset Shimmer (G5), Pipsqueak, Chalcanthite Aurora, Fire Skylanders, Ra's Al Ghul and Ground Man VS Pied Piper, Scooby Snax Monster, Student Body Presidents Lizardmen, Universe 666 Banno, Universe 666 Ginga, Julio, Flute Org and Evil Tayuya (Theme including Keisuke) - The Anothers were the gene-slammers of Takubee and Red-Eyes Moon Dragon

---

Pied Piper was next.

Pied Piper (to Gwen): The Anothers were the gene-slammers of Takubee and Red-Eyes Moon Dragon. Nico, Jetray's team, and Ray's team, and the others did good battling them.

Gwen: They sure did and it was really amazing to meet them too.

Keisuke: Boy it sure was.

Sissi Delmas: We also met a gene-slammer for Scovillain! Her name is Jolokia Pepperjack and she is a close friend of Chef Pepperjack and makes REALLY spicy food! (LOUD BELCH)

She belched out huge streams of fire!

Sissi Delmas: It was as hot as J.D.'s nuclear hot foods he likes.

Pied Piper: WHOA! That is intense!

Sunset Shimmer: It was! Wow! She is a true spicy food chef and it was fitting too because we were on Valmorg.

Firestorm Shimmer: Yeah it sure was.

Sunset Shimmer (G5): And Gaon and the Zenkaigers were complaining all the time about it being too hot for them too but Nico told them to cut it out and that they were overreacting.

Pipsqueak: (British Accent) That was funny.

Chalcanthite Aurora: (British Accent) Yeah it was!

Sunburn: We went back home to Earth and we were cooling down by the lake in the park and man were we steaming hot. We were like steamed vegetables.

Pied Piper: Boy I bet! Lets do it!

Gwen used the Vistamp of Pied Piper and the Darkness Goth World Gear and they fired waves of energy and fire and smashed them down!

Green Arrow, Liliana of the Dark Realms, Kento of Hardrock, Keiichiro, Veronica Tesla, Claudia Kipinsk, Nancianna Sakurai, Applejack, Apple Star, Wolf Moon Bloom, Apple Bloom, Earth Skylanders, Horri Bull and Hotlink VS Jack O Lantern, Rishu, El Jefe, Arachnid Woman, Ember Woman, Atomic Woman, Pumpkin Rapper and Jack O Lantern (Billy & Mandy) (Theme including Liliana of the Dark Realms) - Lincoln's Rescue was on the planet Infernaira

---

Jack O Lantern was next.

Jack O Lantern (to Green Arrow): I heard Lincoln's Rescue was on the planet Infernaira. How was it?

Green Arrow: It was a really scary planet! It's an an extremely hostile blood red planet of fire, anger, and rage in The Forbidden Zone where the inhabitants, The Infernairans, are extremely hulked-out male and female warriors with extremely deadly anger issues and power over fire and gamma radiation and who have the ability to grow even stronger the angrier they get, and they're a danger to the entire universe due to their deadly anger and rage.

Jack O Lantern: Oh man! They sound really dangerous!

Green Arrow: hey are, and even The Saiyans heard about them in legend and are frightened about them.

Jack O Lantern: Oh man! That is intense!

Green Arrow: Yeah no kidding!

Rishu: Boy a Race that even the Saiyan's feared! That is intense!

Liliana: It sure is! While there they went and destroyed an evil ex-girlfriend of J.D.'s named Haru Desdemona, she is one absolutely deranged bitch, and she's a lunatic with a sick habit of hers: she sprays pesticide on the reproductive organs of men which destroys their ability to get a girl pregnant. The bitch sprayed pesticides on the males' private parts and destroys their ability to get a girl pregnant, and many of the boys had all of their chances to start a family because of her, and many of them...killed themselves! She said she did this to see if they were strong or weak. But, she was completely insane if she thinks that sort of thing would work, and she tried to do it to him, but J.D. broke her wrist and Varie slashed her stomach with her sword. Varie and J.D. and their friends told the principal, and with evidence of what that insane bitch did, she was arrested by the cops and taken to court, and combined with the testimonies of the deceased boys' parents and because she had no remorse, she was found guilty, and she lost it and swore we'd pay for this. She broke free from the cops and tried to stab J.D., Varie, and our friends with a knife, but you kicked her in the stomach and sent her flying into a wall. The cops tied her up in a straitjacket and sent her to prison where she'd spend the rest of her life in Solitary Confinement. Her parents who were narcissistic hypocrites and just as evil as her were pissed off at what happened and they tried to kill us for what they did to their daughter, but we took them down and after being found guilty of attempted murder, they got 65 years in prison without any chance for parole, and a week later, they died from a heart attack.

THEY GASPED IN UTTER SHOCK AND DISGUST!

Jack O Lantern: THAT'S INSANE! Man that is one dangerous and crazy bitch!

Then, Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of Zovaal and Sire Denathrius, and he began absorbing them and he assimilated Zovaal's Nigh-infinite magic which he converted into Infinite Magic, Godly durability,

Godly strength, and Immortality and Sire Denathrius' Extreme superhuman strength, Extreme superhuman durability, Extreme superhuman agility, Nigh limitless blood magic, Nigh limitless death magic, and Nigh limitless shadow magic which he converted into limitless blood magic, death magic, and shadow magic, and Master tactician, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of Zovaal and Sire Denathrius, and Lincoln drained their souls of energy and he sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

We cheered wildly as we holstered our weapons and powered down and Maryam Abeygunawardena Cooper's new body, clothes, weapons, jewelry, Third Eye, larger raccoon ears, larger raccoon tail, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large black and dark blue planets orbiting around her legs, one-hundred smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Maryam Abeygunawardena Cooper: It's over for you, Zovaal and Sire Denathrius, and to this we say good riddance. Thanks for helping me get rid of those evil deities, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Maryam.

Me and Nico: Our pleasure, Maryam.

Suddenly, Maryam Abeygunawardena Cooper wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Maryam Abeygunawardena Cooper's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Maryam Abeygunawardena Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Maryam, you transformed and you guys really let those evil deities have it.

Me: That's for sure, they didn't stand a chance against us even now. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the symbol of Envy and The Pot of Envy appear.

Lincoln: (GASPS) The symbol of Envy and The Pot of Envy.

Adriana Nightshade: There's only one person who fits that: Allana Nightshade, Avatar and Gene-Slammer of The Pot of Envy and Deadly Princess of Envy.

Mara Lucifer: I knew it was her, and you guys are going to enjoy meeting her, Allana Nightshade, Avatar and Gene-Slammer of The Pot of Envy and Deadly Princess of Envy, is Lincoln's Guardian Angel from Las Vegas and Adriana Nightshade's youngest sister, she's a powerful and extremely deadly dark angel who was born with the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Envy. She's known as The Deadly Princess of Envy and Avatar and Gene-Slammer of The Pot of Envy, and she's a member of The Seven Deadly Princesses of Sins, a group of Lincoln's Guardian Angels who have the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the individual powers of The Seven Deadly Sins of Lust, Greed, Gluttony, Wrath, Pride, Envy, and Sloth, and they've used them to make those guilty of these sins pay with their lives. Allana Nightshade has the power to make the envy of those who are the most envious even more envious than ever which ends with them killing their own cohorts and allow her to send them to The Circle of Envy. Allana Nightshade moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Envy, and over time, Lincoln gained Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Envy, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, she's also great friends with Lucy and her friends, and she hates Lola with a blazing passion, and she swore if she saw that narcissistic envious little she-demon again, she would use her powers to make Lola's envy and narcissism even worse, and it'll cause her to die as it poisons her entire body and sends her to The Circle of Envy.

WE GASPED!

Me: HOLY EMERALD EYES OF ENVY! And I think I know who's going to suffer at her hands!

Mara Lucifer: Evil Sasuke, and it'll be on Ino's big day.

Me: She will unleash the pain of her punishments on him 10,000,000 fold! His jealousy of me and Naruto will lead to his doom!

Lincoln: That's for sure, with what you did wiping out every last Evil Sasuke, it's safe to say this'll be the final end to the grudge that cur has towards you and Naruto.

Nico: Yikes!

Pterodactyl Ghost: That's it for him

Dodgeball Wizard: how much loot did you guys get?

Tchang Zu: It's probably a lot.

Me: Yeah.

Seadramon: Where should we celebrate?

MetalSeadramon: Maybe somewhere around here,

Me: In the middle of the jungle? I don't think so.

Qin: I agree.

Nico: Lets go to Camille's deli.

Me: Good idea.

Nico: Yeah. Great job today everyone.

Lupin III: (To the viewers) Now another one of my enemies is done for.

Me: Yep.

We went back home and went to Camille's deli and we had fun too. We had a great meal.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We did it. We took down another of Lupin's enemies.

Fujiko Mine: That's for sure, we took all his money and killed his men. He can regret his mistakes in prison forever.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln who was in an orange speedo, and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started

glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 105 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

The Bad Nurse of the Elderly

Nurse Sue is back for Revenge

In the early morning hours at 11:30 AM, Lincoln had a dream, and he saw a figure hiding out and living in Madison, Wisconsin. But, there was no ordinary figure, they were Autumn Altan, daughter of Lincoln's future wife, Arslan Altan. and Rachael Chloris, daughter of Lincoln's future wife, Reese Chloris. Lincoln woke up from the dream, but he wasn't the only one, Arslan Altan, Reese Chloris, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Arslan Altan: And it also means that we found out where our kids are at.

Me: Ther're at Madison, Wisconsin.

Nico: Oh man, that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

As we were about to go to Madison, Wisconsin, to rescue Autumn Altan and Rachael Chloris, then suddenly, there was a knock at the door.

Reese Chloris: (Confused and went to the door) Who would that be in the middle of the night?

Reese Chloris opened the door and saw a tall and very muscular yet incredibly athletic and well built humanoid Cape Buffalo who has blue-gray coat, steel blue eyes, white flattop hairdo with a mustache and beard, and beige large horns. He wears a tight muscle blue war tank top with an earth element symbol on it, green army camouflage pants, and black knee-high steeled toe combat boots. He wields the mighty war hammer. And a tallest and youthful woman who has reddish skin, three vivid blue eyes, long wavy black hair that now reach her feet. She wears a white bell-sleeve gown with dark pink edges and hem, a pink brooch with silver star-like magic element symbol setting, gold four-pointed star earrings, and silver wedges heels with brown soles. She wields two magical gauntlets-like fists. They were Chief Headstrong and Star Gem.

Star Gem: Greetings, Arslan Altan and Reese Chloris.

Arslan Altan: How do you know who we are? Who are you two?

Chief Headstrong: (Russian Accent) I am Chief Headstrong, Muscles and Weapon Specialist of the Earth Element.

Star Gem: My name is Star Gem. Magician and Warrior of the Magic Element. Do these young ones belong to you two?

The two kids whore with Chief Headstrong and Star Gem, was a young 16 years old girl who has dark skin, olive green eyes, and platinum blonde hair with two red sticks on the back left side of her head. She wears a yellow robe with only one wide, loose-fitting sleeve over a black tube top, black capris, and black flats. She wields a Chained Dagger. And a young 14 years old girl who has fair skin with two black facial markings on her cheeks, teal eyes, and light green and white hair swept to her right. She wears a dark purple hoodie over a mauve sweater, black shorts, knee pads, elbow pads, and black shoelaced high top sneakers. She wields an Hoverboard-like Dual Blasters. They were Autumn Altan and Rachael Chloris.

When Arslan Altan and Reese Chloris saw them, they were stunned.

Arslan Altan: (Stunned) How is that possible?

Chief Headstrong: (Russain Accent) Me and Star Gem found them in Madison, Wisconsin.

Arslan Altan and Reese Chloris ran up to Autumn Altan and Rachael Chloris, they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Me: Thanks, Chief Headstrong and Star Gem.

Star Gem: May the stars shine down on you, fellow heroes.

Chief Headstrong: (Russian Accent) (to Lincoln) Care to say anything to the young ones?

Lincoln: Of course. (to Autumn Altan and Rachael Chloris) There's something you should know, Arslan, Reese, your mothers are one of my many future wives.

Autumn Altan and Rachael Chloris: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled Autumn Altan and Rachael Chloris with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Then, Lincoln told everyone what happened, and he then introduced Autumn Altan and Rachael Chloris to the rest of his siblings, who are now their aunts. We were proud of what Lincoln, Chief Headstrong, and Star Gem did in reuniting Arslan Altan and Reese Chloris with their kids, and Autumn Altan and Rachael Chloris now has a loving, strong, brave, and caring father in their life. As well as Chief Headstrong and Star Gem join the Team Loud Phoenix Storm as new members of the Ultimate Elementals Heroes.

We went back to sleep.

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: there was an aqua blue planet with oceans and a massive city with smaller cities connecting the main city with a Sun, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only natural born fighters, but had powers over water and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day. Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Aquaira, an aqua blue planet in The Forbidden Zone that was inhabited by powerful warrior angels called The Aquarians, the males were not only natural born fighters, but had powers over water and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Aquarians, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: How many planets have the Infernairans terrorized?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) One too many, and the Sun you saw on the planet, Lincoln, it's infinite-times hotter than The Sun and the amount of solar radiation also exceeds that amount, the male Aquarians trained under the harsh heat and sunlight along with other extreme weather events. You need to head to the well where their souls are imprisoned and absorb them into your body, and once that happens, you'll gain their powers over water and their many incredible powers, immortality, virility, and invincibility, and you must absorb the planets and The Sun of Solaris as well.

Lincoln: On it.

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Aquaira once inhabited by The Aquarians, but were defeated by The Infernians eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun that's infinite-times hotter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many water planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city.

Lincoln landed on the planet.

Lincoln: Wow! So, this is Planet Aquaira, it's awesome!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Aquaira.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a blue gem surrounded by angels carved on it, and then, the aqua blue gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of aqua blue souls came out numbering in the septillions: they were the quadrillions of souls of the ancient male warrior angels of Planet Aquaira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Aquaira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their water powers, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large

gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue water aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their water powers, and their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and then, he found it: the core of Planet Aquaira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at 99,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Celestia itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Aquaira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow,

white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Aquaira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another planet The Infernairans terrorized! Damn.

J.D. 2: I remember Aquaira all too well, it was also an advanced civilization and a place where we went to in the past.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) It was also a really awesome vacation spot, but what those Infernairans did, it was pure evil. The Infernairans terrorized The Forbidden Zones destroying and imprisoning the souls of the male warrior angels in the wells and they kidnapped and raped the females.

Nicole: How utterly evil.

Lincoln: That's why every night, I'll be going to the planets of The Forbidden Zone to absorb the souls of the male warrior angels, absorb their planet's cores and planets themselves, and the Suns into my body which'll lead to my room expanding even more with my gym expanding with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of our merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for me and my expanding harem, and massive extra-extra-extra large never-ending expanding bed for me and my expanding harem.

Nico: The only way to preserve the planets of The Forbidden Zone and their legacy will live on in you. But, I can guess if there are other planets in The Forbidden Zone as well, they've also suffered the wrath of The Infernairans.

Vegeta: There's no doubt about it, and Lincoln, you did the right thing absorbing those monsters, their planet, and their Sun yesterday.

Lincoln: Thanks, Master Vegeta.

Rita woke up to see Jynx staring at her.

Jynx: Morning Rita!

Rita: Morning Jynx.

Jynx: Time for breakfast!

She got up and went and got dressed and went to the table and ate breakfast.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our anger, it was Jervis

Tetch A.K.A. Mad Hatter, he's at Sky High Academy and he's at it again!

Me: Son of a...!

Nico: Jervis Tetch is back! And at Sky High Academy! Oh Hell no!

Lincoln: This time, we're sending him to the Arkham Asylum section of The Saturn Insane Asylum, I did some expansions to that section to include some of Gotham City's truly deranged criminals.

Eli: Nice one.

Lincoln: I'd been busy with doing expansions to our current space prisons and added in more security as well. Alright, let's finish breakfast and head for Sky High Academy to take down Jervis Tetch.

Nico: Right. That madman's run loose for the last time, now this time, he's getting sent to prison for good.

We finished breakfast, and we headed to Sky High Academy to take down Jervis Tetch A.K.A. Mad Hatter and make him pay for what he did and send him to the Arkham Asylum section of The Saturn Insane Asylum.

Zuria: Especially for awesome adventures and all that.

Roll: You said it!

Nico: Roll I want to thank you and Launch Octopus and your teams for coming.

Roll: No problem Nico. This is gonna be so fun.

Qin: It sure is.

Aria Sirenia: I'm really excited for this.

Nico: Aria, what do you like to do in your free time?

Aria Sirenia: Well I like working at an Archer Range and help people become sharpshooters too.

Nico: Cool!

Punk Shock: And she is great with lightning and water too. She and I did a lot while protecting Skylands.

Nico: That is cool!

Qin: It sure is.

Nico: That's a good job to have

Aria Sirenia: It sure is. And also I'm glad to be reunited with Punk Shock.

Punk Shock: Same here.

Me: Awesome.

Qin: Yeah!

Ymir: So who is Mad Hatter?

Me: His real name is Jervis Tetch and he likes to go by Mad Hatter. Like in Alice In Wonderland.

I went over his history.

Jervis Tetch, better known as Mad Hatter, is a supporting antagonist in the DC Animated Universe.

In Batman: The Animated Series, Superman: The Animated Series and The New Batman Adventures, he was voiced by the late Roddy McDowell, who also portrayed The Bookworm in the 1960s Batman TV show.

Jervis Tetch, while very intelligent and technically brilliant, coped with loneliness and apparently had difficulty with social integration and relating to others. In spite of this, Tetch was a shy and kindly neuroscientist working for Wayne Enterprises, specializing his studies on enhancing the brain's potential. However, he soon began experiments and developing technology that would not strengthen the mind but enslave it. Using a series of electric antennae and receivers, he actually succeeded. His initial tests allowed him to "civilize" lab rats, but he quickly developed technology that was advanced enough to control even human brains.

While at Wayne Enterprises, Tetch worked with a secretary named Alice. Though Tetch had an infatuation for her, he found out that she was already dating Billy. After a fight, it seemed Alice and Billy were through, and Tetch made his move. Donning a costume, he dressed himself as Alice in Wonderland's Mad Hatter and armed with his mind control technology (which he had imprinted on to circuit cards encoded with the character's famous 10/6 logo), Tetch took Alice out on the town, and created the illusion that he was a celebrity within Gotham. Though the night went well, Alice only saw his actions as the kindness of a good friend, and when Billy apologized and subsequently proposed to her, she happily agreed.

Furious, Tetch took control of Billy's mind and forced the man to end the engagement. He then set forth to woo Alice into his arms, by filling her apartment with flowers, and may have succeeded if not for the intervention of Batman, who had discovered Tetch's secret. Seizing Alice, Tetch fled to Gotham's Storybook Land park and turned the Alice In Wonderland exhibit into a lair of sorts. Using his mind control, Tetch had created a small army of drones (dressed in Wonderland garb) to detain the Dark Knight. Batman, however, evaded capture, and defeated the Mad Hatter. Alice and Billy were reunited, and the Hatter went to Arkham Asylum with a broken heart.

The Mad Hatter eventually escaped from Arkham. Luring Batman into a trap, he knocked the vigilante out and put him into a machine-induced coma. During this time, Bruce Wayne's entire reality was altered. In the 'dream world' created by the Hatter, Bruce's parents were never murdered, and he was engaged to Selina Kyle. Everything seemed so vivid that Bruce began believing it was reality. However, though he had never become Batman, Batman still existed in the dream world. Despite his incredible plan, the Mad Hatter was unable to predict that Batman and Bruce Wayne were the same man. As a result, Bruce was eventually able to discover the true nature of the trap. Batman escaped from the dream-reality, and captured the Mad Hatter, sending him once again to Arkham.

Months later, the Mad Hatter had been released from Arkham and had learned of Veronica Vreeland's trip to Central America. Using what little funds he had left, he made his way to her site and (disguised, of course) used a heartwarming story to convince the wealthy lady to invest in miniature Worry Men dolls, and to give them out to her friends. Hidden within each doll was a tiny microchip designed to activate when the person fell asleep, making the person prone to hypnotic suggestion. Each member of Gotham's high society unknowingly gave a collective total of one-hundred million dollars to the Mad Hatter. However, after realizing his participation in the event, Batman quickly followed the trail. The Mad Hatter was one step ahead, though, and laid another trap for Batman. Though significantly less effective than his previous attempt, he still managed to apprehend the Dark Knight. However, Batman managed to release the henchmen from the effects of mind control, and they quickly turned on the Mad Hatter. He was once again arrested and sent to Arkham Asylum.

Along with many of Batman's other rogues, the Mad Hatter participated in the trial of Batman. He provided the tools that allowed the Arkham inmates to control the guards and take over the asylum. He served as a member of the jury as well.

Some time later, several Gotham comedians began acting as pseudo-super villains. Initially, Batman and Robin believed the Mad Hatter to be responsible, as mind control microchips were found on each celebrity. However, upon investigating, the Mad Hatter had become subject to his own devices. The Joker had stolen the technology and used it to exact revenge on the celebrities that wouldn't allow him to participate in a comedy competition the previous year, and, as insurance, had planted one on the Mad Hatter to silence him.

Years later, the Mad Hatter infiltrated the Haley's Circus Tour, the circus troupe Dick Grayson participated in as a child. Dressed as a circus clown, he implanted mind control circuitry upon the animals of the troupe and had them perform robberies. When Batman and Nightwing arrived at the troupe's site to investigate further, he had controlled the troupe's human members as well. However, in a fit of arrogance, his hat was destroyed, and he lost control of his mindless minions. Apprehended once again, the Mad Hatter was returned to Arkham.

In the nightmare of Barbara Gordon (infected by Scarecrow), he appears on the talk show for the subject of conflict between Jim Gordon and Batman (accused of murder for his daughter Barbara). He is with Scarface, Harley and Riddler.

When Batman had disappeared from Gotham, the Mad Hatter, the Riddler, and Bane planned a coalition to control Gotham City. However, Superman (disguised as Batman) and Robin prevented the group from ever beginning their regime. Using Tetch's technological expertise, they were able to discover that alien influences were somehow controlling Bruce Wayne, which eventually lead them to Brainiac. Mad Hatter's top hat and attire was kept by Batman and displayed in the Batcave.

When I was done everyone that hadn't heard about it was shocked!

Nico: Yeah no kidding.

Qin: What a piece of work.

Me: He's not as fucked up as The Joker or Professor Pyg.

Nico: Yep.

Maria: But last time we fought him, he mostly annoyed us with rhymes!

Me: He likes to talk in rhymes.

Ymir: Geez!

Nico: Not only that but he is also the very first villain me and May faced on our first date.

May: It's true and it was fun.

Nico: It was back when I first moved to Gotham Royal York and it was love at first sight for me and May.

Me: Yeah that was fun. Also he is a disgrace to the REAL Mad Hatter that Alice and Alice Liddell know.

Nico: That is for sure.

May: I remember that day, honey.

Manaphy: Me too!

Poliwag: That was fun!

Me: It sure was.

Ymir: I can't believe he is that crazy and he loves Alice from Alice in Wonderland?

Leif: Yep he does. Also he is responsible for turning some of Gotham's comedians into criminals against their wills with his mind control. Condiment King, Pack Rat and Mighty Mom specifically.

Me: Oh speaking of which, lets call Condiment King for this. This is gonna be an opportunity for him.

Maria: Good idea.

Poromon: Such good times.

Me: Yep.

Condiment King came.

Condiment King: I'm ready guys.

Me: Perfect Buddy. Mad Hatter is here so we're going to let you drench him in mustard!

Condiment King: I've been waiting for this day for a while.

Me: Awesome.

Aria Sirenia: And I'm going to give him the WORST shock of his life with my tail.

Me: Nice.

Universe 666 May: I hope I give him a good beating like you guys did.

Me: Oh I know you will.

Nico: Yep. WOW! Yesterday was fun.

Sheila: Holy crap! What a heist!

Nico: How much loot did we get?

Me: We counted over $912,323,553,235,323,333,236,666,234,323,462,211.92 in gold, jewels, diamonds, cash and more.

Nico: HOLY COW!

Me: I know!

Lupin III: That was awesome!

Me: It sure was! And we sent Cagliostro and his men to prison forever.

Sheila: I can't believe my Akuma was hellbent on revenge like that!

Me: No kidding! Frank that was awful that happened to you and to

Sheila's akuma.

Punisher: It was. But at least you guys defeated the true cause of our pain.

Me: Howard Saint. He's in prison.

Nico: It was our first time meeting him in person

Me: That was the one from the Akuma's world not the Prime Universe. Frank killed that one.

Punisher: It's true. The one I killed was from the Prime Universe.

Me: Yeah.

Nico: Yep. But it's true. I'm glad we sent him to prison.

Me: Yep. Also Sheila last time we battled one of Lupin's enemies was on your wedding.

Lupin III: It's been a long time since then.

Me: A Little over 2 years.

Sheila: I know.

Nico: Yep.

We walked around Sky High.

Me: Wow Sky High is awesome.

Layla Williams: It sure is.

Nico: Yep.

Lincoln: Alright, guys, we're here for one intense battle, we're here in Sky High Academy to take down Jervis Tetch A.K.A. Mad Hatter and make him pay for what he did and send him to the Arkham Asylum section of The Saturn Insane Asylum.

The rest of the team's with us.

Me: I can't believe Jervis Tetch is back.

Nico: I thought we taught that madman a lesson last year when he broke out! That's it, now he's gone too far, I'm gonna smash his teeth out of his mouth before we throw him right back in The Arkham Asylum section of The Saturn Insane Asylum. But, we need to find out who it was that broke him out of prison.

Lincoln: Leave it to me. (Thinking) Though I have a good idea who was behind this, and since it's Mom's big day, there's only one person we can think of who'd do something like this!

So, we won't try to go crazy.

Eli: You two won't because you showed restraint, but it doesn't change that you're both as crazy and dangerous as your older brother.

Tyler Maxwell: Caleb.

Caleb Maxwell: He's right, you two are just as crazy and dangerous as me, but I was on a different kind of level, I'm unhinged, dangerous, violent, and murderous.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln and I turned the tips of our 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them.

Layla heard a Pokemon cry.

Layla: Hey look guys!

We saw a Chinchou.

Me: A Chinchou!

Aria Sirenia: Cool the pokemon I got slammed with.

Layla: Aww you are a cutie.

Chinchou: Thanks.

She gave it food.

Chinchou: Thank you.

She ate it.

Chinchou: Yummy.

Layla: You're welcome. Want to coem with us?

Chinchou: Sure!

Me: Cool!

Aria Sirenia: This is a nice coincidence

Me: It sure is.

But then a massive fireball flew in and Universe 666 May caught it and threw it back and it hit a Slugma!

Me: WHOA! A Slugma? Wow!

Nico: Nice one. But what's that doing here?

Me: It's not alone though.

We saw a Mega Altaria.

Me: A Mega Altaria too! Wow!

Nico: What are they doing together?

Me: I think they are part of Dark Gale.

Dreamcatcher: Lets see.

She used Telepathy and gasped!

Dreamcatcher: GASP! It's my friend Sonya Dreamia! She is one of my close friends and promised to help me change after I busted out of prison.

Sento Kiryu: Lets see.

He used Telepathy and gasped!

Sento Kiryu: Oh man! It's my sister Cerria! She is also known as Kamen Rider Nebula and helped battle some of Evolt's minions.

Me: Well we better help them.

Sento: HENSHIN!

He transformed!

Sento: LETS BEGIN THE EXPERIMENT!

Me: And it's going to be a success!

Dreamcatcher: DREAM TIME!

We went over to them.

Dreamcatcher: Sonya it's me Dreamcatcher!

Sento: And Cerria it's me Sento!

Mega Altaria used Dragon Breath on Horsea but she held her clone in front of her.

Poliwag then got in front of the blast and smacked it back with his tail and smashed it into Mega Altaria!

Poliwag: YOU STOP HURTING MY FIANCE AND THE CLONES!

Me: WHOA! Nice one!

Lola: YEAH!

Horsea: Thanks Poliwag.

Me: Okay then. Lets dance.

Me, Dreamcatcher and Sento fired blasts of fire and wind and blasted them down.

I snapped my fingers and they reverted back.

Sonya was a girl with blue hair and blue eyes and had blue angel wings and had the Air Symbol of Skylanders on her forehead. She also had the Air Skylanders Symbol with a storm cloud on it as a cutie mark on her arm.

Cerria was a girl with red hair and red eyes and had fire angel wings and had Slugma on her forehead and had Kamen Rider Build and Cross X symbols on her arm as a cutie mark.

We wrapped them in blankets and sat them on a bench.

Me: There.

Sonya woke up to see Horsea's smiling face.

Sonya Dreamia: (Groans) What hit me? Huh a Horsea?

Horsea: Poliwag saved me!

Poliwag: Yep.

Sonya Dreamia: Where am I?

Me: Well you're in Sky High Academy. We're 40,000 feet above the planet.

Dreamcatcher: Hey Sonya.

Sonya Dreamia: Dreamcatcher!

They hugged.

Sonya Dreamia: Good to see you.

Cerria woke up too.

Cerria: (Groans) Man what hit me?

Sento took off his helmet.

Sento Kiryu: Glad you're back sis.

Cerria Kiryu: Sento!

They hugged too.

Cerria Kiryu: I'm glad you're safe. Where's that asshole Evolt!?

Me: Well we killed him but he is back. Long story.

Pohatu: Your brother went through hell because of him.

Me: So did the world.

Cerria: I know. And Gentoku can you come here?

Gentoku: What is it?

KRABLAM!

She punched him in his stomach and knocked him down.

Cerria: That was for hurting my brother while under Evolt!

Me: Cerria was that necessary?

Cerria: Sorry but he hurt my brother.

Me: I know and I felt the same way before. I first thought that Gentoku was the main bad guy of Kamen Rider Build before but after finding out it was Evolt that made me rethink all that.

Nico: Did we mention that he's now Anti Monitor's second in command? King Kai told me himself

Cerria: He is!? Oh man.

Me: Yeah. Ugly story.

Pohatu: When my day to shine comes, he is dead again.

Me: And we're going to make sure he stays dead.

Nico: Yep.

Cerria: Good.

Me: Also you two were turned into a Mega Altaria and Slugma by Dark Gale.

Sonya Dreamia: (GASP) I remember!

Cerria: Who is Dark Gale?

Me: Oh you aren't with Sonya's team?

Cerria: No. I was fighting some of Evolt's minions when I got turned.

Maria: Oh man! I was holding on to this for you.

She pulled out her belt.

Cerria: Thanks Maria.

Sonya Dreamia: But I remember.

She was in an aqua blue suit and injected and turned into a Mega Altaria and she flew out!

FLASHBACK ENDS

Sonya Dreamia: It was awful.

Me: I know. But we destroyed them.

Sonya Dreamia: Good. I am the dream master of the team and the wind master too. I use dreams and wind to defeat our enemies. Outside the team I help the Skylanders and help Dreamcatcher in redemption.

Me: Cool!

Cerria: Awesome.

Me: Cerria I'm sorry you went through all that back in 2018. But Evolt will be destroyed soon. The man he possessed Soichi Isurugi is still in rough shape. He woke up from his coma but his body is still weak. He was in him for 10 years.

Varie: It's true.

Cerria: Oh man.

Me: Yeah.

Lola: Nasty story.

Rarity: Lets get you both some new clothes darlings.

The Fashion Brigade gave them new clothes. Sonya had aqua blue clothes and a lightning spear. And Cerria had red and orange clothes and a Fullbottle sword. Maria had put her belt back on her..

Sonya Dreamia: We look awesome.

Me: You sure do.

Horsea: Look on the bright side, Poliwag. At least I'm not getting hit all the time anymore

Poliwag: I know. But I can still be there for you.

Me: Cool.

We then saw some of the hallway looking like Wonderland.

Nico: Oh, of course.

Wallflower Blush: Just like when we first went to Wonderland.

Me: Yep.

Lincoln: (Sensed for Jervis Tetch) AHA! There you are! I just found Jervis Tetch, he's down the hall in the cafeteria 45 yards away, and it looks like the rest of Sky High's students are having fun without us.

We then walked down the hall to take down Jervis Tetch and send him to The Arkham Asylum section of The Saturn Insane Asylum.

We were walking down the hall, and we saw our target: Jervis Tetch A.K.A. Mad Hatter.

Alexander Maxwell and Tyler Maxwell: TIME TO DIE, YOU PIECE OF SHIT!

Alexander Maxwell and Tyler Maxwell charged at Jervis Tetch, and they fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels at him, and Tyler Maxwell also attacked him with swings of his massive warhammer and he even shot at him with his machine guns, while Alexander Maxwell slashed at his grunts with his massive greatsword and shot at them with his guns.

Caleb Maxwell: Son of a...!

Mad Hatter: Welcome to my Wonderland!

Me: Jervis Tetch A.K.A. Mad Hatter!

Nico: Hello Tetch. Remember me? Remember me and May?

May: We kicked your butt back in 2019 and stopped you from geting your Wonderland done?

Mad Hatter: It hasn't been THAT long. We fought last year!

Me: I remember. But the first time we fought was when May and Nico had their first date.

Nico: That's right. That was just me and May and the Mascots here. Now there is ALL of us you have to face.

Me: And it's going to hurt!

Nico: No rhymes?

Mad Hatter:… I can only rhyme for so long

Me: I see. Usually you have some of your mind control victims with you. No Alice or March Hare or Tweedle Dee or Tweedle Dum to help you out?

As if on cue, several people unnamed mind controlled prisoners dressed up like Wonderland cards appeared

Me: Oh I stand corrected.

Nico: I was beginning to wonder if your were acting alone.

Mad Hatter: Now where would the fun in that be.

Mallow Mokey: Okay you Mad Hatter freak. Lets see how your mind control handles THE CUTENESS!

She made a cute face and he was blown back from it and the mind control on some of his pawns faultered.

She then made all kinds of cute poses and faces.

The mind control chips shattered and freed the Mad Hatter's victims!

She then made a REALLY CUTE FACE!

Pinkie Pie: OH I CAN'T HANDLE THE CUTENESS!

Poromon: Let us make some faces!

Poromon, Horsea, Manaphy, Poliwag, Jirachi, Tentacool, Mevya and the mascots made the puppy eyes!

She then made a REALLY SUPER CUTE FACE AND IT WAS TOO MUCH FOR MAD HATTER TO HANDLE!

Mad Hatter: NO! OFF WITH THEIR HEADS THE QUEEN SAYS!

BOOM!

He went flying from cuteness overload and crashed into a PIE BOMB AND IT EXPLODED!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Chinchou charged at him and blasted him with lightning.

Me: What did you think of our force of cuteness?

Mad Hatter: That was really cute! Reminds me of the Flowers that sing.

Me: That was one of my favorite parts of Alice in Wonderland.

Wallflower Blush: Their voices were really pretty.

Me: And they smelled wonderful too. Also did you know about this Jervis? We found out that the Alice in Disney is not the only version of her.

Alice Liddell: (British Accent) And he means me.

She went over.

Alice Liddell: My name is Alice Liddell. And unfortunately my story is much darker.

Mad Hatter: My dear, I'm from Gotham. Your story can't be that dark than the sights I'm used to seeing

Me: Oh I assure you Jervis it's that dark.

Alice went over what she experienced.

She went over her history and how Dr. Angus Bumby destroyed her life and burned down her parents home and killed her mother and father and sister and tried to destroy her life by selling her into prostitution all because of greed, lust and fraud. In so doing, Alice had 10 years of her life stolen from her until Bumby was killed by her and us.

When she was done we were shocked and horrified and Ymir was crying hard and Neon too and Ace clenched his fist in rage!

I comforted Ymir.

Me: Well believe her now?

Mad Hatter: I truly am sorry. I might be mad but I'm not heartless like the Joker or Professor Pyg.

Me: That's good.

Alice Liddell: I lost everything.

Me: She did but we avenged her family and banished that jerk to the Black Abyss.

Ace:I can't believe that happened to Alice!

Neon: (CRYING HARD) HOW CAN HE DO THAT TO HER!

Ymir: (CRYING HARD) OH ALICE! (CRYING)

Me: I know.

Mad Hatter: Poor dear.

Lilja then went and hugged Alice.

Lilja: (Icelandic Accent) I completely know how you feel Alice. I didn't lose my mom like you did because of Bumby or went through everything like you did. But I know how you feel.

Alice Liddell: Thank you Lilja.

Mad Hatter: I appreciate you telling me that.

Me: You're welcome. But before we fight on I believe we have someone here to say hello.

Condiment King came.

Condiment King: Hello Jervis. Remember me?

Nico: Might want to have your shot at him while you can!

Condiment King: With Relish!

KRASPLAT!

He fired waves of ketchup, mustard, mayonnaise and hot sauce and drenched him all over!

SAUCY AND YUMMY!

Poromon pecked him.

POINK POINK POINK POINK POINK!

Poromon: You want to see something else that's scary?

Mad Hatter: What is it?

Poromon: YOU WANNA SEE SOMETHING SCARY?! SCARIER THAN KILLING KIDS!? Well (SHOWS THE TRAILER) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!?

Nico: Never gets old!

Mad Hatter: It's like the Jabberwock only more monstrous!

Me: I know. But the mascots killed the real thing too. Also you hate the Scarecrow right?

Mad Hatter: Yes I do.

Me: Good. Well we killed him. He is gone for good. I lit him on fire and burned him to death. How about a little Fire Scarecrow!

I formed a ball of fire in my hand.

Me: Like this.

Mad Hatter: At least you're all too strong for his fear gas.

Nico: Um… about that…

Me: He gave us enough Fear Gas to poison an army! But thanks to will power we became immune. Me and Nico that is.

Mad Hatter: Good.

Me: Yep. Anyway just want to get that talk down.

Manaphy blasted him with energy.

Hippowdon: CANNONBALL!

He smashed onto Mad Hatter with a sickening thud!

Me: Watch this one.

I puffed a peppermint stick and blew a message. It said I FUCKING HATE THE JOKER, SCARECROW, PROFESSOR PYG, VICTOR ZZAZZ AND RUPERT THORNE!

Mad Hatter: You learned that from the Caterpillar?

Me: Yep. Instead of what he smoked I like smoking a peppermint stick. It's safer and makes my breath smell good.

Eli: Good thinking.

Nico: Oh, and we also killed Crane with farts

Mad Hatter: (Skeptical) Seriously?

Me: We're not kidding.

Loki Loud: When Stinky Butt's farts literally mixed with his fear gas it formed into Sarin gas and killed him.

Me: (LAUGHS) Yeah that is one lethal combination!

WE LAUGHED!

Mad Hatter: Okay that is funny!

Qin: It sure is.

Mevya hopped over to him and belched in his face.

Horsea squirted ink and blinded him.

Lola fired waves of fire and blasted him.

Me: OH CRAP!

Nico: OH NO!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings of his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed, and a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Then, he flexed his massive muscles, and we saw two cannons exploding in his massive biceps and the Death Star exploding in his massive pecs and he let out a massive wolf howl and he pounded his chest like a gorilla.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated dragon claws and greatswords, and Lincoln, Andre Lupescu, Abaddon Aeternus, Red Savarin, Robin Hood, Rayman, Juniper Lee, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Jervis Tetch, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BURN IN HELL FOREVER!

Lincoln, Nico, and I did one final powerful energy slash that hit Jervis Tetch hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Jervis Tetch was on his last legs and he was really really mangled.

Then, Lincoln fired a rainbow energy blast that turned into a straitjacket and tied Jervis Tetch up and Nico and I punched him hard in the face and sent him flying into a portal Lincoln opened up to his new cell in The Arkham Asylum section of The Saturn Insane Asylum.

We cheered as we holstered our weapons and powered down and Alice Liddel's new body, clothes, weapons, jewelry, Third Eye, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded navy blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large navy blue planets orbiting around her legs, one-hundred smaller navy blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized navy blue planets orbiting around her wrists and ankles, and massive dark auburn brown angel wings and ninety-nine sets of large dark auburn brown angel wings underneath her massive dark auburn brown angel wings are permanent and Alice's new body, clothes, weapons, jewelry, Third Eye, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded navy blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large navy blue planets orbiting around her legs, one-hundred smaller navy blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized navy blue planets orbiting around her wrists and ankles, and massive blonde angel wings and ninety-nine sets of large blonde angel wings underneath her massive blonde angel wings are permanent.

Nico: And that's that for Jervis Tetch.

Me: That's for sure.

Lincoln: Now, to check who busted him out of the nuthouse.

Lincoln checked the security footage at Jervis Tetch's cell in the nuthouse, but when he saw who it was that busted him out, we were pissed off: it was none other than Nurse Sue!

Varie: Are you kidding me?! That no good lousy fat cow!

Lincoln: That's the last straw! She's not only going to pay for her crimes against the elderly, but she's also going to pay big time for picking on our family!

Ruby Salazar: Not to mention what that fat cow did kicking our grandfather out!

Sapphire Salazar: I'm gonna enjoy tearing that fat cow apart before we send her to The Black Abyss!

Lincoln: No, girls, I've got a better idea, we're throwing her in The Saturn Insane Asylum's Maximum Security Solitary Confinement after we take her down. It's the least she deserves!

Maria: Look on the bright side. At least he didn't rhyme

May: Yeah those rhymes gave me a headache.

Nico: Me too. Oh no offense Zecora.

Zecora: No offense was taken Nico and even though I do rhyme I do it on my time, and with me I say it more precision down to the dime.

Me: That is for sure.

May: Yep.

Nico: Nice job, Chinchou

Chinchou: Thanks Nico. That was fun.

Me: It sure was.

Poromon: Want some beer?

Chinchou: Oh no thanks. I'm allergic to beer.

Poromon: Oh boy.

Me: Okay.

Poliwag: (Does puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Me: Well I don't know about you guys but I could use a little rest in the park after the Skylanders adventure for today is done.

Camie: Good idea.

Lori: Literally a good idea.

Ymir: Same here.

Dina the Undine: Yeah.

Me: Awesome.

Nico: Oh, Roll, what do you like to do in your free time?

Roll: I like helping Mega and Dr. Light in making new robots. Also I like helping around the place.

Me: Cool. Cool.

Maria: Now for the Anothers.

Me: Yep.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another of Mom.

Rita Loud: Another Me? Interesting.

Lincoln: We'll find out soon.

Eli: Right. And one of the Anothers is The Keyblade Knight of Forbidden Planet and the world of Altair IV.

Me: I remember Forbidden Planet, that was one of my favorite moves.

Nico: Cool. So we have Another Launch Octopus, Hydraka, Chameleon Zodiarts, Spy Army Leader Rikki, Bikini Bottom Wolfman, Phantom Tails and Phantom Balloon Toad.

Me: Yep and Roll, Aria Sirenia, Reika Shindai (Kamen Rider Saber), Thunder Corona, Volcania Heartilly, Kitty and Emma are up

Eli: (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillion bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Nico: There they are!

We saw Another Hydraka, Chameleon Zodiarts, Spy Army Leader Rikki, Bikini Bottom Wolfman, Phantom Tails and Phantom Balloon Toad.

Me: There they are!

Nico: Boy this will be fun.

Another Hydraka: (In a girls voice) It sure will be.

Another Chameleon Zodiarts: (In another girls voice) Yep.

Me: (GASP) Those voices.

They reverted back and were the embodiments of Phoenix 3 and Cerberus 2.

Me: (GASP) Phoebe Phoenix and Cerria Cerberus!

Nico: COOL!

Phoebe Phoenix: Good to see you J.D.

Cerria Cerberus: Yeah it sure is.

Me: Yep. Phoebe is the Embodiment of the Phoenix Dopant 3 and has intense fire powers. Cerria is the Embodiment of the Cerberus Dopant 2 and has all the powers of hell.

Nico: WHOA!

Qin: Scary!

Me: Yep. By the way girls are the rest of the Anothers friendly or hostile?

Phoebe Phoenix: Friendly and awesome.

Me: Cool!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER

AQUA BLUE AURA FLARED UP)

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Maria: Now for backup. (TURNS DIAL) RAYS OF THE WOLF!

She summoned Ray (TMNT: Mutant Mayhem), Captain Yumi the Sky Pirate, Zentra, Sundowner (X-Squad Universe), Setor and Wolfman (Jungle Fury).

Nico: Now we wait.

Me: We don't have to wait long!

We saw Another Launch Octopus and Rita!

Me: There they are.

Lola: Yep.

Another Launch Octopus: (In a girls voice) Yep this will be awesome.

She reverted back and it was the Keyblade Knight of Altair IV!

Lincoln: (GASP) Altaira Morbius CCCXXXIII!

Me: WHOA!

Altaira: Nice to see you Lincoln.

Me: Care to introduce us?

Anna Anyanova: Sure this is Altaira Morbius CCCXXXIII, Keyblade Knight of Forbidden Planet and the world of Altair IV, she's Lincoln's Guardian Angel from the world of Altair IV and she's a very powerful epic force. She's the Keyblade Knight of the 1956 movie Forbidden Planet and the world of Altair IV and a direct descendant of Dr. Edward Morbius and she is from the year 31,000,232. She has the extremely intensely omnipotent powers of the Krell including all the power of the secrets of the universe and more. She also has the powers to project Id monsters and make them kill the very bad guys they come from and she has the powers of the stars, planets, galaxies, nebulae and space all over. She went back in time to help Lincoln and became one of his Guardian Angels, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, she taught Lincoln everything she knows and how to master all the extremely intensely omnipotent powers of the Krell including all the power of the secrets of the universe and more, the powers to project Id monsters and make them kill bad guys, and all the powers of the stars, planets, galaxies, nebulae and space all over, and over time, Lincoln gained all the extremely intensely omnipotent powers of the Krell including all the power of the secrets of the universe and more, the powers to project Id monsters and make them kill bad guys, and all the powers of the stars, planets, galaxies, nebulae and space all over, and she also helped him bulk up big time in muscle. Lincoln made her an awesome Keyblade, and she kissed him on the lips, and as a result, when he comes of age, he promised he'll marry her along with the rest of his harem, and she hates all over his enemies with a passion especially Scoots and Chandler.

We were in awe!

Me: WHOA! You're from 31,000,000 years from now!? That's a long time!

Camie: It sure is!

Altaira Morbius CCCXXXIII: Yep and it's amazing.

Nico: Wow! That is incredible!

Me: Yeah!

Altaira: It sure is. Also I have Launch Octopus's powers and weapons too.

Me: Nice.

Launch Octopus: Nice!

Maria: And your friend?

Another Rita: Someone who is proud of her aunt.

Rita: (GASP) That voice!

She reverted back and was a brown hair younger version of Aunt Ruth.

Rita: (GASP) Rhonda!

She went and hugged her.

Loud Kids: Cousin Rhonda!

They went and hugged her too.

Rhonda: Hey guys.

Me: Your cousin?

Lincoln: Yep. Rhonda is our cousin and she is Aunt Ruth's daughter.

Me: WHOA! Uh no offense but your mothers conditions of living are disgusting.

Rhonda: I know. My mother lives with so many cats. Mom has always been crazy with cats and all that and that moldy pudding was disgusting! I can't tell you how many times I had to have my stomach pumped because of it.

Lana: It's not that bad. To be honest cousin I like going to Aunt Ruth.

Rhonda: Only you would like it cousin Lana.

Lincoln: We feel your pain cousin. Visits to Aunt Ruth are torture!

Ymir: Is it that bad Lincoln?

Lincoln: It sure is!

[A montage of all the things they do at Aunt Ruth's is shown. First Aunt Ruth is laying in her chair and the Loud Siblings are bored out of their minds as they are looking at a slide show.]

Lincoln: "She makes us look at a million pictures of her cats."

Ruth: "Here's Mittens in Egypt. We were going to visit the pyramids, but Mittens hates the heat." [cuddles Mittens]"Don't you, baby?"

[Cut to them eating something questionable.]

Lincoln: "She feeds us gross food."

Lori: "Ew. When was this pudding made?"

Lisa: [examining the can] "Seeing as this flag on the label only has 48 stars..."

[Cut to Lincoln cleaning out the cats' litter box.]

Lincoln: "And she always singles me out to do special chores."

Linka: Uncle Rudy did the same thing to me in my dimension.

Ruth: "And when you're done scooping, you can start rubbing these bunions. Don't forget my extra toe!"

[A sixth toe protrudes from her left foot.]

[Lincoln cringes in disgust.]

Lana: "Lucky."

Lincoln: "The only Louds who get to skip out on Aunt Ruth's are Lily and Dad."

[Lily pulls on one of Ruth's cats' tails. End montage.]

Ymir: Okay I stand corrected. Geez!

Me: Yeah so I came up with this babysitting plan for some of the Louds to have fun.

Lori: And it literally was successful.

Me: Yep.

Kaito: (gets out Ninninger gear) Did Swartz promise you anything?

Zocks: (Gets out Zyuohger gear) Because we can grant it instead.

They got weapons from said teams.

Altaira: Not on my part but Rhonda yes.

Rhonda: To send my mother to get psychiatric therapy and help.

Me: Well look on the bright side. At least it didn't end up like what happened your mothers counterpart in the Royal Defenders Universe.

Nico: He's right.

Rhonda: I heard all about that. I'm glad. But my mother needs help big time.

Sougo (gets out Ninja Steel Ridewatch): Your Mom's not that bad

Geiz (Gets out Zyuohger Ridewatch): Her place just needs remodeling

Sougo got RedNinjaSteelArmor while Geiz got ZyuohEagleArmor

Me: It's true. But her house is in need of a lot of repair!

Rita: I've been trying to tell her that for a while.

Me: Yeah. Also they had to eat 70 year old pudding! YUCK! The jar of pudding she had was made back in the late 1940s before Alaska and Hawaii became official states.

Ace: (STOMACH GRUMBLES) OH I THINK I'M GOING TO TOSS MY COOKIES!

Neon: (STOMACH GRUMBLES) ME TOO!

Lisa Loud: And her water contains extremely high levels of Chromium 6.

Lori: I literally got botulism from her food.

Me: See what I mean?

ACE AND NEON HURLED THEIR GUTS OUT!

Me: YUCK!

Nico: CLEANUP ON AISLE 12!

Michinaga: I'm sure it's not that bad.

Me: Oh believe me Michinaga. It is.

Rita: It's true.

Michinaga: Oh boy.

Me: Anyway lets separate you girls.

We did so.

Me: Here we go.

Nico: (Gets out Launch Octopus's Ridewatch) SQUIRT THE INK!

May: (Gets out Spy Army Lead Riikki's ridewatch) Time for some

pain!

Universe 666 May: (Gets out Bikini Bottom Wolfman's ridewatch) (HOWLS LIKE A WOLF)

Maria: (Gets out Phantom Tails Ridewatch) I am hungry for chili dogs!

Aria Sirenia: (Gets out Hydraka's ridewatch) AMP IT UP!

They used the powers of Launch Octopus, Hydraka, Chameleon Zodiarts, Spy Army Leader Rikki, Bikini Bottom Wolfman, Phantom Tails and Phantom Balloon Toad and blasted the Anothers.

Me: YEAH!

Nico: That's how it's done!

Me: Yep.

Then Lava Monsters (Jake and The Neverland Pirates), Ghost Vypra, Turnip King, Scarswamp, Yuterujan, Universe 666 Hexxus, Metal Men from Mercury and North Wind.

Me: WHOA! That is hot!

Nico: Nice team Lava Monster.

Lava Monster: Thanks Nico.

Rikochet: (Spanish Accent) The Turnip King!

Turnip King: (Spanish Accent) Si good to see you Señor Rikochet.

Jared: Nice outfit. I Love turnips!

Turnip King: Gracias señor Jared.

Horsea: Hi, Ghost Vypra!

Ghost Vypra: Good to see you Horsea.

Me: I promise you that Bansheera will soon be dealt with.

Ghost Vypra: I know.

Qin: Cool.

Me: That means Ultimate Swampfire's team next.

Ultimate Swampfire: That's right.

Me: Cool!

Then swirls of lightning and history symbols came out and out came Number 34: Terror-Byte and Number 33: Chronomaly Machu Mech!

Me: WHOA! Number 34: Terror-Byte and Number 33: Chronomaly Machu Mech

Nico: COOL!

Number 34: (In a girls voice) It sure is.

Number 33: (In a girls voice) I agree.

Nico: Gloria Terrabyte and Claudia Chronos!? WHOA!

They reverted back.

Gloria was a girl with blue hair and yellow eyes and blue clothes and purple wings and had Number 34: Terror-Byte on her forehead, shirt and skirt and had a CPU Chip in a ball of lightning on her arm as a cutie mark and had a lightning sword.

Claudia had dark green hair and green eyes and had dark green clothes and blue wings and had Number 33: Chronomaly Machu Mech on her forehead, skirt and shirt and had the Mayan Calendar in a Sun and Moon on her arm as a cutie mark and had nature sword.

Claudia Chronos: Good to see you again Nico.

Gloria Terrabyte: We got this. 34 LIGHTNING BLITZES!

Claudia Chronos: 33 CHRONOLOGICAL BLASTS!

They fired waves of energy and lightning and blasted the Anothers and I caught the ridewatches and purified them!

Me: YEAH!

Lola: AWESOME!

Nico: Nice job!

Gloria Terrabyte: Thanks! This was fun.

Claudia Chronos: We hadn't had that much fun since we found the Book of Viraqocha in Suriname.

Nicole: (GASP) You guys found the Book of Viraqocha!? I've been trying to find that for a long time. So you're a treasure hunter?

Claudia Chronos: I sure am. I travel all over South and Central America and find artifacts from all over to bring to museums all over the world.

Nicole: Welcome to the Treasure Hunting Party.

Me: Yeah.

Aria Sirenia: Do you girls have any good memories of Nico?

Gloria Terrabyte: We sure do. Mine is where me and Nico were in computer club and using my skills in computers and technology, we hacked into a corrupt companiy's accounts and took all of their money.

Me: WHOA! Wait so you're a Cyberthief?

Gloria Terrabyte: Yep. I use my skills in hacking to bring down evil companies run by criminals.

Me: Cool!

Gloria Terrabyte: Yeah and I use a powerful untraceable program. I'll show you later.

Me: Cool!

Claudia Chronos: Yep. Mine is where me and Nico went to the jungles of El Salvador and we found a temple containing the Book of the Oceans of Chac Chel.

Nicole: The Book of the Goddess of the Seas in Mayan Myth! That's another artifact I was looking for! Well done.

Me: Wow! You are an amazing treasure hunter.

Claudia Chronos: Yep. I'm also going all over the world to find more treasure too.

Nico: Nice.

They hugged.

Nico: I've missed you girls

Gloria Terrabyte: We did too Nico.

We went back home.

We had all of TLPS and The MOE with us.

Lincoln: Ah, we're here in Sunset Canyon, and I know what we're going to do here, not only am I going to rescue the three girls, but we're going to pay a visit to Pop-Pop and warn everyone of Nurse Sue's return and her attack later on today.

Me: I always knew that bitch was never going to change, she's still the same nutcase from before.

Nico: Lincoln made the right decision to have her thrown in The Saturn Insane Asylum, but not after we trash the bitch for everything she did.

Eli: That's for sure.

Roll: Now, let's head in and tell everyone of what's happening.

We headed inside Sunset Canyon, but we saw the seniors were barricading the doors and they had tons of barricades outside with barbed wires, machine gun turrets, and inside, they also tons of weapons in stock!

Me: Wow! Looks like they're getting ready for war!

Nicole: Looks like it! Mom, did you have a hand in this?

Varie: No, I didn't.

Suddenly, Albert came in and he was in full military gear.

Albert: Hey, gang!

Rita: Dad! What's going on?

Myrtle: We found out that rotten no-good monster, Sue, was coming to destroy Sunset Canyon and kill us all. So, Albert rallied everyone and got everything set up.

Nico: We saw.

Albert: It's been a while since you guys came to visit.

Lincoln: Sorry about that, Pop-Pop. But, with Anti-Monitor running loose along with his minions, we didn't have the time.

Albert: That's okay. Anywho, we'll be ready for when Sue shows her face.

Seymour: Albert, we got trouble!

We looked out, and we saw thugs heading for Sunset Canyon.

Albert: That coward, she's sent thugs to attack us!

Me: That fat cow! Let's get them and smash their heads in!

We then charged out!

Nico: You got some fucking nerve to come out to attack us!

Thug: SHUT UP! YOU'RE ALL DEAD!

Suddenly, the septillions of thugs got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!
